

Martin Van Buren,
OF NEW YORK,
Richard M Johnson,
OF KENTUCKY.

IT has fallen to the humble lot of the undersigned to have presented to the American People, a third edition of the Biographies of the two above named highly distinguished patriotic citizens, whose constant devotion to the best interests of our Government has led to their designation, as a testimony of the estimation in which their services are regarded by the People whom they have served, as candidates for the two first offices within the gift of a FREE, HAPPY, and FLOURISHING NATION. This token of respect gives to the world additional proof that faithful service shall not go unrewarded.

The object of this appeal to the republican portion of our fellow citizens, is to obtain their co-operation in the circulation of an edition of 100,000 copies of the joint Biography of MARTIN VAN BUREN & RICHARD M. JOHNSON, enlarged, revised and corrected, so as to be valuable to every lover of his country, and alike honorable to the distinguished citizens whom we THE PEOPLE, intend still further to honor, by their elevation to the offices of President and Vice President of the United States, in the election of 1836. Thus we shall perpetuate the principles of Jefferson, which have been so signally revived, nobly acted upon, and triumphantly carried out by ANDREW JACKSON, who, spurning all flattery, knew nothing but the PEOPLE, the WHOLE PEOPLE, and their respective rights, regardless of their fortunes, whether rich or poor; thus rendering his NAME and REWARDS as durable as the EVER-LASTING HILLS.

The arrangement of the volume will be as follows:—

- 1st. Portrait of Andrew Jackson.
- To whom the volume will be inscribed, with an address by the Publisher.
- 2d. Portrait of M. Van Buren.
- To be followed by his Biography, enlarged, including several valuable documents, illustrative of his public character, and exhibiting the magical powers of his gigantic mind, which has ever been devoted to sustain the rights of his country, and the glory and prosperity of his fellow citizens.
- 3d. Portrait of R. M. Johnson.
- To be followed by his Biography, enlarged, including various Speeches, Sunday Matt. Reports, and other documents; illustrative of his long continued public life, which has ever been devoted to the good of his country; including an authentic account of the fall of the renowned Indian warrior, TECUMSEH, on the ever memorable 5th of October, 1813—with an engraved view of the battle field.

The work will be complete in one volume of about 400 pages. The price to be fixed at the moderate sum of One Dollar, neatly bound with cloth backs; or calf and gilt, with the additional expense of binding. The work, which is now in a state of preparation, shall be such as to give entire satisfaction; as it is in the hands of gentlemen who have for nearly forty years been personally and intimately acquainted with the private and public life of the above named distinguished citizens.

The celebrated address of the Hon. Thomas H. Benton, of Missouri, bearing testimony to the high character of Martin Van Buren; and the eloquent speech of the Hon. James Barbour, of Virginia, in the U. S. Senate, portraying the civility of Col. Johnson on the field and in the councils of the nation, will be appended to the work.

As there is among our republican citizens, an extensive population of German origin, the work will appear simultaneously in both the English and the German languages. It will, therefore, be necessary for subscribers who wish to have the work in the German, to signify the same on the subscription book.

It will, in order to give prompt and extensive circulation to the work, be indispensable for all subscribers to pay at the time of subscribing—all money to be at a proper time forwarded with the lists of signatures to the publishing committee—which will be duly made known by a notice in the Washington Globe.

Democratic editors disposed to encourage the work, will confer a favor, which will be gratefully acknowledged by the Subscriber, in giving publicity to the above and receiving subscriptions at their respective offices, to whom a reasonable per centage will be allowed.

Rateigh, September 1, 1836.
For five or six years previous to the spring of 1834, a negro man of mine had been much afflicted with an ulcerated arm and hand, which rendered him almost useless. The ulcer embraced that part of his arm from the elbow down, including his entire hand, which was literally a mass of putrefaction. A joint of one finger, and a part of the thumb, perished and dropped off. A more distressing and hopeless case I have never beheld. It was abandoned by his physician as incurable, except by amputation of the hand.

The best medical treatment having failed to relieve the man, I placed him under the care of Mr. William W. Gray, in this place, who, with his Ointment, has effectually cured the case, although the negro was frequently absent, for weeks at a time, together. He has been entirely well for the last eight months, and I have good reason to believe will continue so.

PROPOSALS,
For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled
THE PRIMITIVE BAPTIST,
EDITED BY MARK BENNETT,
Printed and Published by Geo. Howard.

THE publication principally intended to enlighten the minds of unenlightened Baptists from the many aspersions cast upon them by deuded persons professing their own faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently tending to destroy the great and fundamental principles upon which it is based, by making a gain of godliness. We wish to have it distinctly understood, that we are not inimical to Masonry, Temperance, the distribution of the Bible, or the spread of the Gospel—but we do condemn the meddling of professors and non-professors of religion in societies, and the making a "craft" of religious matters, in every shape and
