evidently understands the southern Rad Scale. He is reported as saying that "with the Faderal Patronage the loyal white 1866, unless the State and County levies added element of the South will always carry are less than those of last year. the negro (that's right, Thad, negro) population with them." That's the idea exactly; and if the "patronage" should be withdrawn, these loyal vagabonds would soon cease to clamor for negro suf-

The National Intelligencer of Satur have an understanding with him. day has an interesting editorial, from which we take the following:

"Whatever may be the ultimate judgment of the people of the old free Stateon this subject, it is very certain that no pective. immediate relief from the imposition of negro suffrage upon the southern States an be expected.

"What, then, it is asked, can citizens of the South do in their present situation ! From what quarter can they exhares Senate, for that body will remain Radical for four years, and resist the repeal or modification of the reconstruction acts. The House of Representatives

The only salvation for the South and on the whole Union the despotic

establishment of negro supremary, "It is absurd to suppose that Congress, in this case, will revert to positive meneures to conficent on, disfranchisement, the State. &c. The people will not tolerate this."

#### THE PRESIDENTS SPEECH WED-NESDAY NIGHT.

As reported by the National Intelligencer, the President's speech to the sere. day night was as follows:

At the conclusion of the address of Colonel O'Beirne, the President said:

FELLOW Crrizens-It is not my intention to make an address upon this occasion, but simply to tender you my thanks for this demonstration - a demonstration approbating what your fellow-citizens have declared in the recent elections in various States of the Union. They will appreciate your response to what they have done, and send back greeting that the Union of the States must be maintained according to the original design of our fathers.

I confess I am gratified, but not sur priced, at the result of the recent elecconfidence in the people. They may seem . The time of the committee will be occurred in the mouths of their prophets," but report is ordered by the House.

never perverted; and in the end they are

General Sickles has been mustered out, always right. In the gloomiest hours through which I have passed—and many of them, God knows, have been dark enough—and when our constitution was in the otmost peril; when our free institution were assailed by a formidable force, and our great It public seemed to be tottering to its fall, and when I felt how vain were my efforts alone to preserve these fastitutions in their integrity, and to save the Republic from ruin, I was still hopeful; I had still an atids ing confidence in the people, and felt assured that they, in their might, would come to the rescue. They have come! And thank God they have come, and that our Republic may yet be saved .-[Tremendous cheering.]

### CONFISCATION.

Our Southern Confiscationists have received a terrible back-set in the recent declarations of Senator Wade, of Ohio. of this fact, together with his character

war had begun. That amid this confu two hours longer he tugged at his chains going into the Rebellion; but to think of war had begun. That amid this confusion, a negro guard, consisting of ten or twelve persons, was formed, with a ser hard at times that his hind legs were folly and nonsense. If the negroes of the straight out behind him, and three feet the South wanted land, let them mork

> It may be hoped that this declaration of Mr. Wade will be brought to the attention of every colored man in the South. It will convince them of the folly of expecting to obtain farms by the confisca tion of their old masters' estates; and they will then be able to appreciate the value of the pledges made to them be demagognes in order to obtain their votes By and by they will learn that such demagogues are as much their enemire as those who openly proclaim their hotility .- Register.

A Sharp Trick .- A day or two since the general monotony of our streets was broken by a gay livery rig, with sleigh bells, dashing up Main street to the Third, where it halted, and a gentleman, so to speak, commenced yelling at the top of his voice, "It is more blessed to give than to receive," and suiting the action to the word, threw handful after handful of fivecent pieces and pennies into the street, to be esgerly picked up by the rings for two dollars each, promising to refund the money, which he did; then lockets at the same price, also refunding the money, and then drove on, telling the crowd not to follow, as he wished to distribute his riches to others. But they followed him, and he stopped and sold lockets at five dollars each, purchasers supposing he would again remaid. But no, he told them he did not promise to refund, and he did not. He thus made sixty-five dollars-amount resulting from sales .- Wisconsin Democrat.
