

yet, on account of the... and honest and honest hearts, the great heart of Him... and the world... We, if any people on earth, could pray feelingly, "Thy Kingdom come," it is us. Let us both pray and work for the time, when words shall be beat into plow shares and spears into pruning hooks, when men shall learn war no more.

May God be gracious and speed the time, let us all say, Amen, on earth, and may all in Heaven join in the same.
