Williamston ACADEMY.
 ON the 13th of next month the scholastic exercises of this Institution will recommence under the auspices of Dr. ROBERT B. SMITH. This gentleman is a native of Virginia, a graduate of Princeton College, and a Teacher by profession. Mr. Smith discharged the duties of Tutor in this Institution for the space of two years after graduation. Since that period he has been employed in the first seminaries in Maryland and Virginia. The testimonials of qualification submitted to our consideration are so numerous and various, that their publication would exceed the limits of an advertisement. The abilities of Mr. Smith to instruct in the English, Latin, Greek and Hebrew languages, the Mathematics, the science of Civil Engineering, general principles of Natural and Chemical Philosophy, in fact every branch requisite to qualify a young gentleman for admission into any University of our country, are vouched for in the most satisfactory manner. It will be sufficient to mention a few. Testimonials have been furnished by the Faculty of Princeton College, by President Day and Professor Silliman, of Yale. By Revd. James Kemp, D. D. late Bishop of the Protestant Episcopal Diocese and Provost of the University of Maryland. Thomas Emory, Lieutenant Governor, &c. &c. In Virginia, President Emory, Professors Page and Stewart, of William and Mary College. Judge Updegraff, S. E. Parker, commonwealth attorney, Carter M. Braxton, Hugh L. Maxwell, Esq., and James Madison, Esq. President of the United States. General G. Gratiot and Major A. Talent, of the United States Engineer Corps, and many other highly respectable gentlemen. It must be very pleasing to all who feel an interest in the welfare of our country to know, that we have procured the services of a gentleman so well qualified to instruct. Since then, we believe, the counties of Tyrrell, Washington, Beaufort and Martin have not a single academy in operation, the Trustees permit themselves that the public will not permit our Institution to languish for want of patronage. Our village is as beautiful as any in the eastern section of North Carolina, and Board may be had on terms very reasonable. Customary charges for tuition.

NEW FIRM.
The Subscribers,
 Having entered into Co partnership with big leave to announce to the Public, that they are now receiving and opening
At the late Stand of H. King,
 IN THIS PLACE,
 And at that of Turner Rutland, IN SCOTLAND NECK,
 Halifax County,
One of the most Extensive, SPLENDID AND VALUABLE STOCK OF Spring Goods,

That ever was offered to the inhabitants of this section of the State. As much as they despise empty profession, they would be doing injustice to themselves, did they not declare to the world, that, if they know their own intentions, they are determined that in no instance whatever, shall any customer, be he who be may, rich or poor, high or low, ever cross the thresholds of their establishments, without having the full assurance that whatever he may want in the way of merchandise, from the most inconsiderable article up to the most important, can be there procured on living terms—living, did we say! indeed, we can safely promise, (although we know such a sacrifice will not be required at our hands) that we should be willing, if necessary, to deprive ourselves of the comforts of life if we could thereby add to those of others. If any one, who may give a hasty glance at this Manifesto, should be disposed to doubt the truth of any thing herein contained, we beg him to suspend his judgment until he shall have given us a call. For to however much trouble his examination of our Goods may put us, if he should go away without buying, we shall not indulge for a moment one unkind feeling towards him, as we shall know to what cause to ascribe his conduct—to his not wanting any thing and not to our inability to suit him. Besides, we shall have the consoling reflection, that such examination could not fail to point him, with the unerring precision of the magnetic needle, to the places where he would be able to procure, with the least inconvenience to his pocket, any thing and every thing he might thereafter want in our line of business.

Notice.
NEW GOODS.
 THE Subscriber after returning her most cordial thanks for the very liberal encouragement she has hitherto received at the hands of her patrons, begs leave to announce through the medium of the Press, that she has just returned from New York, and is hourly expecting the arrival of her purchases. With due deference to the public, truth and justice to herself and Goods compels her to say that,
A MORE NEAT AND Valuable Assortment,
 Was never offered in this section, and that they surpass any of her former purchases as much as the effulgence of the sun does the pallid light of the moon—and she would simply suggest to those persons who are desirous of procuring articles in her line of business, of the most fashionable style and at the cheapest rates, to favor her with a call ere they purchase elsewhere, or they may sincerely regret their non-compliance with this intimation. She thinks it highly probable that among her assortment may be found articles vastly superior both in style and texture to any in this place. Believing they will be in great demand, and relying in the truth of the old saying that, they who live for others live the more for themselves, she assures her friends that her prices for these Goods will not be more exorbitant on that account, than if every store in town was filled to overflowing with similar ones. The following list of articles comprise her Stock:
 Oriental grass Bonnets, Florence do.
 Oriental cut do. fancy Tuscan gros do.
 Folia do. French gimp do. plain straw do.
 Leghorn Tuscan do. Swiss lace do.
 Snell side Combs, horn quill backs, twist and long Combs,
 A splendid assortment of bonnet and cap Ribbons, blond lace Veils, do. Scarfs, Pongee and Marcelline Handkerchiefs, Pink, white and blue Florence, Plain white and figured Satins, Brunswick lace, blond and Grecian do. Thread and Lace Edging, love Hdkfs. Elastic Garters, grass cloth Hdkfs. Feather'd Fans, rich Leon Shawls, Brunswick Scarfs, silk Delian, Buff & pink gro de Nap, figured Foulard, India rubber Aprons, of a superior quality, French worked Capes and Collars, Mohair Caps, Puffs and Curls, Baskets, Pattern Cap and Bonnets, Pattern Dress, a variety of Candies, and numerous other articles too tedious to mention.
 All orders from a distance will be punctually attended to, and she hopes from her paying strict attention to business, to merit and receive a share of the public patronage.

N. H. Rountree,
 HAS declined all idea of leaving Tarborough, and to make short of a long story will confine himself to a simple statement of facts, by saying he has received his
STOCK OF SEASONABLE Spring and Summer GOODS,
 Embracing a general variety, all of which
ARE NEW, NEAT AND FASHIONABLE

Having previously disposed of his old Stock. And he is selling the new one just as cheap as any one can or will sell new or old goods of a similar quality. But as a stretch of conscience seems to be the order of the day, this will not be taken as satisfactory testimony he is sure. But all those who wish to purchase
Any article in his line,
 Will please call and price them, and they will no doubt retire with a more thorough conviction of its correctness.

PUFFING ASIDE.
 CONSCIOUS as we are that Puffing has become a sickening theme to an intelligent people, and believing as we do in their better judgment, which tells them that, "all that glitters is not gold"—we therefore through courtesy to our friends and the public generally, shall henceforth and forever avoid exaggeration, swelling molehills into mountains, or operating under false pretences, with a view of deceiving those who have long since learnt how not to be deceived, by taking this thing and that for granted which has as little foundation in fact as the "baseless fabric of a vision." We deem such a course a flagrant outrage upon their good sense, and as such, we shall confine this notice to a simple statement of facts, that is to say: We have just received our supply of
SPRING AND SUMMER DRY GOODS, GROCERIES, CROCKERY, HARDWARE & CUTLERY.
 An assortment that embraces a tolerable variety, but by no means every thing—or shall we presume to assert that
Our Goods are the Best in THE WORLD,
 For no one would believe it, nor should we believe it ourselves; yet we will venture to say, that they are as good as our neighbors, and shall endeavor to sell them as low, having no doubt purchased them on as good terms. Among our assortment may be found the following indisputably
Necessary Articles, viz:
 SUGARS, brown, loaf and lump,
 Coffee, Molasses, Flour,
 Good horse apple Brandy—N. E. Rum,
