can and 250 Sarat. The report
is 2,619 bags, and the sale at
\$1,530 bags.
P. S. 224—A spirited and ve-
ry animated demand has been ex-
perienced for Cotton to-day, both
from the trade and speculators.
The sales amount to nearly 10,000
bales, at an advance of full 1 1/4
per lb. on the prices of yesterday,
about 6,000 of which have been
on speculation.

TARBOROUGH,

FRIDAY, JANUARY 2, 1835.

17th This number commences the
11th volume of our paper. It will
be seen that we have somewhat
changed its title, and also improved
its general appearance—giving at
least double the quantity of reading
matter, without any additional
charge. We did this in order to
keep pace with the "spirit of im-
provement," which has obtained
itself even within the borders of this
State—and confidently anticipating a
corresponding increase in our steady
advancing patronage.

17th We learn that on the night of
the 9th ult. the Gin house of Mr. J. W.
Barnes in this county, was set on fire
by some vile incendiary and totally
destroyed together with about 50,000
lbs Cotton, all his wheat, peas, and
many other articles—loss estimated
at twenty-two or three hundred dol-
lars. Mr. Thomas D. Gattin's loss
at the same time, is supposed to have
been one hundred dollars or more.
The perpetrator of this diabolical
act has not yet been discovered.

Also, on Friday night, 26th ult.,
the dwelling house of Mr. John Luce-
key, in this county, was consumed by
fire, together with its contents, dur-
ing the absence of the family. A
negro girl is now confined in jail,
charged with setting fire to the
premises.

17th Mr. Chas. N. Webb has retired
from the Roanoke Advertiser,
printed at Halifax, and Mr. J. H. K.
Thomas has become sole proprietor
of that journal. Mr. Thomas says,
in an editorial article, "that no
change will take place in the political
sentiments of the paper."

17th We insert to-day the Inaugural
Address of Gov. Swain. Were it
not for the obvious partisan charac-
ter of the Address, the sentiments
embodied in it would be almost
wholly unexceptionable—but it is
too evident that the Governor has
abandoned his equivocal position
since his election, and that this ad-
dress is an insidious thrust at the ad-
ministration of President Jackson,
which the majority of the people of
this State, as well as their represen-
tatives, have recently so decidedly
approved. We think the Governor,
and Senator Mangum, will soon find
that they have sadly mistaken the
"signs of the times."

17th Agreeably to request, we insert
the proceedings of the Third
Congressional District Convention,
recently held at Washington. It
would seem that great unanimity
prevailed in their proceedings; the
Statesman, however, gives us some
additional particulars, which we also
copy for the edification of our read-
ers.

The Whig Convention.—In
this day's paper will be found the
proceedings of this body, which
assembled in this Town on Mon-
day last, for the purpose of nomi-
nating a Candidate for Congress.

Delegates attended from three out
of the six Counties of which the
District is composed, say 12 out
of the 29 appointed from Beau-
fort, 5 out of the 20 out of some
dozen or more appointed from
Hyde. Those, however in attend-
ance were highly respectable and
influential citizens. On the first
day of the Convention, a portion
of the delegates clung to their de-
termination to have none other
than a regularly built Nullifier as
their Candidate; but on the second,
they unanimously settled down
upon Ebenezer Pettigrew, Esq. of
Washington county. A call for
an expose of Mr. Pettigrew's opin-
ions concerning the Bank, Internal
Improvement, the Proclamation,
Protest, & Martin Van Buren,
at one time, had like to have caus-
ed a blow up—as no one present
could answer the enquiry—but it
was affirmed by some one, that he

was opposed to the Administra-
tion—could beat Dr. Hall, and
wipe off the disgrace, which the
Dr's Representation of the Dis-
trict had cast upon it—whereupon
the call was waived.

District Convention.—At a
Convention of Delegates, assem-
bled for the purpose of nominating
some suitable person to present
the Third Congressional District
of North Carolina in the next Con-
gress of the United States, begun,
and held pursuant to previous no-
tice, in the Town of Washington,
on Monday the 10th day of Decem-
ber, 1834:

The meeting was called to order
by Maj. or Samuel Latham, of Pitt
county and the Convention organi-
zed by the appointment of the fol-
lowing officers: Colonel Richard
H. Bonner, of Beaufort county,
President. Major Alexander
Francis Gaston, of Hyde county,
Vice President. John Myers, of
Beaufort county. Z. W. Barrow,
of Hyde county, Secretaries. On
motion, the counties composing
the third Congressional District,
were called over, when the follow-
ing Delegates appeared and took
their seats:

Pitt county—Samuel Latham,
Benj. F. Eborn, Henry Toole,
Churchill Perkins, Frederk Had-
dock.—**Beaufort county**, Rich-
ard H. Bonner, James O. K. Wil-
liams, John Myers, John Edwards,
Richard Respas, William S.
Gordon, William M. Marsh,
George Boyd, Samuel Latham,
Jr., Thomas D. Snaw, James B.
Ellison.—**Hyde county**, Alex.
F. Gaston, Z. W. Barrow, A. B.
Jarvis. On motion of A. F. Gas-
ton, of Hyde county,

Resolved, that in balloting by
the Convention for a Candidate to
represent this District in Con-
gress, the county of Pitt be en-
titled to fifteen votes, the county
of Beaufort, twenty votes, and the
county of Hyde, ten votes:—

Whereupon the Convention ad-
journed to-morrow 11 o'clock.
Tuesday, Dec. 16th.
The Convention met pursuant
to adjournment. The following
additional Delegates appeared
and took their seats: John Galla-
way, from Pitt county. John Y.
Bonner, from Beaufort county.

On motion of Henry Toole, of
Pitt county,
Resolved, unanimously, that
Ebenezer Pettigrew, of Washing-
ton county, be recommended to
the freemen of this District, as a
Candidate to represent them in the
next Congress of the U. States.

On motion,
Resolved, that a Committee of
five be appointed by the President
to communicate to Mr. Pettigrew
the wishes of this Convention, and
solicit his compliance and publish
his answer. Whereupon the fol-
lowing persons were appointed:

Gen. J. O. K. Williams, John
Myers, of Beaufort,—Major Samuel
Latham, Henry Toole, of
Pitt,—Major A. F. Gaston, of
Hyde.

On motion of Henry Toole,
Resolved, that the proceedings
of the Convention be published in
all the Papers of the District.
Resolved, that the thanks of
this Convention be tendered to its
officers for their services during
the session thereof.

After some animated and forcible
remarks by Mr. Toole, the
Convention, on his motion, ad-
journed.

Richard H. Bonner, President,
Alex. F. Gaston, Vice-President,
John Myers, } Secretaries.

The market remained steady last
week at 15 cents for good parcels
in store—none has arrived since

DIED.
In this place, on Friday, the 19th
ult. aged about 50 years, Mr. George
McWilliams, leaving a wife and three
children to mourn their irreparable
loss.

Communicated.
Died, at Hamilton, on the 24th ult.
Erasmus L. Lowe, aged 44. The de-
ceased was for many years a resident
of this place, where he was highly
esteemed for the modesty and
amenity of his manners, and his upright
independent character. His loss oc-
casioned deep regret among his friends,
and will be deplored by his relatives
long after the momentary pang of
separation shall have subsided.

His various duties and relations to
society were performed in that quiet
unassuming manner which disarms
business of its unpleasant collisions,
and rendered all intercourse with
him pleasant and agreeable. He was
a kind and benevolent master—an
honest and sincere friend. His death
and not his life is a source of regret.

**NEW
Coach & Gig Manufactory.**
THE Subscriber re-
spectfully informs his
friends and the public
in general, that he has
commenced business for
himself on his lot
near the Bridge, where he will be prepared
to carry on the above business in all its
various branches. He served a regular
apprenticeship under Mr. Thos. Cobbs,
of Raleigh who carried on the business very
extensively, and kept in his employ regu-
lar northern workmen. In several years
acquaintance with the business in one of
the most extensive establishments in the
State could ensure his success, he feels con-
fident he should meet it; but he is perfectly
aware that attention is equally necessary,
and this attention he is determined to ren-
der. He hopes, therefore, that all persons
who may favor him with their patronage,
will never become dissatisfied or disap-
pointed. His work shall be faithfully exe-
cuted and of the best materials. He ex-
pects to have in a short time a general as-
sortment of materials from New York,
which will enable him to do his work not
inferior to any done in this section of
country. Repairing done with neatness and
despatch.
