

Evans' Camomile Pills.

THE camomile flower, (or as it is officially called, ANTHEMIS VULGARIS, or Chamamelum. from the Greek words, *Ka mai*, on the ground, and *Melon*, an apple; because it grows on the ground, and smells like an apple,) is of a dull white color, of fragrant odor, and of a bitter aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborant to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated,
Dr. Evans' Tonic Pills.

The powers of Evans' Camomile Pills are such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning sun. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite, distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, desponding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835.

Evans' Family Aperient Pills

Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood, viz:

Consumption, Coughs, and Colds,

Nervous diseases, liver complaint, dyspepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irritability, nervous weakness, floor albas, seminal weakness, indigestion, loss of appetite, heartburn, general debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, seasickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, Gout, will find relief from their sufferings, by a course of Dr. Evans' medicines.

Beware of Counterfeits.

READ ON.

Extract of a letter of Jonas Snyder, Post Master, Kernesseville, Pa., to Dr. William Evans.

Among several cases the following is found: An elderly lady, who had been 25 years so afflicted with nervous hypochondria, debility, &c. that for the last three years she constantly received medical aid from a respectable physician; but the pressure and pain on her heart and breast, and especially in her left side, remained immovable, attended at long intervals with weakness in her head and on her mind, keeping her discouraged to undertake any thing. In May she commenced using Dr. W. Evans' medicines according to the directions accompanying them. A reaction took place; the pain and pressure in her body was removed; her mind became clear and strong; her spirits perfectly good, and up to this time it is in all respects restored to health which for the last ten years she has not enjoyed.

DR. COHOON'S TONIC MIXTURE,

FOR THE CURE OF

Intermittent or Ague and Fever.

THIS mixture purifies the blood, re- moves the ague and consequent fever. The blood is made from the chyle or contents of the stomach, has its red col- our and vitality imparted to it by the action of the lungs and oxygen gas, which the atmo-spheric air contains. The Samp- son gland of the system, the liver, se- cretes the bile, from the blood carried to that organ through the Vena Portarum. These Viscera then are the anatomical apparatus by which the blood is made and preserved, and should be the Physician's watchword—mark well the secretions.

This mixture is harmless, and may be given to infants with perfect safety, as its composition is solely Vegetable. Read the certificates below and annexed letter.

I do hereby certify, that in 1837, my son Thomas was attacked with intermit- tent or Ague and fever. I applied to a respectable physician in Portsmouth, he gave him medicine, but in a few days the ague returned. I then applied to a physi- cian at Somerton, he prescribed, but found no relief. I then applied to Dr. Cohoon, and one bottle of tonic mixture made speed- y and permanent cure. Given under my hand this 25th of February.

DAVID DUNFORD.

Nansemond County, Va.

Winton, N. C. Ap. 9, 1839.

I have acted as Agent for the sale of Dr. Cohoon's tonic mixture, and can, from personal observation recommend it to the public for the cure of Ague and Fever, as I have sold it to those who had been plagued with the ague and fever for many months, and tried many other remedies without success, when one bottle of the mixture made a speedy cure. Dr. Cohoon is at liberty to use this certificate in any publication he may think proper.

LAWRENCE ELY.

Nansemond Co., Va., April 18, 1839.

I do hereby certify, that Dr. Cohoon's Tonic Mixture proves an effectual cure for the ague and fever, for I have taken it and found it to fail in no stage of the disease whatever.

ELISHA EVERETT.

Hertford Co., N. C., June 2, 1839

I do certify, that I have taken Dr. Cohoon's Tonic Mixture, and used it in my family, and it has proved to be one of the best medicines I have ever used or seen given for Ague and Fever.

WILLIAM P. BRITTON.

Colerain, N. C., July 27th, 1839.

My Dear Sir:
I thought to have answered your note sometime since, but negligence is the only reason I have to offer. I have procured you an Agent to sell your medicine at Colerain, Wm. J. Hardy, Esq., merchant of that place. I handed over to Mr. Hardy nine bottles of your mixture, and keep 3 myself; which I will account to you for. Mr. Hardy wishes a further sup- ply, say 3 dozen bottles. I have used 4 bottles of your Tonic Mixture in the course of 12 months in my family, and it has succeeded in every case when every other medicine that I had tried had failed; and I say it is preferred to any medicine that I have ever used for the ague & fever.

I am yours truly.
