

TARBOROUGH

SATURDAY, NOV. 26, 1836.

"We have met the enemy and they are ours."

We congratulate our readers upon the successful termination of the Presidential campaign. We have not only proved successful in this State, but we have sufficient returns from other States to render it almost certain that MARTIN VAN BUREN is elected President of the United States by the people. So elated were the citizens of this place on the reception of the news on Monday night last, of the success of the Van Buren ticket in this State, that they turned out, fired a salute of fifteen guns in honor of the fifteen Democratic Electors, and exhibited other demonstrations of joy. Our intelligence from other States, justify us in classing them as follows, from which it will be seen that Mr. Van Buren will have a majority of the Electoral votes, even giving all the doubtful States to the Whigs:

<i>For Van Buren.</i>

Seven counties to be heard from, which will probably increase the Van Buren majority several hundred more. *Ital. Reg.*

Raleigh, Nov. 22. State Legislature.—Both branches assembled at the Government House, yesterday afternoon, at 2 o'clock. The attendance of Members was unusually full.

In the Senate, Wm. D. Mosely, of Lenoir (V. B.) and Hugh Waddell, of Orange, (Whig) were nominated for Speaker. On calling the Roll, it appeared there were 48 Senators present, of whom 24 voted for Mr. Waddell, and 22 for Mr. Mosely.—Of course, Mr. Waddell was duly elected. One Senator being absent, the result of this vote shows that the Senate is thus constituted: Whigs 25—Vans 24; and one vacancy to be filled.

For the Principal Clerkship of the Senate, the following gentlemen were put in nomination, viz: Joseph B. Hinton, of this City, Thomas G. Stone, of Franklin, and H. L. Holmes, of Chatham. On the 2d balloting, Mr. Stone was elected.

J. R. Dodge, of Wilkes, was elected Reading Clerk, on the first balloting, Messrs Isaac Dockery and N. O. Blake being also in nomination.

Thomas B. Wheeler and Green Hill were elected Doorkeepers. In the Commons, William H. Haywood, Jun. (V. B.) and William A. Graham (Whig.) were put in nomination for Speaker. Mr. Haywood was elected by the following vote: Haywood 60; Graham 53.

There were 4 Whigs absent, and 1 Van Burenite; and one Whig voted for Mr. Haywood. This vote shows the state of parties in the House to be 61 Van Buren and 59 Whig.

The vote having been *viva voce*, we shall be enabled, in our next, to publish a statement of it, in the choice of Speaker in both Houses.

Charles Manly was re-elected Principal Clerk, and Edmund B. Freeman, Reading Clerk.

Isaac Trout was elected Principal Door-keeper, and James Page Assistant Door-keeper. We have kept open our paper for this brief paragraph, and must defer comment until our next. *—ib.*

his duties on the first of January next. *—ib.*

The "Fayetteville Observer," in copying our paragraph respecting the death of Mr. Ferrand, says that it is a mistake—the individual killed being from the North, and not of that name. We may be mistaken, but our information was derived from Mr. Broadfoot, by our correspondent, the Rev. Dr. Witherspoon.

P. S. We understand from another source, that the deceased is Mr. Edward S. Ferrand, a half brother of William P. Ferrand. *—ib.*

Bank of Cape-Fear.—A Dividend of 8 per centum, surplus profits of this Bank, has been declared, prior to admitting the Stock subscribed in November last, and will be payable from and after the 21st inst. to the holders of the old Stock. *—ib.*

Washington Market, Nov. 19.—Turpentine, new dip, \$2 75; Old \$2 60. Tar, \$1 60. *—Whig.*

Petersburg Market, Nov 21.—Cotton—Sales since our last were at 17 to 17 3/4. Accounts received this morning from Liverpool to the 16th ultimo, has caused the price to fall; 16 1/4 cts. is now offering. *—Int.*

Alleged Violation of the American Flag.—The following extract is from a London paper:

Constantinople, Sept. 21.—A circumstance has occurred at Smyrna which may disturb a little the renewed harmony between France and America. On the 14th the American brig Banian, loaded with Turkish produce for Boston set sail, and got beyond the Castle, when she was forcibly boarded by a French man-of-war's boat. An officer and several men, armed, said they were in search of two deserters, whom they suspected to be on board, & notwithstanding that Captain Inglee assured them, on his word of honor, that there were no such men on his ship, the French commenced a strict search, and, not succeeding in finding the deserters, the officer ordered the American captain to return to Smyrna. On this the American hauled down his flag, and abandoned the vessel, and the French brought her to anchor between the Castle and the town. Captain Inglee then went on shore and made his protest. Thus the affair remained when the last accounts left Smyrna. Mr. Offley, the United States Consul, is a man who will do his duty, from which he would not flinch a hair's breadth, even were his consulate rattled about his ears.

Departure of the Mexican Envoy.—Signor Gorostiza has embarked for Mexico, with all the members of the legation. Previous to his departure he addressed to our government an exposition of his reasons for taking this step, from which we give the following extract:

"Unhappily the rest has not been what the undersigned expected. The note of Mr. Dickens has left him no more hope. The explanations, moreover, which have been given him in the name of the president, have shown how little can be looked for, by Mexico, from the United States, since her most sacred rights, her most important interests, are thus sacrificed to the shadow of an imaginary danger. Mexico is wronged and insulted as a measure of precaution.

"Under such painful circumstances, the undersigned would be wanting in his duty, as the representative of Mexico, if he did not avail himself of the only method left him to express the pain he feels at the wrongs done his country. On his own responsibility, therefore, he declares his mission from this moment terminated."

The Renewal of our Diplomatic Intercourse with France is now complete; Mr. Cass having gone from this country as Minister, and M. Pageot having arrived

here yesterday with his family in the *Silvie de Grasse*, as Charge d'Affaires until M. Pontos, the newly appointed Minister to the United States—who is now in Brazil; shall reach his destination. Thus ends all difficulty, and as we hope all estrangement of feeling between the United States and France. *—N. Y. American.*

Distressing Accident.—Two men, Price and Whitehead, whilst in the act of riding a race near Bolivar, Tenn., on Saturday 16th ult., were thrown from their horses, the latter killed instantly, and the former only survived three days. They both had families, and had lately emigrated from Halifax county, North Carolina.

Halifax and Weldon Rail Road.—We take much pleasure in stating that on enquiring of those that have the superintendence of the road, that all the material for the superstructure have been contracted for, and about 75 additional hands have been placed on the road by order of the Directors, to ensure the early completion of grading. On the middle section of the road which is graded, the contractors are employed laying down the sills and rails, and a boat has just arrived with about 80 tons Rail Road Iron, Spikes and Plates, and that the road will be completed to Weldon, before the 1st day of March next. *—Halifax Adv.*

Express Mail.—This mail commenced running yesterday the 15th inst. Messrs. Williams and King, are the contractors for carrying this mail from Blakeley to Louisburg. On Sunday last, they tried the experiment to see what length of time it would take them to accomplish the distance, and performed it in one hour less than contract time. A letter was received by a gentleman in this place, from a gentleman in Louisburg, by the Express Mail, in the short space of four hours and an answer returned in five hours and five minutes, accomplishing a distance of one hundred and four miles in nine hours and five minutes. They have the best Northern Trotters and fine riders, which will ensure their success. *—ib.*

The Georgetown S. C. Union of 22d inst. says:—We have received, through a gentleman direct from Tennessee, the very gratifying intelligence, that there are 15,000 head of Hogs on their way to the Southern market. With us they are in very great demand and several thousand would no doubt find ready purchasers in our District.

Importation of Bread.—There arrived at the port of New York, on Thursday last, eleven thousand sacks of wheat, from different parts of Europe, viz: 300 bags from London; 3,147 from Odessa; 3,392 from Humburgh; and 1,549 of rye.

DIED.
At his residence near Greenville, Pitt county, on Monday last, Major Jesse M. Cherry. The deceased was at the time of his death in perfect health, and engaged in attending to his domestic pursuits. A minute or two previous to his death, he was engaged in conversation with a person in his employ; and whilst in the act of turning away, he fell and upon examination it was ascertained that the vital spark had fled. *—Com.*
