

TO FAMILIES & INVALIDS.

The following indispensable family remedies may be found at the village drug stores, and soon at every country store in the state. Remember and never get them unless they have the fac-simile signature of

Comstock's on the wrappers, as all others by the same name are base impositions and counterfeits. If the merchant nearest you has them not, urge him to procure them the next time he visits New York, or to write for them. No family should be a week without these remedies.

BALDNESS

BALM OF COLUMBIA, FOR THE HAIR, which will stop it if falling out, or restore it on bald places; and on children make it grow rapidly, or on those who have lost the hair from any cause.

ALL VERMIN that infest the heads of children in schools, are prevented or killed by it at once.— Find the name of *Comstock's* on it, or never try it. Remember this always.

RHEUMATISM, and LAMENESS

positively cured, and all shrivelled muscles and limbs are restored, in the old or young, by the **INDIAN VEGETABLE ELIXIR AND NERVE AND BONE LINIMENT**—but never without the name of *Comstock & Co.* on it.

PILES &c

are wholly prevented, or governed if the attack has come on, if you use the **only true HAYS' LINIMENT**, from *Comstock & Co.* **ALL SORES** and every thing relieved by it that admits of an outward application. It acts like a charm. Use it.

HORSES that have Ring-Bone, Spavin, Wind-Galls, &c., are cured by **ROOFS' SPECIFIC**; and **Foundered** horses entirely cured by **ROOFS' Founder Ointment**. Mark this, all horsemen.

Dalley's Magical Pain Extractor Salve.—The most extraordinary remedy ever invented for all new or old

BURNS & SCALDS

and sores, and sore **EYES**. It has delighted thousands. It will take out all pain in ten minutes, and no failure. It will cure—the **PILES**

LIN'S SPREAD PLASTERS.

A better and more nice and useful article never was made. All should wear them regularly.

LIN'S TEMPERANCE BITTERS: on the principle of substituting the tonic in place of the stimulant principle, which has reformed so many drunkards. To be used with

DR. SPOHN'S ELIXIR OF HEALTH for the certain prevention of **FEVERS** or any general sickness; keeping the stomach in most perfect order, the bowels regular, and a determination to the surface. **COLDS COUGHS**

pains in the bones, hoarseness, and **DROPSY** are quickly cured by it. Know this by trying.

CORNS.—The French Plaster is a sure cure.

SARSAPARILLA, COMSTOCK'S COMPOUND EXTRACT. There is no other preparation of Sarsaparilla that can exceed or equal this. If you are sure to get Comstock's, you will find it superior to all others. It does not require puffing.

DR. LIN'S CELESTIAL BALM

Magical Pain Extractor.

Absolute heal all!

10,000 trials, and all successful, prove *Dalley's Magical Pain Extractor* inestimable. It not only cures quicker, but gives no additional pain, nor leaves a scar. Fire is positively rendered harmless. (\$10 has been offered six months to any person returning an empty box, & saying that all agony on anointing is not extracted in a few minutes, yet not one from thousands of trials since has claimed the bonus.) Parents anxious to guard against general injuries and save money, time, torture and life, and prevent their offspring from being disfigured by burns, or even small pox pustules, (it possessing the enviable power to replace the cellular organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, & one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of hurts, its rapid, soothing effect are alike important; even sore eyes, all inflammation and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples, removing chaps, &c. will find it indispensable. Once using only will forever establish it the sovereign *Heal all* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

Entered according to Act of Congress, A. D. 1841 by *Comstock & Co.*, in the Clerk's Office of the District Court of the United States for the Southern District of New York.

CONSUMPTION

And Liver Complaint.

Dr. Taylor's Balsam of Liverwort,

FROM 375 BOWERY, NEW YORK,

FOR the cure of coughs, colds, asthma, whooping cough, catarrh, pains in the side and breast, bronchitis, liver complaints, and all those affections of the throat and lungs, which are a source of so much suffering and so often terminate in consumption, this remedy is justly and highly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety as well as utility. So extensively has it been used and so often proved successful, even in extreme and apparently almost hopeless cases, not only as a palliative but as a remedy, that the Proprietor feels no hesitancy in introducing it, and recommending it to all who unfortunately may have occasion to resort to some means of recovery. Physicians, familiar with its effects and aware of the healing properties of this vegetable preparation, not unfrequently prescribe it in their practice; and with the Medical Faculty generally, it has met with more than ordinary approbation.

CONSUMPTION.—The following remarks were taken from the last number of the Medical Magazine: "The surprising effect produced by the genuine *Dr. Taylor's Balsam of Liverwort*, made at 375 Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by *Capt. Scott*, of Elizabeth City, N. C.

"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the lungs, accompanied with cough and raising matter and blood, together with some pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of *Dr. Perkins*, to try *Taylor's Balsam of Liverwort*; and with great pleasure take this opportunity of testifying to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was so far recovered as to be able to get about; since which time, by continued use of it, I am quite restored and able to attend to my usual business. To persons suffering from coughs and affections of the lungs I can earnestly recommend it. (Signed.)

JAS. C. SCOTT.

Consumption cured!—Being of a studious habit, I became afflicted some years since, with bronchitis, tickling in the throat, slight cough, and other consumptive symptoms. Every new cold increased my disease, until it settled into regular confirmed consumption. I now commenced the use of *Dr. Taylor's Balsam of Liverwort*, made at 375 Bowery, and this medicine gave me relief in a short time. It has since effected a radical cure. **Rev. G. W. CANDA.**

Evans' Camomile Pills.

THE camomile flower, (or as it is officially called, *ANTHEMIS VULGIS*, or *Chamæmelum*, from the Greek words, *Kamai*, on the ground, and *Melon*, an apple; because it grows on the ground, and smells like an apple.) is of a dull white color, of a fragrant odor, and of a bitter aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborant to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated,

Dr. Evans' Tonic Pills.

The powers of *Evans' Camomile Pills* are such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning sun. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite, distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, desponding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835.

Evans' Family Aperient Pills

Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood, viz:

Consumption, Coughs, and Colds,

Nervous diseases, liver complaint, dyspepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irritability, nervous weakness, floor albus, seminal weakness, indigestion, loss of appetite, heartburn, general debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, seasickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, *Gout*, will find relief from their sufferings, by a course of *Dr. Evans' medicines*.

Beware of Counterfeits.

Caution.—Be particular in purchasing to obtain them at 100 Chatham st. New York, or from *Geo. Howard, Tarboro', N. C.* January 18.

I will try again.

THE copartnership of **BATTLE & PETERSON**, being dissolved by mutual consent, the subscriber will continue at the same store in the **Lazarus** Fire Proof building, to attend to the

COMMISSION,

Receiving and Forwarding business.

He has a good ware-room in the same building for storing goods, and hopes, by prompt attention to the interests of all who may favor him with their business, to give general satisfaction. He feels grateful for past encouragement from his friends, and solicits a continuance of it. Not having funds to buy with, he will back all those who send their orders to him, to forward the means to pay with, as it will be greatly to their advantage, and he will then be sure of pleasing all.

Dr. B. Brandreth's External Remedy, OR LINIMENT,

WHICH by its extraordinary powers abstracts pain or soreness; thus sprains, stiff sinews, white swellings, rheumatic pains or stiffness, stiffness of the joints, tumors, unnatural hardness, stiff neck, sore throat, croup, contraction of the muscles, scrofulous enlargements, tender feet, and every description of injury affecting the exterior of the human frame are cured or greatly relieved, by his never to be sufficiently extolled remedy.

CERTIFICATE.

The following letter from *Major General Sartord*, as to the qualities of the external remedy, speaks volumes:

New York, Feb. 9, 1842.

Dear Sir—Will you oblige me with another bottle of your excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's knee, about which I was so uneasy, and I have found it productive of immediate relief in several cases of external injury in my family. A few evenings since, my youngest child was seized with a violent attack of croup, which was entirely removed in twenty minutes by rubbing her chest and throat freely with the external remedy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to your particular acquaintances. Yours, truly,

G. W. SANFORD.
