THE impossibility of carrying on the *Watchman* as it ought to be conducted, while absent on collecting expeditions, and the impossibility of longer doing without the large amount due me for 6 years of labor, have determined me to sell the Establishment at the end of the present year. The Subscription List is **About Eight Hundred,** and on the increase, and the Job Printing and Advertising good for at least **\$500 a year.** A gentleman of talents and a sound Whig, shall have the Paper on the most liberal terms. I would not willingly let it go into any other service. An early application is requested.

SHOCCO SPRINGS.

THE Subscriber informs the public and her friends that her Establishment at **Shocco Springs,** Was opened for the reception and accommodation of visitors,
On the first day of June, inst. She deems it almost unnecessary to say any thing as regards the healthfulness of the waters of the Springs, as they have been so frequently the means of restoring to health many of the most valuable members of society, and their medical properties have been so frequently tested by gentlemen and Physicians of first rate talents in the country.

The Raleigh and Gaston Rail Road runs within ten miles of the Springs, and the Cars will pass daily by the fourth of July next; and, for the accommodation of visitors, the Subscriber will regularly run a Hack from the Depot at TWITTY'S to the Springs.

A BALL & PARTY

At the Springs on the 6th and 7th of July, commemorative of the passage of the Train on the first fifty miles of the Raleigh and Gaston Rail Road.

STONY HILL Academy.

THE Examination of the Students in this Institution will take place **Thursday and Friday, 14th and 15th June,**

At which time Parents and Guardians are specially invited to attend.

The Summer Session will commence on Monday, 2d July, and terminate about 1st December, at the usual price for board, tuition, &c. 50 dollars per session.

It is particularly desirable that Parents and Guardians should send their sons as early in the session as possible; a few days absence occasions more injury to their progress than is usually supposed by parents.

STONY HILL, As a situation for a permanent school and sound literary attainments, is too well known to need comment: the last seven years afford the best evidence of its advantages.

Notice.

STRAYED from Josiah Barrett's, in this county, about the 20th May last, **A small bay jinny MULE,**

Belonging to the Subscriber, with shoes on her fore feet, (whether her hind feet were shod is not now recollected,) about three years old. I purchased said Mule from a horse drover, so it is very uncertain which way she may have gone; but when last heard from, she was in the county of Edgecombe. I suppose she has been taken up by some one before this, and if so, any information respecting her will be thankfully received, and the person amply compensated for his trouble.
