LATEST FROM NEW ORLEANS.

MONDAY, July 9.—Passengers by the flag of steam steamer Natchez, from New Orleans, report that the Maine Regiment, consisting of 1000 men, had to be shot before the distribution could be completed.

The Texas companies are hovering about New Orleans at a distance of some eight miles.

From the West—July 11, 1862.—A special dispatch to the Advertiser, dated Jackson, 10th, says that Gen. Van Dorn's General Order No. 3, placing fifteen miles contingents to Lynchburg and all rest of Louisiana, under martial law are declared supreme.

THE ARMY OF RICHMOND—REMOURS.

Since fighting has ceased on our lines we have but little to communicate to our readers of the army of Richmond, as any information of its situation, position or movement is distinctly, and very properly, forbidden by the government.

The Campaign in Mississippi.—It has been ordered that the department of Mississippi shall be defended to the last extremity, and so far the fortunes of its defense are encouraging as driving the enemy from Holly Springs and sustaining the attack of all the enemy's naval power on the Mississippi at Memphis.

General Floyd's Command.—We are pleased to learn that the command of this gallant old veteran, "the noblest Roman of them all," is in such a state of forwardness as will enable him to take the field as soon as his forces can be gathered from the different camps.

A New Greek Fire.—The Gazette de midi speaks of a very curious and interesting experiment that has been made at Fort St. Philippe, Martinique, with a new inflammable liquid invented by a French Chemist.

Let of Killed and Wounded in Capt. Wm. Lawrence's Company ("Cavalry Guard") of the 24th Regiment N. C. Troops, on the 27th, 28th, and 29th of June 1862.

Mr. Brewer—Dear Sir: Thinking that some of the readers of the "Watchman" would like to know the whereabouts of the old (Col. G. C. Gillet) Regiment, I drop you a line, subject to your disposal.

...and he is a very attractive city, though its location is somewhat uncommo...

Lynchburg is not a very attractive city, though its location is somewhat uncommo...

The health of the Regiment is not so good as it was.

It has been removed to near Camp that our Regiment is to be sent back to North Carolina...

The recent victories gained by our gallant troops near Richmond have attracted the people here.

We are authorized to announce F. E. SHEPHERD, Esq., as a candidate to represent the county of Rowan...

ET We are authorized to state that Dr. J. G. KAMMAY will, if it be the pleasure of the people to re-elect him, represent the counties of Rowan and Davie...

ET We are authorized to announce Wm. A. WATSON, Esq., as a candidate for re-election to the office of Sheriff for the County of Rowan.

Mr. BURTON—Please present the names of N. N. FLEMING and D. A. DAVIS, Esquires, as suitable persons to represent the County of Rowan...

A political contest of this time is a thing greatly to be deprecated, and we believe will not be agreeable to the people.

Mr. Fleming is well known to the people of Rowan, having been their representative for the last three terms of the Legislature.

Mr. Davis has never been in political life, but is known as a man of fine business qualifications...
