**Dr. HARRELL'S NERVINE LOTION**

IT is truly surprising to witness the favorable effects of this medicinal preparation in the cure of a great many of our most aggravated maladies. If the disease be acute or of recent occurrence, it will subside in a few minutes; if it be Chronic or of Long standing it will disappear in a few days; but in every case pain will be overcome almost instantaneously; for such is the sudden transition which is realized from extreme suffering to a state of perfect ease, that the operation is barely terminated, when the patient exclaims, his pains are gone, and that a favourable change has passed upon the disease. These statements are not merely theoretical, but the undoubted result of observation and experience. This new and powerful principle in medical practice, will greatly facilitate the cure of all diseases, but will beyond, the most distant shade of doubt, as thousands will testify, completely subdue the following maladies, provided they are within the reach of human means; Dyspepsia, Asthma, Neuralgia, Tic Douloureux, Epilepsy or Fits, St. Vitus' Dance, Hysterics, Spine Diseases, Cramps, Spasms, Lock Jaw, Nervous Headache, Tooth Ache, Weak Eyes, Rheumatism, Gout, Swelled & Painful Joints, Early Inflammations of the Throat, Lungs, Heart and its appendages, all Painful Diseases, Paralytic Debilities, Violent Sprains, Tetter Worms, Ring Worms, Pimples and other Eruptions of the Skin.

**CASES CURED.**

**CASE 1.** Mr. P. of the town of Halifax, N. C. a respectable merchant, sprained his ankle playing a game of five; spent a painful and restless night, found it next morning much swelled and inflamed. He came to me to be operated upon and submitted to my treatment. In two minutes he left the room with his ankle perfectly restored to his great satisfaction.

**CASE 2.** Miss P. of the county of Halifax, N. C., a young lady who had for many years suffered with nervous headache, and could obtain but little relief from the remedies generally resorted to. I was requested by her father to try my mode of treatment to her case, I did so, and in a few moments she was relieved.

**CASE 3.** Mr. C. of Norfolk, Va., was laboring under chronic Rheumatism in every joint of the upper and lower extremities. All had been done for him which medical skill could afford, yet he found no relief. Meeting with me he requested I should try my practice on his case, the result was he got rid of his pains. It was accomplished in three days.

**CASE 4.** Mrs. R. of Elizabeth City N. C. was attacked with acute Rheumatism in the left shoulder and arm, could not raise it to her head; but to render the pain tolerable she was compelled to steady it by the right hand. I operated upon the disease which took me about ten minutes and the consequence was the pain subsided, she raised the arm without difficulty, & used it in adjusting her dress.

**CASE 5.** Mr. H. of Pasquotank county N. C. was annoyed with a very extensive ringworm on both sides of his face. I operated upon him and destroyed it in two minutes.

**CASE 6.** Mrs. D. of Elizabeth City, N. C. had a Neuralgia or nervous affection of the face and jaw. She resorted to a great variety of means for relief but was disappointed. My mode of treatment cured her in twenty minutes.

**Peters' vegetable Pills.**

THE wonderful cures effected by this medicine are the all engrossing subjects of the day. Go where you will, and you hear of nothing but Mr. Such a One has been cured by Dr. Peters's Vegetable Pills, or you know Mrs. So and So was at the point of death, but she has been cured by Dr. Peters's Pills; or are you not glad that Miss — has been restored to health by Dr. Peters's wonderful Medicine.

Really this medicine must be very good or it could not cure so many. It is good. For many years it has passed on in the "even, silent tenor of its way," curing hundreds of persons who were wrangling with death. But now its onward course is impetuous.

It is impossible to stay the demand for this medicine, as to hush the rushing wind.

A life medicine that will procrastinate death for years, shall it not enter every house? Shall it not be used by every individual? Let no man say I don't want it. You know not what to morrow may bring forth. All should use this remedy, and remember that health is the first blessing from God.

**Peters' Vegetable Pills**

Are anti-bilious, anti dyspeptic, and anti mercurial and may be justly considered Universal Medicine, but they are peculiarly beneficial in the following complaints:—Yellow and Bilious Fevers, Fever and Ague, Dyspepsia, Croup, Liver Complaints, Sick Headache Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholice, Femals Obstructions, Heart Burn, Furred Tongue, Nausea, Distension of the Stomach and Bowels, Incipient Diarrhoea, Flatulence, Habitual Costiveness, Blotched or Sallow Complexion, and in all cases of Torpor of the Bowels where a Cathartic or an Aperient is needed. They are exceedingly mild in their operations, producing neither nausea, griping nor debility.

The immense and increasing popularity of these pills, is another proof of the infallibility of the old adage, that "truth is powerful and will prevail." Other pills are only puff'd, but Dr. Peters' are purchased and praised, and recommended until the demand for them has become almost universal.

Dr. Peters would impress this fact upon the public, that his pills are not quack medicine; but a scientific compound of simples, which has been the result of many years' intense application to a profession in which he was regularly bred; hence it is as popular with the regular faculty as with the people at large.

One of the many peculiar virtues of the Vegetable Pills, is, that while very powerful in their effects, they are particularly mild and gentle in their action. Unlike the generality of medicines, their application is never attended with nausea or griping.

Without an exception in any age or country, no medicine has spread with such rapidity and given such universal satisfaction.

The above Pills are for sale at the Post office & Printing office in Tarboro' March, 1841.
