Willis Knight and others. HIS cause coming on to be heard on the bill and answer, judgments pro confesso, and exhibits filed in the case and the same having been duly considered by the Court: It is declared, that the deed executed by the plaintiff to Arthur Khight, dec'd, bearing date 8th February, 1834, set forth in the bill of complaint and a copy whereof is exhibited, was intended by the parties thereto as a conveyance of the land therein mentioned, by the plaintiff to the said Arthur to secure the sum of one thousand dollars and us such the Court dots declare it a mortgage; and it appearing to the Court, that the defendant Sally Knight widow and residuary legatee of said Arthur as also his administratrix, bath been fully satisfied of the money secured by said mortgage deed, it is declared, that the defendants upon whom the said land descended on the death of said Arthur are trustees holding the same for the sole use of the plaintiff, who is justly entitled to have the legal estate therein, which came to the defendants as heirs of said Arthur, conveyed to him freed from the claims and title of any and all of them. Wherefore it is ordered, adjudged and decreed by the Court, that the defendants convey to the plaintiff by deed to be prepared by the Master and executed under his directions, a fee simple title in the premises, that the defendants Josbua Lawrence, William Haines. Geraldus Batts, Dempsey Daniel, Joseph Batts, Newsom Barnes, and Thomas Strickland, severally procure their respective wives to join in said conveyance. And it is further decreed, that each and every one of the defendants be persecually enjoined from bringing or prosecuting as heirs at law of the said Arthur Knight, dec'd, against the plaintiff or those claiming under him, any suit or action either at law or in Equity, for or on account of the premises aforesaid. It is further ordered, that the Master proceed to complete the title as soon as practicable, and that the reasonable expense of obtaining the same be borne by the plaintiff. It also appearing to the Court, that the defendants had brought an action of ejectment against the plaintiff previous to the filing this bill which caused the same to be filed, it is decreed that neither party as against the other recover costs, but that each pay his

WILLIAM W GRAY. Raleigh, October 4, 1835. -:6:-

Raleigh, September 1, 1836. For five or six years previous to the spring of 1834, a negro man of mine had been much afflicted with an ulcerated arm and hand, which rendered him almost useless. The vicer embraced that part of his arm from the elbow down, including his entire hand, which was literally a mass of putrefaction. A joint of one finger, and a part of the thumb, perished and dropt off. A more distressing and hopeless case I have never beheld. It was abandoned by his physician as incurable, except by amputation of the hand.

The best medical treatment having failed to relieve the man, I placed him under the care of Mr. William W. Gray, in this place, who, with his Ointment, has effectually cured the case, although the negro was frequently absent, for weeks and months together. He has been entirely well for the last eight months, and 1 have good reason to believe will continue so.

PROPOSALS.

For publishing in the town of Tarborough

N. C. a semi-monthly paper, entitled

THE PRIMITIVE BAPTIST. EDITED BY MARK BENNETT.

Printed and Published by Geo. Howard.

HIS publication is principally intended to defend the old school United Baptists from the many aspersions cast upon them by deluded persons professing their own Of the best materials, and at the shortest faith, because they cannot conscientious- notice. ly engage in the various money-making schemes of the day, ostensibly intended to whether they prefer the German, or polish promote Christianity, but evidently tend- ed cast steel plates. ing to destroy the great and fundamental principles upon which it is based, by mak ing a gain of godliness. We wish to have it distinctly understood, that we are not inimical to Masonry, Temperance, the distribution of the Bible, or the spread of the Gospel-but we do condemn the mingling of professors and non-professors of religion in societies, and the making a "craft" of religious matters, in every shape and

form whatsoever. Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle -unscriptural-savor more of "lucre than of "good will towards men," we are opposed to them.

Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, while grieved with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall aim not so much to please the fancy, as to inform the judgment -more to afford matter for solid and lasting comfort, than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian solace; is our cause. Deeply impressed with the belief that the blessing even of truth itself is of the Head of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry with it some joy to those who are in tribulation, and a little rest to those who are troubled. TERMS.

The Primitive Baptist is published in super-royal octavo form of 16 pages, on the second and fourth Saturdays in each month-at One Dollar per year, payable on receipt of the first number. directed to the Publisher. TPersons holding Subscription papers
