Magical Pain Extractor.**Absolute heal all!**

10,000 trials, and all successful, prove *Dalley's Magical Pain Extractor* inestimable. It not only cures quicker, but gives no additional pain, nor leaves a scar. Fire is positively rendered harmless. (\$10 has been offered six months to any person returning an empty box, & saying that all agony on anointing is not extracted in a few minutes, yet not one from thousands of trials since has claimed the bonus.)

Parents anxious to guard against general injuries and save money, time, torture and life, and prevent their offspring from being disfigured by burns, or even small pox pustules, (it possessing the enviable power to replace the cellular organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, & one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of hurts, its rapid, soothing effect are alike important; even sore eyes, all inflammation and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples; removing chaps, &c. will find it indispensable. Once using only will forever establish it the sovereign *Heal all* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

CONSUMPTION**And Liver Complaint.**

Dr. Taylor's Balsam of Liverwort,

FROM 375 BOWERY, NEW YORK,

FOR the cure of coughs, colds, asthma, whooping cough, catarrh, pains in the side and breast, bronchitis, liver complaints, and all those affections of the throat and lungs, which are a source of so much suffering and so often terminate in consumption, this remedy is justly and highly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety as well as utility. So extensively has it been used and so often proved successful, even in extreme and apparently almost hopeless cases, not only as a palliative but as a remedy, that the Proprietor feels no hesitation in introducing it, and recommending it to all who unfortunately may have occasion to resort to some means of recovery. Physicians, familiar with its effects and aware of the healing properties of this vegetable preparation, not unfrequently prescribe it in their practice; and with the Medical Faculty generally, it has met with more than ordinary approbation.

CONSUMPTION.—The following remarks were taken from the last number of the Medical Magazine:

"The surprising effect produced by the genuine Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by Capt. Scott, of Elizabeth City, N. C.

"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the lungs, accompanied with cough and raising matter and blood, together with some pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of Dr. Perkins, to try Taylor's Balsam of Liverwort; and with great pleasure take this opportunity of testifying to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was so far recovered as to be able to get about; since which time, by continued use of it, I am quite restored and able to attend to my usual business. To persons suffering from coughs and affections of the lungs I can earnestly recommend it. (Signed.)

JAS. C. SCOTT.

Consumption cured!—Being of a studious habit, I became afflicted some years since, with bronchitis, tickling in the throat, slight cough, and other consumptive symptoms. Every new cold increased my disease, until it settled into regular confirmed consumption. I now commenced the use of Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, and this medicine gave me relief in a short time. It has since effected a radical cure. **Rev. G. W. CANDA.**

Evans' Camomile Pills.

THE camomile flower, (or as it is officially called, *ANTHEMIS VULGARIS*, or *Chamæmelum*, from the Greek words, *Kamati*, on the ground, and *Melom*, an apple, because it grows on the ground, and smells like an apple,) is of a dull white color, of fragrant odor, and of a bitter aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborant to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated,

Dr. Evans' Tonic Pills.

The powers of Evans' Camomile Pills are such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning sun. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite, distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, desponding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835.

Evans' Family Aperient Pills

Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood, viz:

Consumption, Coughs, and Colds,

Nervous diseases, liver complaint, dyspepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irritability, nervous weakness, fluor albus, seminal weakness, indigestion, loss of appetite, heartburn, general debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, seasickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, *Gout*, will find relief from their sufferings, by a course of Dr. Evans' medicines.

READ ON.

Extract of a letter of Jonas Snyder Post Master, Keturville, Pa., to Dr. William Evans.

Among several cases the following is found: An elderly lady, who had been 25 years so afflicted with nervous hypochondria, debility, &c. that for the last three years she constantly received medical aid from a respectable physician; but the pressure and pain on her heart and breast, and especially in her left side, remained immovable, attended at long intervals with weakness in her head and on her mind, keeping her discouraged to undertake any thing. In May she commenced using Dr. W. Evans' medicines according to the directions accompanying them. A reaction took place; the pain and pressure in her body was removed; her mind became clear and strong; her spirits perfectly good, and up to this time it is in all respects restored to health which for the last ten years she has not enjoyed.

Health and long life:

THE immense number of letters which Dr. Moffat has received, and is daily receiving from individuals in different parts of the Union, in testimony of the excellent virtues of the Life Pills and Phoenix Bitters, precludes the possibility of his laying them before the public in a printed form.

The Life Medicines

Have in many cases been recommended and used by physicians. They have stood the severest test, and proved the most unyielding remedy ever offered to the sufferer, under almost every disease. As a general family medicine they are most invaluable.

The Life Medicines have been used with success in almost every disease to which mankind is liable, and for bilious and liver complaints, with their many well known attendants, bilious and sick headache, pain and oppression after meals, giddiness, dizziness, ringing noise in the head and ears, browniness, heartburn, loss of appetite, wind, spasms, &c.; they are acknowledged to be vastly superior to any thing ever before offered to the public; and for those of a full habit of body, they will prove invaluable; while as a general family aperient, for either sex, they cannot fail to ensure the universal satisfaction.

The efficacy of the**LIFE PILLS****And Phoenix Bitters**

Is most certain, if freely given on the attack of fever; influenza, measles, sore throat, recent colds, with cough, and other inflammatory disorders. In rheumatism and chronic complaints they have also performed the most extraordinary cures, when used with perseverance.

Since the first introduction of Dr. Moffat's Life Medicines to his fellow citizens, they have in every case, fully maintained the high character they so well deserved. Patients who had for years drawn on a miserable existence, and many who had lost the use of their limbs by rheumatism and paralysis, have been restored to health, strength and comfort, after the usual remedies had been found useless. Its astonishing and almost miraculous effects have also been experienced, in the cure of nervous and rheumatic pains of the head and face, paralytic affections, contracted and stiff joints, glandular swellings, pains of the chest and bones, chronic rheumatism, palpitation of the heart, difficult respiration, &c.

Complaints arising from a vitiated state of the blood are easily subdued by the powerful efficacy of these mild and salutary medicines.

In addition to the numerous testimonials in their favor, which accompany the above medicines, many references in this vicinity of their beneficial effects can be given on application to the subscriber, who offers them for sale.
