At a republican meeting held in Forinfamous resolutions were proposed and adopted:

"Be it further Bes Seed, That the Un ion men who suffered during the late rebellion, both in person and property, ought to be indemnified out of the property of those persons who brought on the war and prosecuted it to the bitter end, and the common achoul fund des stroyed by the Rebellion restored in like manner, and the national debt paid, and the frecemen protected; therefore,

Be of further Resolved. That we ask and humbly pray that the Congress will pass the Confiscation but recently introduced by Hon. Thad. Stevens, in the House of Representatives, providing for the confiscation of the property of certain

Court, over which Judge Chase presided was presented by the Grand Jury for projury, in having faisely sworm, when he took the test eath, prescribed by Congress for all persons holding office under the government. In justification—or rather in excase of his crime, Starbuck aftered in evidence a letter written by a separation of the glasses. He also held the grind out their lives and with the case supposed of the case supposed for the cas ware of its contaminating influence. Wilson Carolinian.

### THE UNIVERSITY.

We fear from all the intelligence that are adopted to fill its halls with students on his body. the days of the University are numbered. Since the close of the war, aided by an annual appropriation from the State, it has barely been able to continue operations. Its friends were quite hopeful and that it would commence anew an

ates were found filling high places in the land; and bearing testimony, by the abil in the way stated. What next? ity and zeal with which their onorous duties were discharged, to the faithful instructions received at Chapel Hill. Now alas! there are only eighty four students in attendance upon the college exercises, and these, despairing of finishing their college courses there, are seeking other and permanently established schools:

If other colleges and universities exhibited similar evidences of want of patronage and decadence, we should attribpoverty caused by a devastating war .-But these others are flourishing. Ours the Trastees of the University have allowed their respect for individuals to
