**Magical Pain Extractor. Absolute heal all!**

**10,000** trials, and all successful, prove *Dalley's Magical Pain Extractor* unestimable. It not only cures quicker, but gives no additional pain, nor leaves a scar. Fire is positively rendered harmless. (\$10 has been offered six months to any person returning an empty box, & saying that all agony on anointing is not extracted in a few minutes, yet not one from thousands of trials since has claimed the bonus.) Parents anxious to guard against general injuries and save money, time, torture and life, and prevent their offspring from being disfigured by burns, or even small pox pustules, (it possessing the enviable power to replace the cellular organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, & one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of hurts, its rapid, soothing effect are alike important; even sore eyes, all inflammation and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples, removing chaps, &c. will find it indispensable. Once using only will forever establish it the sovereign *Heal all* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

Entered according to Act of Congress, A. D. 1841 by *Comstock & Co.*, in the Clerk's Office of the District Court of the United States for the Southern District of New York.

**FRAUDS BEGINNING** upon *Dalley's Magical Pain Extractor*, render it **ABSOLUTELY** necessary that the name of **COMSTOCK & CO.** be found on every package:—for the use of a counterfeit might ruin one. Do not forget to look for that name, and avoid it as you would poison, if **COMSTOCK & CO.'S FAC-SIMILE** is not on it. We are obliged to be on our guard against villainy in all places.

**CONSUMPTION**  
**And Liver Complaint.**

**Dr. Taylor's Balsam of Liverwort,**  
FROM 375 BOWERY, NEW YORK,

FOR the cure of coughs, colds, asthma, whooping cough, catarrh, pains in the side and breast, bronchitis, liver complaints, and all those affections of the throat and lungs, which are a source of so much suffering and so often terminate in consumption, this remedy is justly and highly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety as well as utility. So extensively has it been used and so often proved successful, even in extreme and apparently almost hopeless cases, not only as a palliative but as a remedy, that the Proprietor feels no hesitation in introducing it, and recommending it to all who unfortunately may have occasion to resort to some means of recovery. Physicians, familiar with its effects and aware of the healing properties of this vegetable preparation, not unfrequently prescribe it in their practice; and with the Medical Faculty generally, it has met with more than ordinary approbation.

**CONSUMPTION.**—The following remarks were taken from the last number of the Medical Magazine:  
"The surprising effect produced by the genuine Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by Capt. Scott, of Elizabeth City, N. C.  
"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the lungs, accompanied with cough and raising matter and blood, together with some pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of Dr. Perkins, to try Taylor's Balsam of Liverwort; and with great pleasure take this opportunity of testifying to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was so far recovered as to be able to get about; since which time, by continued use of it, I am quite restored and able to attend to my usual business. To persons suffering from coughs and affections of the lungs I can earnestly recommend it. (Signed.)  
**JAS. C. SCOTT.**

**Consumption cured!**—Being of a studious habit, I became afflicted some years since, with bronchitis, tickling in the throat, slight cough, and other consumptive symptoms. Every new cold increased my disease, until it settled into regular confirmed consumption. I now commenced the use of Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, and this medicine gave me relief in a short time. It has since effected a radical cure. **Rev. G. W. CANDA.**
