The Fxamination of Merritt-the As sassination of President Lincoln.

Washington, April 23. Mr. Rogers, of New Jersey, one of the members of the House Committee on the Judiciary, who was not present when Dr. James B. Merritt, and not Meredith, as published, was examined, called him before the official reporter and went thorough cross examination of this gentleman. It is said that the cross-examination showed that his principal evidence was void of truth, and that he really knew nothing connecting any person with any transaction not recognized by the usages of war. . That his attempt to connect Davis, Clay, Sanders and others with the assassination of Lincoln was a pure fabrication, as he admitted on his cross-examination, that he saw or knew no act or thing connecting the above- Eller and Mes.
