Tarboro', Dec 3, 1841.

DISEASE A UNIT,

Impurity of the BLOOD the only Disease.

HOW simple, yet how wise, how good and beautiful are all the laws of nature? Simplicity and truth are stamped upon every law of the creation. The mighty worlds which roll in space in every degree of velocity and direction are all governed by

ATTRACTION OF MATTER TO MATTER.

This principle governs the human body. *Brandreth's Vegetable Universal Pills* attract all impurities of the blood to the bowels, which organ expels them from the body. Attraction and disease are both units. All accidents or infections only affect the body in proportion as they occasion *impurity of the blood.*

The bowels for instance are costive—this most important organ is closed—the consequence is a great accumulation of impurities, which, as they cannot get out by their usual passage, are forced into the blood, occasioning impurity of blood. Thus, Fevers, Cholera, Rheumatism, Coughs, and Colds are often produced. But let *Brandreth's Pills* be used in such doses as will effectually evacuate the bowels, and health is restored at once.

Hot weather, by occasioning debility produces impurity of blood; from which arises Dysentery, Cholera Morbus, cramps in the bowels, feebleness, pain in the back and hip joints, headache, &c. &c. These unpleasant companions are speedily removed by a few doses of *Brandreth's Pills*, which soon restore health by purifying the blood.

Grief, great anxieties of mind, melancholy, fear, bad food, intemperance, residence near marshy land, tend in a very powerful degree to promote impurity of the blood, which soon shows itself in Erysipelas, consumption, epileptic fits, apoplexy, scurvy, ever and ague, derangement of the stomach and bowels, all which symptoms will soon be removed by purifying the blood with the *Brandreth Pills.*

Small pox, scarlet fever, putrid fevers, even spotted fever, and fevers of all kinds are propagated only by those whose blood is in a state of impurity; these maladies are mild or virulent according as the blood be charged with impurities previous to the infection being received, and never attack those whose blood is in a state of purity. The *Brandreth Pills*, by purifying the blood, soon cure these maladies; in fact the Pills go at once to collect all the causes of these complaints, which are brought by their health restoring powers to the bowels, and so removed out of the body, leaving the blood pure and healthy.

Fracture, bruises, &c. &c., produce impurity of the blood by occasioning a derangement of the general health. If *Brandreth Pills* are not used so as to prevent an accumulation of humors in the bowels, these humors pass into the blood, and soon find their way to the weak part, i. e. the local injury, and are likely soon to produce inflammation, often mortification of the part. Whereas, were the *Brandreth Pills* used daily after any injury had been done to the body, nothing would go to the injured part but what was necessary for its perfect restoration. Often when a bone has been broken and this advice has been followed, it has got well in a quarter the usual time. It would be well for those exposed to dangers to consider this subject, its adoption might save their bodies from mutilations, might save their lives.

Ulcers are produced by impurity of the blood; the part where it breaks out had in days gone by been injured, and the restorative powers of life could not repel the impurity of the blood when it settled upon it. Soon the acidity or secretory excretes the fibres and opens the ulcers. Here we have a drain or outlet opened for the bad humors, for the impurity of the blood to pass out of the body. Salves and all kinds of applications are applied to it, but it don't get well. But let *Brandreth's Pills* be used, say four or six of them to be taken daily, the Pills will open another drain, i. e. the bowels; the bad humors contained in the blood will thus be discharged from the body by their natural outlet, and none will be left to keep up the irritation and burning in the ulcer, and it will get well. In like manner are white swellings, unnatural enlargements, liver complaints, gravel, salt rheum, disease of the prostate gland, cured by abstracting with the *Brandreth Pills* the impurities from the blood. All persons who do not feel well should use these Pills. No man was ever sick long whose blood was kept pure. No man can be in good health if his blood be impure.

Attract then the impurities of your blood to your bowels with *Brandreth's Pills* and you will be as strong and healthy as the life within you is capable of sustaining. Agents are appointed in every county in the state, for the sale of Dr. *Brandreth's Pills.* Each agent has an engraved certificate of agency, signed B. Brandreth, M. D. R. HAZLEWOOD, trav ag't.

Just received, a fresh supply of the above invaluable medicine.

Evans' Camomile Pills.

THE camomile flower, (or as it is officially called, *ANTHEMIS VULGARIS*, or *Chamaemelum*, from the Greek words, *Kamai*, on the ground, and *Melon*, an apple; because it grows on the ground, and smells like an apple.) is of a dull white color, of fragrant odor, and of a bitter aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborant to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated,

Dr. Evans' Tonic Pills.

The powers of Evans' Camomile Pills are such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning sun. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite, distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, desponding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835.

Evans' Family Aperient Pills

Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood, viz:

Consumption, Coughs, and Colds,

Nervous diseases, liver complaint, dyspepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irritability, nervous weakness, fluor albus, seminal weakness, indigestion, loss of appetite, heartburn, general debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, seasickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, *Gout*, will find relief from their sufferings, by a course of Dr. Evans' medicines.

Beware of Counterfeits.

Caution.—Be particular in purchasing to obtain them at 100 Chatham st., New York, or from the

READ ON.

Extract of a letter of Jonas Snyder, Post Master, Kernesville, Pa., to Dr. William Evans.

Among several cases the following is found: An elderly lady, who had been 25 years so afflicted with nervous hypochondria, debility, &c. that for the last three years she constantly received medical aid from a respectable physician; but the pressure and pain on her heart and breast, and especially in her left side, remained immovable, attended at long intervals with weakness in her head and on her mind, keeping her discouraged to undertake any thing. In May she commenced using Dr. W. Evans' medicines according to the directions accompanying them. A reaction took place; the pain and pressure in her body was removed; her mind became clear and strong; her spirits perfectly good, and up to this time it is in all respects restored to health which for the last ten years she has not enjoyed.

CURE OF PILES.

THE Subscriber begs leave to offer to the attention of those who are subject to that most disagreeable of disorders,

THE PILES,

A remedy, the efficacy of which has been tested by the experience of years, and the utility of which has in no instance been impaired from failure to relieve. To those who have been subjected to this disease, it will prove, if applied when re-attacked, a sure preventative to its continuance, *without the least pain*; indeed many have pronounced it the most agreeable remedy ever applied. There can be no danger in its use, as its component parts are of harmless vegetable matter.

The mother of the subscriber who is the maker of the Ointment, has been in the habit of giving it to her friends and neighbors for the last five or six years, and in no instance to her knowledge has its application been ineffectual, as will be seen by a number of certificates annexed, as well as the testimony of a medical gentleman who has used it himself and prescribed it to the relief of others.

Those who are suffering will do well to make a trial of the remedy. Its efficacy is guaranteed, and there can be no doubt that the disorder may be arrested in its earliest state, if no delay be made in its application.

The directions for use will be found on each bottle.
