

TARBOROUGH!

SATURDAY, NOVEMBER 26, 1842.

The General Assembly of this State convened at Raleigh on Monday last. It will be seen by the proceedings, that Gen. Wilson, Senator from this county, was elected Speaker of the Senate—a station for which he is eminently qualified, having been for a long period an able, efficient, and influential member of that body.

The Legislature of this State, commenced its session by electing for their officers men of their own principles, and in whom they have confidence. This course calls down upon the dominant party the ire of the "Register." We would advise our worthy Editor, to keep cool. If the will of the people who sent them to Raleigh be obeyed, we can inform him that the work has but just commenced, and ere long we hope to hear that not one will be saved—"change," "change," cried the Feils in 1840—we echo the cry—"change," "change." Where there is a change of measures we are decided in our opinion that there should be a change of men.

Some of them have fattened long enough from the public crib, and it is time they should make room for their equals in all necessary points, though we hope not in rapacity. The Feils have had their own way so long at Raleigh, that a change works grievously bad among them. It is a bitter pill, but the doctors say they must take it. So keep your temper, Mr. Register, and console yourself, that, perhaps you may have better luck next time.

In the matter between the Representatives of the people of North Carolina and the "Register," we will respond to the urgent call of the latter, "to speak out fearlessly"—and for fear our "silence may be worse than cowardice," and that we may not be charged with "moral treason of the deepest dye," we will speak out. Go on, good and faithful servants—persevere, and root out every vestige of a corrupt and profligate party. Strew their principles if they have any, to the four winds of heaven, and their wire-workers strike with dismay. Go on, the people are with you—it was for that purpose you were sent to Raleigh. Cry aloud, and spare not. These are no times for lukewarmness and inaction. You have a sacred duty to perform—you owe it to yourselves and the people who delegated you, to pursue with firmness and energy the good work.

From the Raleigh Standard.

THE GENERAL ASSEMBLY.

On Monday last, being the day appointed by law for the meeting of the General Assembly, forty-eight Senators produced their credentials, were qualified, and took their seats. Messrs Pollock, democrat, from Onslow, and Miller, "whig," from Rutherford, were absent.

Mr. Wm. P. Williams put in nomination Louis D. Wilson, democrat, for Speaker. The Senate then proceeded to vote as follows:—

For LOUIS D. WILSON, Democrat, of Edgecombe—Messrs Arrington, Allison (of Orange,) Boykin, Boyd, Brown, Cooper, Dobson, Edwards, Etheridge, Exum, Hester, Larkins, Melvin, Mitchell, Moore, Pasteur, Ray, Reid, Rogers, Shepard, Speight, Stafford, Stallings, Swinson, Tomlinson, Walker, J. Mr. Wilson voting for Mr. Edwards. Mr. Joyner for Mr. Dockery.

Mr. Thomas G. Stone, democrat, of Franklin county, was re-elected unanimously Principal Clerk.

[Mr. Wm. Stringer, democrat, was elected Clerk Assistant, having received 28 votes, and Henry W. Miller, whig, 20.]

Mr. John Ziegenfuss, democrat, was elected Principal Door-keeper by a majority of 13 votes over John Crews, "whig."

Mr. Green Hill, "whig," (late incumbent) received the appointment of Assistant Door-keeper, beating Mr. John Davis, democrat.

The Senate, by motion of Mr. Reid, notified the House of its due organization.

On motion of Mr. Wm. P. Williams, the Senate's Rules of Order of the last session, were adopted for its government, until otherwise ordered. The Senate then

stood adjourned until 10 o'clock to-morrow morning.

In the HOUSE OF COMMONS, 114 members presented their credentials, and were qualified. The House then resolved to go into an election of its Speaker.

Mr. Biggs, of Martin, nominated for that office Calvin Graves, of Caswell, and Mr. Mills, of Rutherford, nominated Daniel M. Barringer, of Cabarrus. Whole number of votes 112. Necessary to a choice 57. The following is the vote:

Taylor, Mendenhall, Doak, McLean, Pope, Gee, Francis, Sharpe, J. P. Caldwell, Young, McLaughlin, Koence, J. Whitaker, Cochran, Locke, Odum, Nash, Enringhaus, T. Wilson, Foreman, Joyner, Brower, Leach, Martin, Dockery, Brandon, F. Williams, Lord, Jefferson, Mills, Baxter, Halsey, Norcom, Steele, and J. J. Bryan—48.

Whereupon Mr. Graves was conducted to the chair by Messrs. Biggs and Mills, when he addressed the House in an appropriate speech, returning thanks for the honor conferred, briefly recapitulating the important matters to be acted on by the present Legislature, and invoking the House to aid him in the performance of his arduous and responsible duties.

[The House then elected Louis H. Marsteller, of New Hanover, Principal Clerk, by a majority of 14 votes over Charles Manly, of Wake. Perrin H. Busbee, of Wake, Clerk Assistant, by a majority of 15 votes over Edmund B. Freeman, of Wake. And James Page, of Randolph, Principal Doorkeeper, by a majority of 70 votes over John R. Harrison, of Wake.]

On motion of Mr. Biggs, of Martin, the House adjourned until to-morrow morning ten o'clock.

In the Senate, on yesterday, a letter was received from Mr. Pollock, Senator from Onslow, vacating his seat, owing to ill health. A writ of Election was ordered, to take place on Thursday, the 1st of December, to supply the vacancy.

In the House, Thomas Anderson, of Orange, was re-elected Assistant Door-keeper. The vote was as follows: Anderson, 58; S. J. Finch, 25; Depoe, 23; Cooley, 3; Lee, Brown, and Bubbitt, (each) 2.

A joint committee of two was appointed to draft Rules for the two Houses.

A joint Committee was also appointed to wait on the Governor and inform him of the organization of the two Houses, and their readiness to receive any communication from him. The committee reported that his excellency will send the two Houses a communication to-morrow (this day) at 12 o'clock.

The remainder of the day was taken up in both Houses, by ineffectual votings for Engrossing Clerks.

Fire in Raleigh—On Saturday morning last, about day-break, an alarm of fire was given. The fire was found to proceed from the corner tenement in Cook's Row. The whole block, extending in a northerly direction, was consumed, with the exception of two rooms, which were saved by blowing up one of the tenements. Mr. Osborne Sugg lost liquors, which were in one of the cellars, estimated at \$2,000. It is supposed that some incendiary set fire to the corner building.—ib.

[Gen. Jonathan H. Jacobs, (whig) was elected on the 10th inst. Senator from the Pasquotank District, by a majority of about 50 votes over Messrs. Ford, (whig) and Granbury (dem.) to supply the vacancy occasioned by the resignation of the Hon. W. B. Shepard.—ib.

[The Raleigh Register, after an existence of nearly half a century, makes its appearance in a new dress. The enterprising Editor of the Star, as will be seen by the following Prospectus, proposes also to issue a monthly periodical.

PROSPECTUS

Of the North Carolina Literary Record.

The subscriber proposes to publish, in the city of Raleigh, a magazine with the above title. It will be printed in monthly numbers, on forty octavo pages of good paper, with new and elegant type and a neat cover, for

Two Dollars a year in Advance!

It is designed to be a publication of general interest, containing biographical sketches of the illustrious natives of North Carolina; historical papers, embracing particularly reminiscences by the present aged public men; and scientific articles. This magazine will cherish the purely literary, and its pages will be graced with poetic contributions. A prominent place will be

given to the interests of the Common School system of education in our State. A Review department will be added, which will present notices of new publications; and it is designed that the work shall have a monthly chronicle of literary intelligence.

The subscriber feels safe in making the above statements, because he has the promise of assistance from several distinguished gentlemen in the State, in whose acquirements the public has all confidence. He desires to make it a periodical which shall compare well with any Southern magazine, ornament the table of the literary man, and be a welcome visitor to any family in the State. It will be seen that the subscription is unusually low—

Four Hundred and Eighty octavo Pages for Two Dollars!!!

The work is put at this price that its circulation may be the greater; but it will be at once perceived that the publisher cannot risk a commencement until a sufficient number of subscribers shall be obtained to cover expenses.

[As soon as five hundred responsible subscribers shall be secured, the first number will be issued, at which time the payment for the first volume will be considered in advance. When subscribers receive that number they will forward the amount of their subscription immediately, and will take the publication of that number as a guarantee that the magazine will be issued for at least one year. This arrangement will secure both parties.

Who can doubt that North Carolina needs such a magazine? Who can doubt whether there be not more than sufficient talent at leisure in our State to fill its pages with profitable and entertaining matter? Who will not risk two dollars on an experiment so well worth making? We shall listen for a reply, and expect a hearty response. Let no one wait to see how it will appear; for such a course may prevent the publication entirely; but let every one friendly to the work try it for A YEAR, and then, if it be not worth taking, let him abandon it.

We want the names of all who will subscribe, by the first of January next, or earlier, if practicable. Postmasters, everywhere, will no doubt take pleasure in forwarding them, as they are authorized to do, free of postage.

* * * Editors who will give this prospectus an insertion, and send the paper, marked with ink, to the Raleigh Star, shall receive a copy of the work one year.

* * * Postmasters and others, who will become responsible for five subscriptions, shall, likewise, receive a copy for one year.

All communications to be addressed, POST PAID, to THOS. J. LEMAY, Raleigh, N. C., Nov. 14, 1842.

Rail Road Stockholders' Meeting.—The Annual meeting of the Stockholders of the Wilmington and Raleigh Rail Road Company, was held at St. John's Hall, in this town, last week, beginning on Wednesday.

Dr. Frederick J. Hill, of Brunswick county, was appointed Chairman of the meeting, and Messrs James Griswold of Wayne, and Henry Nutt of Wilmington, acted as Secretaries.—Messrs. Willis Hall and James T. Miller, were appointed a Committee to ascertain what proportion of the Capital Stock was represented, and a majority of the same was found to be so by holders or Proxies. The Chairman of the meeting represented by Proxy that portion of the Capital Stock owned by the State.

The President and Directors of the Company submitted their annual Report to the meeting, detailing the operations for the past year, and showing the present condition of its affairs. The exhibit is a much more satisfactory one than could be expected, when all the untoward circumstances of the times are considered.

The receipts for the year ending 1st Nov. 1842 were \$229,796 09 The disbursements for the same time for current expenses, were 172,115 50

Leaving a balance of \$57,680 59

The receipts for the year ending Nov. 1, 1841, were \$297,218 62 The disbursements for the same time were \$239,089 34

Leaving a balance of \$58,129 28

The fare it will be recollected, has been reduced within the year one fifth, which will account for the diminished amount of receipts. The expenditures are reduced in a larger ratio than are the receipts.

On motion of Dr. Samuel A. Andrews, a committee of three was appointed, consisting of Dr. Andrews, Alexander McRae, and Samuel Potter, to report upon the expediency and practicability of an inland connection between this Road and the Charleston and Hamburg Rail Road. This committee subsequently reported, and offered the following resolutions, which were adopted.

Resolved, That the President be instructed to obtain such information as he may deem important, respecting the views of the citizens of South Carolina, who may be desirous of a connexion by means of a Rail Road between the Southern terminus of the Road and the City of Charleston.

Resolved, That the President cause the necessary preliminary surveys for the construction of a Rail Road from the Cape Fear river, to the navigable waters of the Wac-

camaw river, to be made, provided, that the costs of said Survey do not exceed five hundred dollars; and that he report to an adjourned meeting of this Company to be held in Wilmington on the second Thursday in May next.

On balloting for a President and six Directors, Edward B. Dudley, was re-elected President, and Alexander Anderson, P. K. Dickinson, Samuel Potter, James S. Battle, A. J. DeRosset, Jr. and James T. Miller, were elected Directors for the ensuing year.—Wilmington Chronicle.

Pork Market.—At Cincinnati, on Thursday, 2,500 hogs were sold at \$2 per cwt. This was also the opening price of last year.

The Market.—Produce comes in now in plentiful supplies, and trade has been very active this week. Cotton is slowly declining, and surely. The price in our table being the top of the market, as far as we can learn. Flour has declined also. Pork begins to come in, and brings 4 cents, generally, we believe. With these exceptions, prices remain about the same as last week.—Fayetteville Car.

Fire.—We regret to state that the dwelling house of Mr. John Brown, near this town, was entirely consumed by fire on the afternoon of Saturday last. The fire caught from a spark falling from the chimney upon the roof of the house. Contents mostly all saved.—Wash. Rep.

John C. Colt, who was convicted of the murder of Adams, applied to the Governor of New York for pardon, which was refused, committed suicide in his cell on the 18th inst., by stabbing himself in the heart.—ib.

THE COONAD, No. 3.

"The book of Fate" complete.

The "book of fate's" complete and all who read,

Will say at once, we have essential need; Of "huge paws" human, and not "raccoon's" "paws".

To shield the constitution, and the laws. To yeoman's "paws" we owe our late success,

The "God o' battles" no doubt their deeds will bless; And restore forever, the "right of man", Himself to govern, which no doubt he can.

He needs no "coon" nor "mink" nor "pepper pod", To vindicate him, at the bar of God; He needs no "cider casks," nor "coon skin" shows,

To supply his wants, or mollify his woes. Bribery nor mockery of the mother lund, Will not suffice, to stay the "huge paws" hand;

Strike sure, he will, when there be cause to strike. Keeping fore'er in mind the old dislike. They know full well, what bought these dear bough plainis,

Their father's blood—hold on to their dominus; Nor yield one inch of the inherent soil, To foul "raccoons" nor "minks" nor "skunks" to spoil.

Enrich'd by "noble bloods" o' a "by gone day", The soil's too pure to form a bank of Clay; Too proud to succumb to that ragged race. Of "ragged barons" of the cockney face.

Too strong in "lith and limb" to cry "enough", To Hector, Achilles or e'en "Mac Duff"; Since democ-rats the "coons" have downward hurl'd,

They stand unrival'd in the low'r world. Thus ends, the "book of fate" and all who read, Will say we have the most essential need; Of "huge paws" human, and not "varmint's" paws.

To shield the constitution and the laws. NO MORE ANON.
