

Valuable Real Estate FOR SALE.

THE subscriber being desirous of removing to the South, and for the purpose of satisfying his liabilities, offers for sale the Land and Plantation whereon he now lives, within one and a half miles of Tarboro', lying on the waters of Tar River, and on the North side thereof, and and of as good quality as any on that side,

Containing 800 Acres,

More or less, of which about 300 acres are cleared, the balance heavily timbered, no part of which is subject to overflow by freshets.

The improvements are a comfortable Dwelling house, and every other house required or convenient for a large family. There is also on the land a rich deposit of Marl, easy of access and capable of manuring any quantity of land. To those who are acquainted with the valuable properties of Marl as a manure, nothing need be said. It is established by experience to be the most lasting and valuable manure now used, and well adapted to reclaim and enrich an exhausted soil. It adjoins the Lands of F. L. Daney, E. Dicken, and others. The Dwelling is situated on a commanding eminence, with a handsome grove of forest trees surrounding it—good water, and deemed to be as healthy a situation as any within the county of Edgecombe.

ALSO, Three Lots

In the town of Tarboro', one fronting the Bank, the other two across the street from the dwelling house of Theo. Parker; they join and are handsomely located for improvement, having streets in front at each end, and the Commons of the town.

Those inclined to purchase are invited to examine the premises, which will be shewn and the terms of sale made known by applying to the Subscriber.

CURE OF PILES.

THE Subscriber begs leave to offer to the attention of those who are subject to that most disagreeable of disorders,

THE PILES,

A remedy, the efficacy of which has been tested by the experience of years, and the utility of which has in no instance been impaired from failure to relieve. To those who have been subjected to this disease, it will prove, if applied when re-attacked, a sure preventative to its continuance, without the least pain; indeed many have pronounced it the most agreeable remedy ever applied. There can be no danger in its use, as its component parts are of harmless vegetable matter.

The mother of the subscriber who is the maker of the Ointment, has been in the habit of giving it to her friends and neighbors for the last five or six years, and in no instance to her knowledge has its application been ineffectual, as will be seen by a number of certificates annexed, as well as the testimony of a medical gentleman who has used it himself and prescribed it to the relief of others.

Those who are suffering will do well to make a trial of the remedy. Its efficacy is guaranteed, and there can be no doubt but that the disorder may be arrested in its earliest state, if no delay be made in its application.

The directions for use will be found on each bottle.

Evans' Camomile Pills.

THE camomile flower, (or as it is officially called, ANTHEMIS VULGARIS, or Chamomelum, from the Greek words, *Kamai*, on the ground, and *Melon*, an apple; because it grows on the ground, and smells like an apple,) is of a dull white color, of fragrant odor, and of a bitter aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborant to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated,

Dr. Evans' Tonic Pills.

The powers of Evans' Camomile Pills are such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning sun. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite, distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, desponding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835.

Evans' Family Aperient Pills

Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood, viz:

Consumption, Coughs, and Colds,

Nervous diseases, liver complaint, dyspepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irritability, nervous weakness, fluor albus, seminal weakness, indigestion, loss of appetite, heartburn, general debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, seasickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, Gout, will find relief from their sufferings, by a course of Dr. Evans' medicines.

Beware of Counterfeits.

Caution.—Be particular in purchasing to obtain them at 100 Chatham st. New York, or from the

REGULAR AGENTS.

READ ON.

Extract of a letter of Jonas Snyder, Post Master, Kernesville, Pa., to Dr. William Evans.

Among several cases the following is found: An elderly lady, who had been 25 years so afflicted with nervous hypochondria, debility, &c. that for the last three years she constantly received medical aid from a respectable physician; but the pressure and pain on her heart and breast, and especially in her left side, remained immovable, attended at long intervals with weakness in her head and on her mind, keeping her discouraged to undertake any thing. In May she commenced using Dr. W. Evans' medicines according to the directions accompanying them. A reaction took place; the pain and pressure in her body was removed; her mind became clear and strong; her spirits perfectly good, and up to this time it is in all respects restored to health which for the last ten years she has not enjoyed.
