

Martin Van Buren,
OF NEW YORK.
Richard M. Johnson,
OF KENTUCKY.

IT has fallen to the humble lot of the undesignated to have presented to the American People, a third edition of the Biographies of the two above named highly distinguished patriotic citizens, whose constant devotion to the best interests of our Government has led to their designation, as a testimony of the estimation in which their services are regarded by the PEOPLE whom they have served, as candidates for the two first offices within the gift of a FREE, HAPPY, and FLOURISHING NATION. This token of respect gives to the world additional proof that faithful service shall not go unrewarded.

The object of this appeal to the republican portion of our fellow citizens, is to obtain their co-operation in the circulation of an edition of 100,000 copies of the joint Biography of MARTIN VAN BUREN & RICHARD M. JOHNSON, enlarged, revised and corrected, so as to be valuable to every lover of his country, and alike honorable to the distinguished citizens whom we THE PEOPLE, intend still further to honor, by their elevation to the offices of President and Vice President of the United States, in the election of 1836. Thus we shall perpetuate the principles of Jefferson, which have been so signally revived, nobly acted upon, and triumphantly carried out by ANDREW JACKSON, who, spurning all flattery, knew nothing but the PEOPLE, the WHOLE PEOPLE, and their respective rights, regardless of their fortunes, whether rich or poor; thus rendering his NAME and REPUTATION as durable as the EVERLASTING HILLS.

The arrangement of the volume will be as follows:—

- 1st. Portrait of Andrew Jackson.
- To whom the volume will be inscribed, with an address by the Publisher.
- 2d. Portrait of M. Van Buren.
- To be followed by his Biography, enlarged, including several valuable documents, illustrative of his public character, and exhibiting the magical powers of his gigantic mind, which has ever been devoted to sustain the rights of his country, and the glory and prosperity of his fellow citizens.
- 3d. Portrait of R. M. Johnson.
- To be followed by his Biography, enlarged, including various Speeches, SENATE AND HOUSE REPORTS, and other documents; illustrative of his long continued public life, which has ever been devoted to the good of his country; including an authentic account of the fall of the renowned Indian warrior, TECUMSEH, on the ever memorable 5th of October, 1813—with an engraved view of the battle field.

The work will be complete in one volume of about 400 pages. The price to be fixed at the moderate sum of One Dollar, neatly bound with cloth backs; or calf and gilt, with the additional expense of binding. The work, which is now in a state of preparation, shall be such as to give entire satisfaction; as it is in the hands of gentlemen who have for nearly forty years been personally and intimately acquainted with the private and public life of the above named distinguished citizens.

The celebrated address of the Hon. Thomas H. Benton, of Missouri, bearing testimony to the high character of Martin Van Buren; and the eloquent speech of the Hon. James Baynor, of Virginia, in the U. S. Senate, portraying the chivalry of Col. Johnson on the field and in the councils of the nation, will be appended to the work.

As there is among our republican citizens, an extensive population of German origin, the work will appear simultaneously in both the English and the German languages. It will, therefore, be necessary for subscribers who wish to have the work in the German, to signify the same on the subscription book.

It will, in order to give prompt and extensive circulation to the work, be indispensable for all subscribers to pay at the time of subscribing—all money to be at a proper time forwarded with the lists of signatures to the publishing committee—which will be duly made known by a notice in the Washington Globe.

Democratic editors disposed to encourage the work, will confer a favor, which will be gratefully acknowledged by the Subscriber, in giving publicity to the above and receiving subscriptions at their respective offices, to whom a reasonable per centage will be allowed.

The People's obedient servant,
WM. EMMONS,

PROPOSALS,

For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled
THE PRIMITIVE BAPTIST,
EDITED BY MARK BENNETT,
Printed and Published by Geo. Howard.

THIS publication sprang from the minds of the many aspirants who came from the many deluded persons professing their faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently intended to destroy the great and fundamental principles upon which it is based, by making a gain of gossamers. We who are not inimical to Masonry, Temperance, the distribution of the Bible, or the spread of the Gospel—but we do condemn the meddling of professors and non-professors of religion in societies, and the making a "game" of religious matters, in every shape and form whatsoever.
Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle—unscriptural—favor more of "false" than of "good will towards men," we are opposed to them.
Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, while grieved with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall aim not so much to please the fancy, as to inform the judgment—more to afford matter for solid and lasting comfort, than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian solace, is our cause. Deeply impressed with the belief that the blessing even of truth itself is of the Head of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry with it some joy to those who are in tribulation, and a little rest to those who are troubled.

TERMS.

The Primitive Baptist is published in super-royal octavo form of 16 pages, on the second and fourth Saturdays in each month—at One Dollar per year, payable on receipt of the first number. Six copies will sent to one Post Office or neighborhood for Five Dollars.
Communications must be post paid and directed to the Publisher.
Persons holding subscriptions papers, will please send them or the names on them, to Geo. Howard, Tarborough, N. C.
