PETERS' PILLS.

THE following was forwarded to Dr. Peters, by a highly respectable Planter of Wake Co. No. Ca., March 31, 1838:

Dr. PETERS.—Dear Sir: By request of your agent, Mr. Harrison, I send you a few lines respecting the almost miraculous effects of your pills; and I would add, that you may make use of them, in connection with my name, in any manner you deem proper. I speak of their merits from experience, as I and my family have taken upwards of thirty boxes in three years; and so great are the benefits we have received from them in general, that I would rather purchase them at ten dollars a box than have my house without them. I will not enumerate the afflictions they have relieved us of; but I can assure you they were many, and of very opposite natures, which has fully proved to me that your medicine is a simple purifier of the system, and therefore equally the enemy of every disease. I will mention one case. I have a sister who had been for a long period severely afflicted with dropsy in the chest, and was brought by it to the very verge of the grave. She was attended by the most eminent physicians that money could procure; but all their efforts to restore her to health, or even to mitigate her sufferings, were fruitless; and accordingly, we all considered her immediate death as inevitable. By good fortune, however, as she was in this situation, expecting every day to be her last, your pills were introduced into my family, and so speedy and palpable were their effects that three doses visibly relieved her, and in less than three months she was perfectly restored to health. This case I and all who were witness of it, (but more especially the suffering party,) considered to be the next thing to miraculous; and yet I should mention many more of an equally desperate nature, in which your pills were equally successful in rescuing the patients from the jaws of death. Need I add that the popularity of your medicine amounts to enthusiasm in this section of the country! but this I presume you know from the immense quantity you dispose of. I may mention, however, that notwithstanding its general use, I never heard an individual complain of its effects. My residence is 12 miles from Raleigh, on the road to Fayetteville. I am, with sentiments of regard, your ob'dt servant,
A. G. BANKS.
Suffolk, Va. Feb. 7, 1838.

To Dr. PETERS.—Dear Sir: It will no doubt be gratifying to you to hear of one among the many of the wonderful cures which have been effected by your medicine in this place. For three years or upwards I had been awfully afflicted with the liver complaint, dyspepsia and enlargement of the spleen. My abdominal muscles were greatly contracted, and it was really frightful to contemplate the size of my spleen.—Added to these, I had costiveness and piles for my constant companions, and in short, the multitude of my afflictions had brought me to the brink of eternity. During the entire period of my sufferings I was attended by various physicians, but their prescriptions at best, only afforded a temporary relief, so that I was in a state almost amounting to despair, when it so happened (and I bless God for the circumstance) that I was advised by a friend (who had himself been greatly benefited by their use), to make trial of your pills. I did so, and the result was that from the first week of their application I began to improve apace, and am at the present writing in the enjoyment of perfect health. I suppose that in all I have used about fifteen dollars worth of your medicine. You may make whatever use you wish of this letter, and believe me to be
Yours, very truly,
WM. HOLMES.
Suffolk, Va. Feb. 7, 1838.

This is to certify that I am intimately acquainted with Mr. Wm. Holmes, and am fully aware that the above document, through all its circumstances, is perfectly correct. My means for being so positive of this is, that Wm. Holmes is one of my nearest neighbors, and the medicine of which he speaks was purchased at my office. I would add that this is only one of a number of cases equally desperate, which have come within my knowledge, as being cured by "Dr. Peters' Vegetable Pills." I need scarcely say that they are more popular here than any other medicine, and such I have no doubt will be the case wherever they are known.
ARTHUR SMITH, P. M.
Charlotte, N. C. Nov. 11, 1837.

DEAR SIR.—Your Pills are so extremely popular here, that the people are but few, and far between who think of using any other. Colic, blue pills, and the whole catalogue of patent medicines which were in vogue in these parts, have vanished before them, like mist before the sun. I have recently purchased two thousand boxes from your general agent, Mr. Harrison, and there has been such a demand for them, that I believe I will shortly have to trouble you with another order.
H. B. WILLIAMS, P. M.
Petersburg, Va. Jan. 9, 1837.

This will certify that I was afflicted for several years with Chronic Hepatitis, (Liver Complaint,) and after using various preparations of mercury, &c. as prescribed by physicians, without any effect, that Peters' Vegetable Pills have produced a complete cure.

My complaints were pain in the head and side, dizziness, sourness of stomach, capricious appetite, furred tongue, costiveness, &c., which have all been removed. I am fully convinced that my life has been preserved by the use of Peters' Pills, and in many other cases I have known them to be used with equally beneficial results.

JAS. W. SCARBOROUGH.

Union Hotel, Raleigh, N. C. April 9, 1837.

DEAR SIR.—Having been for several years afflicted with Liver Complaint and general debility, I had recourse to your inestimable Vegetable Pills, and the result is that I am now in the enjoyment of excellent health. I am never without them in my own family, and I descend upon their virtues to all my friends; but the latter is nearly labor in vain, as they are already extremely popular here.

J. C. BLATCHFORD.

Greensborough, N. C. Jan. 1837.

This will certify that my wife was severely afflicted with Liver Complaint and Dyspepsia for ten years, and had nearly lost the use of her right arm—that she had been under the care of several eminent physicians, and made use of a variety of popular medicines, all of which failed in the desired effect—until she had recourse to your Vegetable Pills, ten boxes of which have completely restored her to health.

I myself am troubled with Head-ache and Colic, and have never known an instance in which your Pills did not afford me speedy relief.

W. W. WOODBURN.

Mecklenburg county, Va. Feb. 4, 1837.

DEAR SIR.—I have been using your Pills for the last eighteen months, and have this day purchased twelve dozen boxes of Mr. Harrison, who wished me to transmit you my opinions touching their merits. For myself, I never found any medicine that has done me so much good; but I have yet higher authority in their favour, for I have sold a great number of boxes to the physicians around here, all of whom have expressed themselves highly gratified with their effects. This of course has made them very popular here; indeed,

so much so, that they are to be found in almost every dwelling. Make what use you please of this; and I wish it could be made yet more flattering as I feel that nothing too favorable can be said of your Pills.
Sincerely yours,
JOHN FINCH.
New Glasgow, Amherst co. Va. Nov. 8, 1837.

This is to certify that I have seen Peters' Vegetable Pills used in a case of dropsy, and am prepared to substantiate, that a most perfect cure was the issue.

About 8 months ago, my boy, a slave, was taken down by the above complaint, and accordingly I called in a physician, but he afforded him no relief. I then had recourse, by the recommendation of a former sufferer, to the pills alluded to; and the effect was, that in less than three months, the patient was as well as ever.

EDWARD A. CABELL.
Edenton, N. C. April 10, 1838.

DEAR SIR.—I have been using your pills in my family, for the last twelve months, with the greatest satisfaction. In Bilious Fever, Fever and Ague, Dyspepsia, Sick Head ache, Costiveness, and Debility, they are indeed invaluable. I have to add in their favor, that I have recommended them to many of my neighbors, not a few of whom, have since informed me that they believed their lives were saved by their use. Yours, &c.
