

Astonishing.

AMONG the thousand Medicines advertised as "certain cures for pulmonary complaints,"

Jayne's Expectorant

Stands alone. Its path to public confidence has been paved, not with puffs, but CURE; and the vouchers for its efficacy include an array of names which, for character and respectability, cannot be surpassed in this country. Dr. JAYNE, being himself a physician, does not profess to perform physical impossibilities; but he does assert, and he is borne out by well authenticated facts, that in all DISEASES OF THE LUNGS AND CHEST, which are susceptible of cure without miraculous interference, his EXPECTORANT will restore the patient to health. No other medicine will remove mucus or pus from the throat so thoroughly as this. It effectually loosens the coagulated masses from the membrane which lines the trachea, and at every cough the patient will bring up portions of the disengaged matter. IN ALL COMPLAINTS OF THE PULMONARY ORGANS, even where nature seems to be making no effort to throw off the disease, JAYNE'S EXPECTORANT imparts vigor to the machinery of respiration, and enables them to disencumber themselves of the obstructions which had impeded their free operation. It has restored hundreds to perfect health, after their physicians had given them up as incurable, with CONSUMPTION, Coughs, Colds, Asthma, Influenza, Bronchitis, Hooping Cough, Spitting Blood, in a word, all diseases of a PULMONARY nature yield to this preparation, if properly administered.

Rev. J. S. Maginnis, Professor in Hamilton, (N.Y.) Literary and Theological Seminary, says: "I would not be without Dr. Jayne's medicines in my family for any consideration. I have found them successful in cases where all other means have failed."

Mr. Nicholas Harris, corner of Front and Lombard streets, Philadelphia, was cured of Cough, Asthma, and Bleeding of the Lungs, under which he labored for many years.

Rev. I. M. Allen, late of this, but now of New York city, says: "I have used Jayne's Expectorant, and have more confidence in it than all other medicines of the kind."

Rev. Wm. Laws, Modestown, Va., says: "I have used your Expectorant, and found it an excellent medicine for Pulmonary diseases."

Mr. John Beckford, of Eastport, Maine, says: "Your Expectorant has just cured a man whom his physician had given up to die with Consumption; and also another, in the very lowest stages of Bronchitis."

Messrs. Slosson & Williams, Booksellers, Owego, N. Y. say: "Your Expectorant gives universal satisfaction."

Rev. John Ellis, of New York city, says that two bottles cured him of Influenza, a hard Cough and apparent Consumption.

Mr. Adrial Ely, of Watertown, N. Y. says: "Many respectable people offer certificates in favor of your Expectorant. I believe that all your medicines are the best preparations that have ever been offered to the public, for the relief of the afflicted and the Cure of Diseases."

Daniel Henshaw, Esq. Editor of the Lynn (Mass) Record, says: "Jayne's Expectorant is a very valuable syrup, which we have lately used with good effect in stopping a Cough and loosening and breaking up a Cold."

Rev. Arthur D. Bradford, of Darlington, Pa. says that it cured his son of Croup in a few minutes.

The Bangor (Me.) Journal says: A trial of Jayne's Expectorant will satisfy all that it is a speedy cure for Coughs, Colds, Influenza, Asthma, Hoarseness, and all kinds of Pulmonary Affections."

Mr. Ebenezer Webster, of Providence, (R. I.) was cured of a severe Asthma by using five bottles.

Rev. Simeon Siegfried was cured of Influenza, a Hoarseness, and a hard dry Cough, by one bottle.

Rev. Dr. Babcock, of Poughkeepsie, says that knowing Dr. Jayne to be a regular physician, and having used his medicines personally and in his family, does not hesitate to commend them as safe and eminently useful medicines, and a valuable addition to our materia medica.

Rev. John Segur, of Lambertville, New Jersey, who was suffering with a hoarseness and soreness of the lungs and throat, and a suffocating Asthma, was cured by one bottle.

Mr. J. L. Simpkins says that it cured his wife of Consumption, and one of his children of Hooping Cough.

The Proprietor could add hundreds of other names equally respectable, who recommend JAYNE'S EXPECTORANT, as superior to all other medicines for the cure of all the various Pulmonary diseases.

Evans' Camomile Pills.

THE camomile flower, (or as it is officially called, ANTHEMIS VULGARIS, or Chamomelum, from the Greek words, Kamati, on the ground, and Melon, an apple; because it grows on the ground, and smells like an apple,) is of a dull white color, of fragrant odor, and of a bitter aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborative to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated, Dr. Evans' Tonic Pills.

The powers of Evans' Camomile Pills are such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning sun. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite, distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, desponding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835.

Evans' Family Aperient Pills

Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood, viz:

Consumption, Coughs, and Colds,
Nervous diseases, liver complaint, dyspepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irritability, nervous weakness, fluor albus, seminal weakness, indigestion, loss of appetite, heartburn, general debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, sea-sickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, Gout, will find relief from their sufferings, by a course of Dr. Evans' medicines.

CONSUMPTION And Liver Complaint.

Dr. Taylor's Balsam of Liverwort,
FROM 375 BOWERY, NEW YORK,
FOR the cure of coughs, colds, asthma, whooping cough, catarrh, pains in the side and breast, bronchitis, liver complaints, and all those affections of the throat and lungs, which are a source of so much suffering and so often terminate in consumption, this remedy is justly and highly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety as well as utility. So extensively has it been used and so often proved successful, even in extreme and apparently almost hopeless cases, not only as a palliative but as a remedy, that the Proprietor feels no hesitancy in introducing it, and recommending it to all who unfortunately may have occasion to resort to some means of recovery. Physicians, familiar with its effects and aware of the healing properties of this vegetable preparation, not infrequently prescribe it in their practice; and with the Medical Faculty generally, it has met with more than ordinary approbation.

CONSUMPTION.—The following remarks were taken from the last number of the Medical Magazine:

"The surprising effect produced by the genuine Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by Capt. Scott, of Elizabeth City, N. C.

"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the lungs, accompanied with cough and raising matter and blood, together with some pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of Dr. Perkins, to try Taylor's Balsam of Liverwort; and with great pleasure take this opportunity of testifying to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was so far recovered as to be able to get about; since which time, by continued use of it, I am quite restored and able to attend to my usual business. To persons suffering from coughs and affections of the lungs I can earnestly recommend it. (Signed.)
JAS. C. SCOTT.

Consumption cured!—Being of a studious habit, I became afflicted some years since, with bronchitis, tickling in the throat, slight cough, and other consumptive symptoms. Every new cold increased my disease, until it settled into regular confirmed consumption. I now commenced the use of Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, and this medicine gave me relief in a short time. It has since effected a radical cure. Rev. G. W. CANDA.

Doctor Wm. EVANS' SOOTHING SYRUP

For children Teething,
PREPARED BY HIMSELF.
To Mothers and Nurses.

THE passage of the Teeth through the gums produces troublesome and dangerous symptoms. It is known by mothers that there is great irritation in the mouth and gums during this process. The gums swell, the secretion of saliva is increased, the child is seized with frequent and sudden fits of crying, watchings, starting in the sleep, and spasms of peculiar parts, the child shrieks with extreme violence, and thrusts its fingers into its mouth. If these precursory symptoms are not speedily alleviated, spasmodic convulsions universally supervene, and soon cause the dissolution of the infant. If mothers who have their little babes afflicted with these distressing symptoms, would apply Dr. William Evans' Celebrated Soothing Syrup, which has preserved hundreds of infants when thought past recovery, from being suddenly attacked with that fatal malady, convulsions.

Goelcke's Matchless Sanative, for the cure of Consumption in its various stages. It is astonishing the world with its mighty victory over many fearful diseases, which have been pronounced INCURABLE by physicians in every age, being the most valuable medicine, and the most unaccountable in its operations of any ever prepared by human hands; a medicine obtained EQUALLY from the animal, mineral and vegetable kingdoms, thus possessing a

THREE-FOLD POWER.

Gray's invaluable Patent Ointment, for the cure of white swellings, scrofulous and other tumours, ulcers, sore legs, old and fresh wounds, sprains and bruises, swellings & inflammations, scalds and burns, scald head, women's sore breast, rheumatic pains, tetters, eruptions, chilblains, whitlows, bites, piles, corns, and external diseases generally.

Fuller's Ethereal tooth-ache Elixir, prepared from the recipe of the celebrated Dr. Blake, of London, adopted and recommended by the London Medical Society in 1839. It is believed to be the best compound for the tooth ache ever invented, and able to cure it in all cases except when connected with a rheumatic affection.

Bullard's Oil Soap, for cleansing coat collars, woollen, linen, and cotton goods, from spots occasioned by grease, paint, tar, varnish, & oils of every description, without injury to the finest goods. It also possesses very healing and penetrating qualities, and is used with perfect safety for bathing various external complaints, upon man or beast. It is the best remedy, if thoroughly used, for sprains, chilblains, poisons, scalds, burns, sore lips, chapped or cracked hands, cutaneous eruptions, or pimples, that is known. For places chafed by the harness or saddle, sprained shoulders, scratches, &c. on horses, there is no composition that exceeds this.
