TO FAMILIES & INVALIDS.

The following indispensable family remedies may be found at the village drug stores, and soon at every country store in the state, Remember and never get them unless they have the fac-simile signature of

Constatestes on the wrappers, as all others by the same name sare base impositions and counterfeits. If the merchant nearest you has them not, urge him to procure them next time he visits New York, or to write for them.

No family should be a week without these remedies.
