Stop the Swindler.

ON Friday, 20th inst., a man calling himself JAMES or WM. BROWN came to my house and exchanged horses. It now appears his horse was borrowed, and belonged to another person. I have been informed he took the Conetoe road as he was seen on that day about ten miles below Tarboro'. The horse he got from me, is a small well built bay horse, about 3 years old, both hind feet white and a white stripe in his forehead—he was recently bit in several places by another horse, and his eyes are affected. Brown is an Irishman, about 5 feet 3 or 4 inches high, 38 or 40 years old, light built, and fair complexion. He had on a straw hat, dark brown homespun coat and pantaloons, and an old black silk vest. The above reward will be paid for the apprehension of the Swindler, and the horse, if delivered to me or confined so that they can be got at, or \$10 for either of them.

HENRY SHURLEY.
Sept. 27, 1844. 39-3

I have since understood, that Brown purchased a new wool hat in Tarboro', and left his straw hat there—he also rode a saddle belonging to James Pitt, with brass stirrups, the seat out, pommel defaced by the biting of a horse, marks of horse's teeth on one of the skirts, and the hind part of the saddle tree broke off. JAYNE'S Carminative Balsam.
IS a certain, safe and effectual remedy for dysentery, diarrhoea, or looseness, cholera morbus, SUMMER COMPLAINT, colic, griping pains, sour stomach, sick and nervous head-ach, heartburn, waterbrash pain or sickness of the stomach, vomiting, spitting up of food after eating, and also where it passes through the body unchanged, want of appetite, restlessness and inability to sleep, wind in the stomach and bowels, hysterics, cramp, nervous tremors and twitches, sea sickness, faintings, melancholy and lowness of spirits, fretting and crying of infants, and for all BOWEL AFFECTIONS & NERVOUS DISEASES.
This is one of the most efficient, pleasant, and safe compositions ever offered to the public for the cure of the various derangements of the STOMACH and BOWELS, and the only article worthy of the least confidence for curing CHOLERA INFANTUM or SUMMER COMPLAINT; and in all the above diseases it really acts like a charm.
All persons are requested to try it, for without exception it is the most valuable family medicine ever yet discovered. Hundreds, nay, thousands, of certificates have been received from physicians, clergymen, and families of the first respectability, bearing the strongest testimony in its favor, too numerous to publish.

Dr. D. Jayne.—Dear Sir, having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaint for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.
JONATHAN GOING, D. D.
President of Granville College, Ohio.
From the Rev. Asa Shinn, of the Protestant Methodist Church.
The undersigned having been afflicted during the past winter with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of Dr. D. Jayne's CARMINATIVE BALSAM. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr. D. Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels.
A. SHINN.
Allegheny city, July 16th, 1843.
From the Rev. Dr. Bacon.
From a long acquaintance with Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as bowel affections of children, colic, cramps, looseness, dyspeptic disorders of the stomach, coughs, and affections of the breast, together with all those diseases attended with sourness of the stomach; and believe that physicians will often find it a useful remedy in their hands, and one that is proper for domestic use, and can be put into the hands of persons at large with perfect safety.
