ALLEN DAVY.

I WILL inform the public that I have a young Archie horse, of the first rate blood of the mother side. He was got out of a Ratler mare that was got out of one of Collector's colts, that Collector got out of a Mark Antony mare.

ALLEN DAVY,

Is a dark chesnut sorrel, and is about five feet one or two inches high, five years old last spring. I let him cover a few mares at four years old; he got ten or fifteen colts that cannot be excelled by any horse whatever, for I will show with any horse in the United States. ALLEN DAVY can be found four miles west of Hamilton, on Roanoke river; fifteen east of Tarborough; fifteen above Williamston; forty below Halifax. I take this pains to inform the public that there is such a horse, as those gentlemen wishing to raise good horses may have the opportunity, as I have not advertised him yet. If he can run, it is unknown to any person; it is judged that he can, but he has not been tried. I shall let him to mares next spring at moderate prices, which I will make known before the spring.

SHOCCO

Female Academy.

MRS. MARY LUCAS, Principal of this Institution, informs the Public that her School will recommence on the first Monday in January, 1831. To those acquainted with the pleasant and healthy locality of the buildings, and the success with which her exertions have been rewarded by the satisfactory instruction of those committed to her care, she deems it unnecessary to make any remarks. To others, however, she would observe, the Academy is situated eight miles south of Warrenton, one and a half from Shocco Springs, and an half only from the Sulphur Spring, on a high, beautiful and healthy eminence, contiguous to a Spring of excellent water. Being determined to devote her time exclusively to the superintendance of her School, she flatters herself from the advantages of her situation, the liberal patronage she has heretofore received (and for which she now takes the opportunity of returning thanks and expressing gratitude) added to the able assistance by which she will be sustained and the very moderate prices for Board and Tuition, to receive in future, a continuance of that patronage.

The courses of study are, Spelling, Reading, Writing, Arithmetic, Catechism, Bible Questions, Definitions, Geography, History, Grammar, Rhetoric, Astronomy, Philosophy, Chemistry & Botany. Each young lady is instructed how to make her own clothes, and in the ornamental branches of Needle Work, such as working on Muslin and Lace, executed in the neatest manner, for which no additional charge is made. Painting on paper, no extra charge. For board and tuition, Fifty Dollars per session. Music, Twenty Dollars. Painting on Velvet, Five Dollars. Each young lady, it is expected, will furnish the necessary bed clothing.
