or literally wasted. He endeavors to be a categor in regard to the aura of the Railcal party. It says in defined of the revenue last this union - Probable no white man who went there for the public not only directly as regardation as integrated to the aims of the Ratical party. It says the ship in which he deal, but also in the manner in The military reconstruction bills put the South unlarge numbers are served up. The J. A. dur military role until such time as the Southern knows that not only must be never after the public should always appear in smiling form and attractive the ground taken by those defending them; the dress. To this end he employs a professional address. To this end he employs a professional advertisement writer, whose business it is to put forth his patrons's wares in a style that will not only eath seconding States. When it became manifest that the known the fruth of the adage; 'many men,' many obnoxious as they were seemed to accept them as the fruth of the adage; 'many men,' many obnoxious as they were seemed to accept them as the fruth of the adage; 'many men,' many obnoxious as they were seemed to accept them as the fruth of the adage; 'many men,' many obnoxious as they were seemed to accept them as the fruth of the adage; 'many men,' many obnoxious as they were seemed to accept them as the fruth of the adage; 'many men,' many obnoxious as they were seemed to accept them as the first and noisest disturbance was over. minds," and therefore addresses himself by turns to part of the inexorable result of the war, common all classes of the community, and varies his notices senso and a proper reguri for decemby required that from the more master of last statement of goods the people then should be left free to act without special correspondence, dated Orizaba, May Srd, whites indiscriminately, wherever they

casionally appealing to the conscience and religious feelings through the use of scriptural quotations, as well as of compelling the judgment by logical analogy. The J. A. never crowds his aftertisements; and the Constitution. We warned the public, see from the Liberals. be knows that any advertisement that is painfull or when the Free-Iman's Bureau bill was first propodisagreeable to read is seldom read, and for this sed, that negro suffrage was aimed at, that the inreason he prefers having fifty words spread over a hundred lines to crushing into fifty lines five would be more formally fastened upon the South-hundred words. When business shokens the J.A. ern people if a Radical Congress was sustained, and that the North itself would be dominated over there are in the papers, the more likhhood is there of his lucubrations being read, and that even in the ultimate object was the perpetuation of Radical hardest-up time there is ever trade enough for the enterprising. So he reasons, "It my neighbors stop the Souther States from the Presidential election, advertising, the public will forget them and they will have to renew their acquaintance afrest, even embraced in the record of the country. The re-when good times come; but I shall take good care mainder will also be accomplished if the leaders. The Military will take exgnizance of particular never to slip from the memory of my costomers, believe the public will submit to it. The Summer cases. and what trade is going will come to me, and what trade is going will come to me, and what trade is good, my custom will increase with the growing trade." By these means the J. A. name is in every one's mouth, and the whole country furnishes tribute to his bank account.—

Roating paragraphs inform the community what are to the South a basis of reconstruction, which it income tax he has paid, and rival, but less adversions in the secret purpose of wire-pullers if possible to tising, houses read the select row figured statement, deleat. The constitutional amendment was rejectof the trade he has done, with alternate disguit ed because it was not regarded as a bone fide tend

and longing. Ambitious fathers petition from that or of settlement. And now that the South seem their sons may be taken as clerks in his establish-inclined to test the Northern people with the milment, and the community points to bin an as honor, and the plotters of mischief are scheming and view him as a benefactor, while he has benefitted them only by helping houself, and honored southern people, by which they hope to carry the coming elections. The plan is simple. In some quarters it has been frankly avowed. It is proosed to make inflammately barangues through Carolina Watchinan. and it possible secure a martyr or two, and then WEEKLY BY J. J. BRUNER. Its uses the very outrages which have been provided with fields art as the means of reasing another storm of sectional presson throughout the North; SALISBURY, N. C., MAY 27. 1867. which will not only deay the South restoration to the Union, but will some practing a confluent will be started to the Union, but will some practing a confluent will.

We do not charge upon all the Radical leaders

LITERARY. We havite attention to the notice, this infamous programme. Neither were they all of Branson, Farrar & Co., in another column. It chargeable with the malignant cunning that brought of Branson, Farrar & Co., in another column. It about the military reconstruction talks. Many of Captain Maloy, of the whaling bark will be seen that they are egain prepared to supply the features of these bills were severely denounced. Osceola, has had an adventure, which he the public with School books, Law books, Sunday at the outset by Republicans of prominence. the Revolutionists got the party in their clutches, We would also call attenuon to the sale notice and they forced the moderate men into the support of military despotism and negro suffrage; and a bout three hundred miles northwest unless the people of the country set their seal of from St. Nicholas, we saw whales close condemnation on the diabolical intrigues of such to the ship, lowered the boats as soon as he will probably end his days. "Old "Why, sir, you know Rome wasn't built men as Keily Stevens, and Sumner, the "radical possible, and soon the second mate struck Sante" as he is familiarly called bas in a day." The Radicals of Philadelphia are endeavoring to darkness.
