Will the conscripts in camp near this place be allowed to vote? If they are organized into companies or regiments, they will have the right to vote, in camp, for Governor, members of the Legislature, and Sheriff, under the ordinance of the Convention; but if not so organized, they will have the right to vote, at the Court-house in Raleigh, for Governor. Or, if they wish their regiments in Virginia, in time, they will have the right to vote there, under the ordinance of the Convention.—Jb.

THE LATEST NEWS.

News by this Morning's Mail.

We have verbal reports of an expected advance of a portion of Burnside's troops from Newbern to Kinston, and that our forces are preparing to meet them.

The cartel for a general exchange of prisoners was signed on the 23d instant, by Major Gen. Jas. A. Dix, of the Federal Army, and Major Gen. Daniel H. Hill of the Confederate Army.

The news from the West, is that John Morgan had captured eleven cities and towns, with heavy amounts of army stores, and that he has a force sufficient to hold all the country between Lexington and Frankfort. The bridges between Lexington and Cincinnati have all been destroyed.

Six Federal Colonels in Curtis' army have resigned and gone home on account of Lincoln's lately declared policy on the negro question.

Commander Tatnell has been acquitted for the destruction of the Merrimac, or Virginia. Another steamer, with a cargo of arms, ammunition, &c., ran into Mobile on the 25th, after an exciting chase from the blockaders.

Jackson is said to be at or near Gardonsville. This is Federal news. Reports from the same source, indicate considerable excitement at Washington, fearing he may plunge into the Capital before they are aware of it.

The Federal Confiscation bill against the property of rebels, has become a law. It sweeps everything a man has; and it probably no worse than the plundering and stealing heretofore practised by the invading army.

The Boston Courier says the only chance to save the three hundred thousand troops called for, is by draft.

INTERESTING FROM VICKSBURG.
The Mobile Advertiser makes the following extract from a private letter from Vicksburg. It is suggestive of some important matters of which we are in ignorance here.

Can it be, that Baton Rouge is re-occupied after all the denials from New Orleans? The New Orleans papers of the latest dates have confessed to a scare and that a Maine regiment was sent in hot haste. Farragut's request to be permitted to pass the batteries is repeated in this letter in conditions greatly amplified. If half what is suggested by the writer be confirmed, the Yankees are certainly in a bad way on the Mississippi, and Butler was right in thinking that "gangs and crowds in the streets of New Orleans were dangerous to the public peace." But to the extracts:

Vicksburg, July 13.
We have just received exciting news from our batteries. A Yankee flag of truce has arrived to request permission for their gunboats to pass our batteries at Vicksburg and Baton Rouge unmolested, and they will evacuate New Orleans and the river. It is said that Gen. Van Dorn has refused the request, for he says that before two months he shall have the whole of the Yankee fleet between Vicksburg and Baton Rouge.

Gen. Breckinridge has command of the troops on the opposite side of the river at Monroe, La., and is marching to capture the Yankee batteries over there, and to prevent supplies reaching the Yankee fleet, the whole of the Yankee fleet went down the river yesterday, for the purpose of securing our batteries at Baton Rouge, but I am happy to say they have a very poor chance for doing so, as we have reoccupied the batteries on both sides of the river and are mounting more guns and erecting new fortifications. There is no doubt that we made a brilliant strategic stroke in the capture of that town. Meanwhile a large light artillery force has been stationed on the banks of the river, with orders to attack all transports and Yankee boats that attempt to pass. So you see the Yankees have "got their paw in the wrong pot this time."

5 p. m.—News has just arrived that Van Dorn sent the following answer to Farragut, commanding United States fleet above and below Vicksburg:

"Sir: Your communication, under flag of truce, has been received. In answer, I beg to say, that the only way you shall pass my batteries is at the mouth of the canon.
(Signed) E. VAN DORN.

The troops are looking for orders every minute to cross the river and attack the Yankees.

MARRIED:
In this County, on the 24th inst., by John McConaughy, Esq., Mr. GEO. M. MENNIS, to Miss MARY A. SEAFORD.

DIED:
In this town, Monday evening July 21st, WILLIE R., son of W. R. and N. A. Wilson. Aged 3 years 6 months and 28 days.

"Of such is the kingdom of heaven," said Jesus who took little children into his arms and blessed them. Fragrant hearts are given and deprived of their earthly joys that they may hereafter find in Paradise, all blooming in the freshness and splendor of that mansion of light, love and glory, the joys which were alluring them to earth.

In Chimborazo Hospital, Richmond, Va., the 10th inst., after a painful and protracted illness of sixteen days, DANIEL W. CLIGE, oldest son of Henry and Sarah Clige, dec'd. The deceased was a member of Capt. Foster's Co. F. 13th N. C. Troop. He was among the first who rallied to his Country's call, when the iron hand of a cruel tyrant threatened our homes with destruction. He was a true and faithful soldier and discharged his duty with daring courage and bravery. F. W.

We are authorized to announce F. E. SHERBEE, Esq., as a candidate, to represent the county of Rowan, in the House of Commons of the next General Assembly.

We are authorized to state that Dr. Jas. G. RAMMAY will, if it be the pleasure of the people to re-elect him, represent the counties of Rowan and Davis in the next General Assembly. He deems it necessary to canvass the district, as he is well known to the people.

We are authorized to announce I. M. SHAYES as a candidate for Sheriff of Rowan County, at the ensuing August election.

We are authorized to announce Wm. A. WALTON, Esq., as a candidate for re-election to the office of Sheriff for the County of Rowan. [full 7 Aug. pd.]

Mr. Bruner—Please present the names of N. N. FLEMING and D. A. DAVIS, Esquires, as suitable persons to represent the County of Rowan in the Commons of the next Legislature.

A political contest at this time is a thing greatly to be deprecated, and we believe will not be agreeable to the people. Since the commencement of the war, we have been a united and harmonious people—old party distinctions have been broken up—party feeling and party rancor merged and forgotten—and the minds of all have been animated by a common sentiment of patriotic devotion to our Government, and a determined purpose to achieve our independence at any sacrifice.

Mr. Fleming is well known to the people of Rowan, having been their representative for the last three terms of the Legislature. His talents and legislative experience eminently qualify him to represent this county at this time.

Mr. Davis has never been in political life, but is known as a man of fine business qualifications; of great industry and energy, and so far as financial matters are concerned, has no superior in the State.
