

Martin Van Buren,
OF NEW YORK.
Richard M. Johnson,
OF KENTUCKY.

It has fallen to the humble lot of the undersigned to have presented to the American People, a third edition of the Biographies of the two above named highly distinguished patriotic citizens, whose constant devotion to the best interests of our Government has led to their designation, as a testimony of the estimation in which their services are regarded by the PEOPLE whom they have served, as candidates for the two first offices within the gift of a FREE, HAPPY, AND FLOURISHING NATION. This token of respect gives to the world additional proof that faithful service shall not go unmarked.

The object of this appeal to the republican portion of our fellow citizens, is to obtain their co-operation in the circulation of an edition of 100,000 copies of the joint Biographies of MARTIN VAN BUREN & RICHARD M. JOHNSON, enlarged, revised and corrected, so as to be valuable to every lover of his country, and alike honorable to the distinguished citizens whom we THE PEOPLE, intend still further to honor, by their elevation to the offices of President and Vice President of the United States, in the election of 1836. Thus we shall perpetuate the principles of Jefferson, which have been so signally revived, nobly acted upon, and triumphantly carried out by ANDREW JACKSON, who, spurning all flattery, knew nothing but the PEOPLE, the WELFARE OF THE PEOPLE, and their respective rights, regardless of their fortunes, whether rich or poor; thus rendering his NAME RENOWNED AS DURABLE AS THE EVER-LASTING HILLS.

The arrangement of the volume will be as follows:—

- 1st. Portrait of Andrew Jackson.
- To whom the volume will be inscribed, with an address by the Publisher.
- 2d. Portrait of M. Van Buren.
- To be followed by his Biography, enlarged, including several valuable documents, illustrative of his public character, and exhibiting the magical powers of his gigantic mind, which has ever been devoted to sustain the rights of his country, and the glory and prosperity of his fellow citizens.

- 3d. Portrait of R. M. Johnson.
- To be followed by his Biography, enlarged, including various Speeches, SENATE MAIL REPORTS, and other documents; illustrative of his long continued public life, which has ever been devoted to the good of his country; including an authentic account of the fall of the renowned Indian warrior, Tecumseh, on the ever memorable 5th of October, 1813—with an engraved view of the battle field.

The work will be complete in one volume of about 400 pages. The price to be fixed at the moderate sum of One Dollar, neatly bound with cloth backs; or calf and gilt, with the additional expense of binding. The work, which is now in a state of preparation, shall be such as to give entire satisfaction; as it is in the hands of gentlemen who have for nearly forty years, been personally and intimately acquainted with the private and public life of the above named distinguished citizens.

The celebrated address of the Hon. Thomas H. Benton, of Missouri, bearing testimony to the high character of Martin Van Buren; and the eloquent speech of the Hon. James Barbour, of Virginia, in the U. S. Senate, portraying the civility of Col. Johnson on the field and in the councils of the nation, will be appended to the work.

As there is among our republican citizens, an extensive population of German origin, the work will appear simultaneously in both the English and the German languages. It will, therefore, be necessary for subscribers who wish to have the work in the German, to signify the same on the subscription book.

It will, in order to give prompt and extensive circulation to the work, be indispensable for all subscribers to pay at the time of subscribing—all money to be a proper time forwarded with the lists of signatures to the publishing committee, which will be duly made known by a notice in the Washington Globe.

Democratic editors disposed to encourage the work, will confer a favor, which will be gratefully acknowledged by the Subscriber, in giving publicity to the above and receiving subscriptions at their respective offices, to whom a reasonable per centage will be allowed.

The People's obedient servant,
WM. EMMONS,

GREAT
Northern & Southern
Daily Mail Route.
—\$—
THE Petersburg Rail Road Company inform the Public that their Road, extending from Petersburg, Va., to Blakely, North Carolina, on the Roanoke, a distance of 60 miles, and constituting a part of the GREAT DAILY MAIL ROUTE North and South, is now amply provided with superior Locomotives and Cars, to accommodate all the travel that may offer. The Cars leave each end of the Road daily, on the arrival of the respective Mails. Travellers with their own equipages, can have their horses and carriages transported on this Road, with perfect safety and convenience; and thus, perform in 5 or 6 hours—while resting their horses, a journey which would otherwise require two days to accomplish.

THE BLAKELY HOTEL at the southern termination of the Rail Road, has been rebuilt of brick on an enlarged scale, and no pains will be spared to render its accommodations such as will give satisfaction to passengers and travellers generally.
Besides the daily line of Mail Coaches from Blakely for the South, via Raleigh, Fayetteville, &c. there is a LINE VIA FARBOROUGH three times a week, connected with the Mail Line at Fayetteville, and also a Line from the R-R Road at BELFIELD TO CLARKSVILLE, MILTON AND DANVILLE.

Another tri-weekly Line from Blakely, passes through WARRENTON, OXFORD, &c. and connects with a Line to SALISBURY, N. C.
In the course of the present season, a branch will be opened from the Petersburg Rail Road at Belfield, to Wilkins Ferry at GASTON, ON THE ROANOKE, from whence a Rail Road to cross the river by a Bridge, is now about to be constructed to Raleigh.
The Rail Road from Baltimore to Washington is now in operation, thence to Potomac landing, the Line is continued by Steamboats; thence via FREDERICKS BERG TO RICHMOND, a considerable portion of the Rail Road is finished—and the remainder is in a rapid course to completion. The Line continues from Richmond to Petersburg, by a Turnpike Road—and thence by the Petersburg Rail Road to Blakely, as before mentioned, is the main and only DAILY MAIL ROUTE BETWEEN BOSTON AND NEW ORLEANS.

TYPE
FOUNDRY.

White & Hagur,
RESPECTFULLY inform the Printers of the United States, to whom they have been long known as established
TYPE FOUNDERS,
That they have now formed a
CO-PARTNERSHIP

in said business and hope from their united skill and experience to be able to give satisfaction to all who may favor them with their orders. The introduction of machinery in place of the unhealthy process of casting type by hand, a desideratum by the American and European founders, was by American ingenuity and heavy expenditure of time and money on the part of the senior partner, first successfully accomplished.
Extensive use of the machine to cast letters has fully tested and established its superiority over that cast by the old process. The letter foundry business, will hereafter be carried on by the parties above named, under the firm of
WHITE, HAGUR & CO.

The specimen exhibits a complete series from diamond to seventeen line picas. The book and news type being in the most modern light and shade.
WHITE, HAGUR & CO. are agents for the sale of Smith and Rust

Proposals,
For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled
THE PRIMITIVE BAPTIST,
EDITED BY MARK BENNETT,
Printed and Published by Geo. Howard.
THIS publication is principally intended to defend the old school United Baptists from the many aspersions cast upon them by deluded persons professing their own faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently tending to destroy the great and fundamental principles upon which it is based, by making a gain of godliness. We wish to see it distinctly understood, that we are not inimical to Masonry, Temperance, the distribution of the Bible, or the spread of the Gospel—but we do condemn the mingling of professors and non-professors of religion in societies, and the making a "craft" of religious matters, in every shape and form whatsoever.
Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle—unscriptural—savor more of "huck" than of "good will towards men," we are opposed to them.
Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, while grieved with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall aim not so much to please the fancy, as to inform the judgment—more to afford matter for solid and lasting comfort, than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian solace, is our cause. Deeply impressed with the belief that the blessing even of truth itself is of the Head of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry with it some joy to those who are in tribulation, and a little rest to those who are troubled.
TERMS.
The Primitive Baptist is published in super-royal octavo form of 16 pages, on the second and fourth Saturdays in each month—at One Dollar per year, payable on receipt of the first number. Six copies will sent to our Post Office or neighborhood for Five Dollars.
Communications must be put paid and directed to the Publisher.
Persons holding Subscription papers will please send them on the names on them to Geo. Howard, Tarborough, N. C.
