

TO FAMILIES & INVALIDS.

The following indispensable family remedies may be found at the village drug stores, and soon at every country store in the state. Remember and never get them unless they have the fac-simile signature of

Comstock on the wrappers, as all others by the same name are base impositions and counterfeits. If the merchant nearest you has them not, urge him to procure them at 71 Maiden Lane, the next time he visits New York, or to write for them. No family should be a week without these remedies.

Magical Pain Extractor.

Absolute heal all!

10,000 trials, and all successful, prove *Dalley's Magical Pain Extractor* inestimable. It not only cures quicker, but gives no additional pain, nor leaves a scar. Fire is positively rendered harmless. (\$10 has been offered six months to any person returning an empty box, & saying that all agony on anointing is not extracted in a few minutes, yet not one from thousands of trials since has claimed the bonus.)

Parents anxious to guard against general injuries and save money, time, torture and life, and prevent their offspring from being disfigured by burrs, or even small pox pustules, (it possessing the enviable power to replace the cellular organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, & one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of hurts, its rapid, soothing effort are alike important; even sore eyes, all inflammation and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples, removing chaps, &c. will find it indispensable. Once using only will forever establish in the sovereign *Heal all* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

CONSUMPTION

And Liver Complaint.

Dr. Taylor's Balsam of Liverwort,

FROM 375 BOWERY, NEW YORK,

FOR the cure of coughs, colds, asthma, whooping cough, catarrh, pains in the side and breast, bronchitis, liver complaints, and all those affections of the throat and lungs, which are a source of so much suffering and so often terminate in consumption, this remedy is justly and highly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety as well as utility. So extensively has it been used and so often proved successful, even in extreme and apparently almost hopeless cases, not only as a palliative but as a remedy, that the Proprietor feels no hesitation in introducing it, and recommending it to all who unfortunately may have occasion to resort to some means of recovery. Physicians, familiar with its effects and aware of the healing properties of this vegetable preparation, not unfrequently prescribe it in their practice; and with the Medical Faculty generally, it has met with more than ordinary approbation.

CONSUMPTION.—The following remarks were taken from the last number of the Medical Magazine:

"The surprising effect produced by the genuine *Dr. Taylor's Balsam of Liverwort*, made at 375 Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by *Capt. Scott*, of Elizabeth City, N. C.

"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the lungs, accompanied with cough and raising matter and blood, together with some pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of *Dr. Perkins*, to try *Taylor's Balsam of Liverwort*; and with great pleasure take this opportunity of testifying to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was so far recovered as to be able to get about; since which time, by continued use of it, I am quite restored and able to attend to my usual business. To persons suffering from coughs and affections of the lungs I can earnestly recommend it. (Signed.) *JAS. C. SCOTT.*"

Consumption cured!—Being of a studious habit, I became afflicted some years since, with bronchitis, tickling in the throat, slight cough, and other consumptive symptoms. Every new cold increased my disease, until it settled into regular confirmed consumption. I now commenced the use of *Dr. Taylor's Balsam of Liverwort*, made at 375 Bowery, and this medicine gave me relief in a short time. It has since effected a radical cure. *Rev. G. W. CANDA.*

Health and long life.

THE immense number of letters which *Dr. Moffat* has received, and is daily receiving from individuals in different parts of the Union, in testimony of the excellent virtues of the *Life Pills* and *Phoenix Bitters*, precludes the possibility of his laying them before the public in a printed form.

The Life Medicines

Have in many cases been recommended and used by physicians. They have stood the severest test, and proved the most unfailing remedy ever offered to the sufferer, under almost every disease. As a general family medicine they are most invaluable.

The *Life Medicines* have been used with success in almost every disease to which mankind is liable, and for bilious and liver complaints, with their many well known attendants, bilious and sick headache, pain and oppression after meals, giddiness, dizziness, ringing noise in the head and ears, drowsiness, heartburn, loss of appetite, wind, spasms, &c., they are acknowledged to be vastly superior to any thing ever before offered to the public, and for those of a full habit of body, they will prove invaluable; while as a general family aperient, for either sex, they cannot fail to ensure the universal satisfaction.

LIFE PILLS And Phoenix Bitters

Is most certain, if freely given on the attack of fever, influenza, measles, sore throat, recent colds, with cough, and other inflammatory disorders. In rheumatism and chronic complaints they have also performed the most extraordinary cures, when used with perseverance.

Since the first introduction of *Dr. Moffat's Life Medicines* to his fellow citizens, they have in every case, fully maintained the high character they so well deserved. Patients who had for years drawn on a miserable existence, and many who had lost the use of their limbs by rheumatism and paralysis, have been restored to health, strength and comfort, after the usual remedies had been found useless. Its astonishing and almost miraculous effects have also been experienced, in the cure of nervous and rheumatic pains of the head and face, paralytic affections, contracted and stiff joints, glandular swellings, pains of the chest and bones, chronic rheumatism, palpitation of the heart, difficult respiration, &c.

Complaints arising from a vitiated state of the blood are easily subdued by the powerful efficacy of these mild and salutary medicines.

In addition to the numerous testimonials in their favor, which accompany the above medicines, many references in this vicinity of their beneficial effects can be given on application to the subscriber, who offers them for sale.
