### William W. Gray's Invaluable Ointment,

FOR ULCERS, TUMOURS, &c. Can now be obtained of the Patentee, at the Office of the Raleigh Register.

Singl. Pot, 1 dollar—One dozen, 9 dollars. WILLIAM W. GRAY, Raleigh, October 4, 1835.

Raleigh, September 1, 1836.

For five or six years previous to the spring of 1834, a negro man of mine had been much afflicted with an ulcerated arm and hand, which rendered him almost useless. The ulcer embraced that part of his arm from the elbow down, including his entire hand, which was literally a mass of putrefaction. A joint of one finger, and a part of the thumb, perished and dropt off. A more distressing and hopeless case I have never beheld. It was abandoned by his physician as incurable, except by amputation of the hand.

The best medical treatment having failed to relieve the man, I placed him under the care of Mr. William W. Gray, in this place, who, with his Ointment, has effectually cured the case, although the negro was frequently absent, for weeks and months together. He has been entirely well for the last eight months, and I have good reason to believe will continue so.

THE Board of Managers of the Washington National Monumental Society invite DESIGNS for this structure, intended as a memorial of a

### NATION'S GRATITUDE.

It would be to fetter genius, to prescribe any limits to the exercise of its powers, which should, however, in this case, harmoniously blend durability, simplicity and grandeur. Although it is impracticable at present to estimate the extent of the contributions that may be made, the Designs may be predicated on an expenditure of not less than one million of dollars.

The Board of Managers will not offend American genius so much as to offer, in this instance, a pecuniary reward. The artist, whose Design shall be adopted, will feel amply remunerated; and all the Designs will be bound and carefully preserved—to which end, it is requested that they be sketched, as near as may be, on paper of a uniform size, of the dimensions of sixteen by twenty-two inches. ### PROPOSALS,

For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled THE PRIMITIVE BAPTIST, EDITED BY MARK BENNETT, Printed and Published by Geo. Howard.

THIS publication is principally intended to defend the old school United Baptists from the many aspersions cast upon them by deluded persons professing their own faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently tending to destroy the great and fundamental principles upon which it is based, by making a god of gold. We wish to have it distinctly understood, that we are not inimical to Masonry, Temperance, the distribution of the Bible, or the spread of the Gospel—but we do condemn the mingling of professors and non-professors of religion in societies, and the making a "craft" of religious matters, in every shape and form whatsoever.

Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle—unscriptural—favor more of "lucre" than of "good will towards men," we are opposed to them.

Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, weighed with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall not so much to please the fancy, as to inform the judgment—more to afford matter for solid and lasting comfort than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian solace, is our cause. Deeply impressed with the belief that the blessing even of truth itself is of the Hand of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry with it some joy to those who are in tribulation, and a little rest to those who are troubled.

TERMS. The Primitive Baptist is published in super-royal octavo form of 16 pages, on the second and fourth Saturdays in each month—at One Dollar per year, payable on receipt of the first number. Six copies will sent to one Post Office or neighborhood for Five Dollars.

Communications must be post paid and directed to the Publisher. Persons holding Subscription papers will please send them or the names on them, to Geo. Howard, Tarborough, N. C.

Extensive use of the machine to cast letters has fully tested and established its superiority over that cast by the old process. The letter foundry business, will hereafter be carried on by the parties above named, under the firm of

### Martin Van Buren,

OF NEW YORK. Richard M. Johnson, OF KENTUCKY.

IT has fallen to the humble lot of the undersigned to have presented to the American People, a third edition of the Biographies of the two above named highly distinguished patriotic citizens, whose constant devotion to the best interests of our Government has led to their designation, as a testimony of the estimation in which their services are regarded by the PEOPLE whom they have served, as candidates for the two first offices within the gift of a FREE, HAPPY, and FLOURISHING NATION. This token of respect gives to the world additional proof that faithful service shall not go unrewarded.

The object of this appeal to the republican portion of our fellow citizens, is to obtain their co-operation in the circulation of an edition of 100,000 copies of the Joint Biography of MARTIN VAN BUREN & RICHARD M. JOHNSON, enlarged, revised and corrected, so as to be valuable to every lover of his country, and alike honorable to the distinguished citizen whom WE THE PEOPLE, intend still further to honor, by their elevation to the offices of President and Vice-President of the United States, in the election of 1836. Thus we shall perpetuate the principles of Jefferson, which have been so signally revived, nobly acted upon, and triumphantly carried out by ANDREW JACKSON, who, springing all flattery, knew nothing but the PEOPLE, the WHOLE PEOPLE, and their respective rights, regardless of their fortunes, whether rich or poor; thus rendering his NAME and REPUTATION as durable as the EVER-LASTING HILLS.

The arrangement of the volume will be as follows:—

- 1st. Portrait of Andrew Jackson. To whom the volume will be inscribed with an address by the Publisher.
- 2d. Portrait of M. Van Buren To be followed by his Biography, enlarged, including several valuable documents, illustrative of his public character, and exhibiting the magical powers of his gigantic mind, which has ever been devoted to sustain the rights of his country, and the glory and prosperity of his fellow citizens.

3d. Portrait of R. M. Johnson. To be followed by his Biography, enlarged, including various Speeches, SUNDAY MAIL REPORTS, and other documents; illustrative of his long continued public life, which has ever been devoted to the good of his country; including an authentic account of the fall of the renowned Indian warrior, TECUMSEH, on the ever memorable 5th of October, 1813—with an engraved view of the battle field.

The work will be complete in one volume of about 400 pages. The price to be fixed at the moderate sum of One Dollar, neatly bound with cloth backs; or calf and gilt, with the additional expense of binding. The work, which is now in a state of preparation, shall be such as to give entire satisfaction; as it is in the hands of gentlemen who have for nearly forty years, been personally and intimately acquainted with the private and public life of the above named distinguished citizens.

The celebrated address of the Hon. Thomas H. Benton, of Missouri, bearing testimony to the high character of Martin Van Buren; and the eloquent speech of the Hon. James Barbour, of Virginia, in the U. S. Senate, portraying the chivalry of Col. Johnson on the field and in the councils of the nation, will be appended to the work.

As there is among our republican citizens, an extensive population of German origin, the work will appear simultaneously in both the English and the German languages. It will, therefore, be necessary for subscribers who wish to have the work in the German, to signify the same on the subscription book.

It will, in order to give prompt and extensive circulation to the work, be indispensable for all subscribers to be responsible for the moderate sum of One Dollar, neatly bound with cloth backs; or calf and gilt, which will be duly made known by a notice in the Washington Globe.

Democratic editors disposed to encourage the work, will confer a favor, which will be gratefully acknowledged by the Subscriber, in giving publicity to the above and receiving subscriptions at their respective offices, to whom a reasonable percentage will be allowed.

The People's obedient servant, WM. EMMONS. Washington City, June 1.
