

FOR PRESIDENT,
LEWIS CASS, of Michigan.
FOR VICE PRESIDENT,
WM. O. BUTLER, of Kentucky.
FOR ELECTOR, SECOND DISTRICT,
ASA BIGGS, of Martin county.
Election on Thursday, 1st Nov.

FOR GOVERNOR,
DAVID S. REID, of Rockingham.

TARBOROUGH:
SATURDAY, JULY 22, 1848.

The citizens of the County are requested to meet in Tarboro' on Tuesday the 1st of August next, to make arrangements for the reception of our Volunteers from Mexico.

The Volunteers are early expected, and Edgecombe County is prepared to a man to give a hearty welcome to her brave sons. All that is necessary is to select the time and place.

Our Volunteers.
A letter has been received in this place from one of our Volunteers, stating that the two Edgecombe companies were to leave the Brazos on the 5th inst. and expected to arrive at Old Point Comfort on the 25th. We also find the following in the Wilmington Journal:—

The North Carolina Regiment.—We learn from the "New Orleans Picayune," of the 4th inst., that the transport Schooner Maj. Barbour, brought over from the Brazos three companies of the North Carolina Regiment, (companies C, D and F.) with the following officers: Col. Paine, Capt. Area and Constable, 1st Lieut. D. S. Johnson, and 2d Lieuts. Wiley, Mitchell, Jones, Blackwelder and Nicholle.

The transport schooner Maj. Bache has brought over companies J and K of this regiment, under the command of Capt. Kirkpatrick.

The Schooner Capt. Page brought over company H, and a detachment of the same regiment.

All the above left the Brazos on the 28th, and arrived in the river on Sunday, the 2nd inst.

A very respectable whig of this county, and who is very desirous of supporting the whig nominations, has addressed a letter to the Hon. Millard Filmore, requesting his sentiments on the "Wilmot Proviso."

We commend the laudable spirit of our whig, who is seeking information on this all-important subject. But we predict he will get no satisfactory answer from the nominees of a party who give out no principles themselves and ask none of its candidates, on a subject so vitally interesting to the Union.

Rare Attraction.

We would call the attention of the reader to the advertisement respecting the "Great Zoological Exhibition," which is to be here in a few days. It is spoken of in the highest terms by spectators who have witnessed it in other places, and can hardly fail to amply remunerate those who may devote a little time and expense to its inspection.

Interesting Foreign News.

The reader will find on our first page some details of the terrific scenes which have recently occurred in Paris. Happily, however, the friends of liberty need not yet "despair of the republic," which has stood unscathed this terrific shock. The following are some additional particulars:—

were taken; and a commission has been appointed to try those who were arrested under arms.

The insurgents—and especially the women—had treated those who fell into their hands with the most cruel barbarity. The hands and feet of some were cut off, and others tortured in every conceivable manner.

The loss of life in this affair has been tremendous, and is estimated at between eight and fourteen thousand. Six deputies and fourteen general officers lost their lives in the struggle. The Archbishop of Paris was ruthlessly shot down while approaching the insurgents, in an endeavor to restore peace.

Congress.
Both Houses are rapidly disposing of the business before them, in reference to a speedy adjournment.

From Mexico.—The New Orleans Delta of 2d of July, has news of the attempt of Paredes at revolution. He had collected a force of rabble some 800 strong, and taken possession of a large town. He issued a proclamation denouncing the Government for having sold half of the Republic for a contemptible sum. Government troops were advancing upon him from several directions—among them a regiment of American deserters, from whose valor much was expected. The next news may give the result.

The Mexican government had afforded some aid to Yucatan by advancing \$30,000 and some munitions of war.

Petersburg Market, July 14.
Cotton.—The stock is very light, and sales are easily made at 6 a 6 1/2.

Corn.—The demand is confined to the wants of the Town, and sales are making at 45 a 46c.

Bacon.—The supply of good Virginia cured Bacon is very small and the article continues to advance. A prime article for family use would bring 7 1/2 cts. Western is also higher. Shoulders, 4 1/2 a 5 cts. Sides 5 1/2 a 5 3/4.

Lard.—Prime Virginia is very scarce, and would bring 9 a 9 1/2 cts.

Washington Market, July 19.
Bacon, 6 a 7 cts; Lard, 8 a 8 1/2; Corn \$2 00; Peas, 45 a 50 cts.
Naval Stores.—Turpentine, \$1 90 a 2 00; scrape, 90 a 95; tar, 1 30 a 1 40.

Fevers, Agues, are really bilious affections, and curable by purging with **Brandreth's Pills.**

And good nursing. Read the directions in Dr. Brandreth's pamphlet, which may be had gratis from the Agent for Brandreth's Pills. No disease can be received unless our blood is in the requisite state of impurity; it is so in all cases, the principle is universal; for even the water must be adapted to the nature of the fish, or there will be no propagation of the species. The soil must be adapted to the seed, or there will be no increase.

Reprieves under the gallows are generally hailed with satisfaction, and the same may be said of

Brandreth's Pills, which beyond all doubt has reprieved many from almost equally sure deaths by lung-complaints. Mr. Fowle, the general agent, who deals in the article largely, sent us the following note, which he has just received in the way of his business.

Chronotype.
Be exceedingly afraid of COUNTERFEIT PILLS. The Agent is the only person from whom Brandreth's Pills should be purchased.

Mr. S. W. Fowle—Dear Sir: I am nearly out of the Balsam of Wild Cherry. You may forward, if you please, two or three dozens more. The medicine gives better satisfaction here in pulmonary complaints than any other that I have kept. I have tried it with perfect satisfaction upon myself—having been troubled with a severe cough for more than a year, and having profuse night sweats for the last month. I had tried various popular remedies without material benefit—at length I tried

Dr. Wistar's Balsam of Wild Cherry, and before I had finished the first bottle I found great relief. Two bottles have wrought a cure. Yours, respectfully,
HUBBARD HASTINGS.

None genuine, unless signed I. BUTT on the wrapper.

For sale by **Dr. A. H. Macnair,** Agent for Tarboro', and by dealers in medicine generally.

Everybody praises Jayne's Hair Tonic, and for the best reason in the world, because it is the only hope that the bald-headed can have of once more regaining the full flowing locks of hair, with which nature adorned their heads in youth, which it does to the admiration of all who use it as directed. Try it, all of you who need more or handsomer hair. It is the very thing for you.

Worms! Worms! Worms!—To remove those troublesome and dangerous inhabitants of the stomach and bowels, which so often impair the health and destroy the lives of children, use Jayne's Tonic Vermifuge, a certain and safe preparation for the removal of the various kinds of worms, dyspepsia, sour stomach, want of appetite, infantile fever and ague, and debility of the stomach and bowels and organs of digestion. It is without exception one of the most valuable preparations in the world.

Hear Dr. Higby's opinion.—Dr. L. J. Higby, Milwaukee, W. T., Nov., 1815, writes to Dr. Jayne, and says, Your Carmine Balsam, Hair Dye, and Hair Tonic, all go well, and the Balsam goes finely. It has saved many lives this season. I had to get twice supplied from New York in September last. I shall want of you at least 200 bottles. I have on sale, and have seen tried many of the "crack articles" for this Bilious Diarrhoea, which we are subject to; and of all, yours is invaluable. I could get \$5 per bottle for it, if it could not be had for less, and any quantity of certificates of the strongest kind. These Diarrhoeas are the worst diseases we have here, and your Balsam is the only thing that cures them.

DIED.
At the residence of her husband, **The Cottage,** Pitt county, on the morning of the Sabbath, 16th instant, **Margaret Eli-**

za, wife of Henry I. Toole, Esquire, aged 36 years.

Her health, feeble for many years, was during the last year beyond hope. She died of cancer of the breast.

The deceased lived for a short time a resident of this community, and was known among her associates here for her unobtrusive piety.

Such events are always afflictive, and we have reason to know that in this instance the bereavement has fallen with peculiar poignancy upon her surviving husband. Married in childhood, they had lived and loved together for many years.

Mrs. Toole was a member of the Episcopal Church, and died perfectly sustained by the firmness of her faith. Her body rests in her ancestral earth, and her spirit rests with God.—*Com.*

Asthma cured by Jayne's Expectorant.

Lambertville, N. J. April 27, 1844.
Dr. Jayne—Dear Sir—By the blessing of God, your Expectorant has effected a cure in me of a most distressing complaint. In December last, I was seized with great severity with a paroxysm of Asthma; a disease with which I had been afflicted for many years past. It was attended with a shortness and soreness of the lungs and coughes together with a laborious cough, and complete prostration of strength, and worn out with suffocation, when a bottle of your Expectorant was sent to my house. At first I thought it was nothing but quackery, but seeing it was so highly recommended by Dr. Geing, with whom I was well acquainted, I was induced to try it, and in a few days it completely cured me, nor have I ever had any return of the disease since. I have now formed so high an opinion of your medicine, that if I had but a few bottles of it, and could obtain no more, I would not part with them for ten dollars each.

Yours, most respectfully,
JOHN SEGER,
Pastor of the Baptist church at Lambertville, N. J.

No excuse for a Bald head.

From the Somerville, N. J. Whig.
Sometime since I called upon Mr. P. Mason, of Somerville, for Dr. Jayne's celebrated Hair Tonic, to restore my hair, which was then falling out daily. I procured one bottle, and applied its contents according to the directions. When the bottle was exhausted, I discovered to my great surprise and satisfaction, that the young hair was starting handsomely; I therefore purchased another, and so on till I had used three bottles, and now, as a compensation, my hair is as thick as ever.

And what is more surprising, my baldness was not occasioned by sickness, in which case there is a greater hope of restoration—but was hereditary.

Raymond & Waring's
GREAT ZOOLOGICAL EXHIBITION,
FROM THE
CITY OF NEW YORK.

GRAND CAVALCADE.

ON ENTERING EACH PLACE OF EXHIBITION THE MENAGERIE WILL BE PRECEDED BY THE GRAND AND NOVEL SPECTACLE OF AN ELEGANT

MUSIC CHARIOT,

Drawn by Eight Grey Horses,

OF the largest size containing a **BAND OF MUSICIANS,** who will enliven the scene by executing a variety of favorite pieces of music.

—*—

MR. JOHN SHAFFER, the daring *Lion Tamer,* and his equally intrepid **LADY,** will enter the cage with Lions, Tigers, Leopards and Panthers. He will drive a large African Lion harnessed to a Car, and will by various graceful and daring feats show his complete control over animals usually deemed of the most savage disposition.

Will be Exhibited at *Nashville,* Monday, August 7; *Rocky Mount,* Tuesday, 8; *Tarboro',* Wednesday, 9, from 1 to 4 o'clock P. M.

Admission 50 cents; Children under ten years of age, and servants, half price.

RAYMOND & WARING would announce to the citizens of the South that they will now have an opportunity of seeing the celebrated

JOHN SHAFFER & LADY.

He has been styled by critics the "Lion King," as he has exposed his life heretofore in subduing the largest and most terrible Lion ever caught; this animal is at present in his possession, and has repeatedly saved his life when exercising the other beasts in the performing cage. His feats have been beheld by millions; he actually *Drives a Wild Lion,* harnessed to a car, thus showing the supreme majesty of man above the brute.

The *Wild Tenants of the Forest,* from the huge and docile Elephant, the majestic Lion of unexplored Africa, the fierce Tiger of the Beagal jungles, the beautiful Leopard, the playful but ferocious Bear, gentle Gazelle, the useful and patient Camel, the curiously striped Zebra, the grave robbing Hyena, the stealthy Panther, the savage Wolf, the cunning Fox, down through the lesser grades, are here beheld with perfect safety, true to their nature at times, but perfectly subject to the control of man, the lord of creation.

Fowls of the Air and Reptiles, the most beautiful, rare, varied and dangerous of their species, are also comprised in this valuable collection; description is powerless and space too limited to admit it. Suffice it to say that the proprietors are of the oldest standing and highest celebrity, and have devoted years of toil and expense to the present collection, which is pronounced in Europe and America, *perfectly unparalleled.*

The moral and useful purposes which an exhibition like this can serve, are perceived by all, and acknowledged by all moralists; the exhibition serves to entertain and instruct all in the wondrous works of the Supreme Being, and is particularly impressive on the minds of youth.

Particular reference is given to the Mammoth Bills, Posters and Lithographs in the principal Hotels.

The whole Menagerie, on entering each town preceded by the Car, containing the **New York Brass Band,** will form a Grand Procession of twenty carriages, containing the various animals, and drawn by seventy-five horses.

Notice.

THE Firm of Deeman & Belcher, at Pillsboro' Pitt County, N. C. was dissolved on the 10th inst. by mutual consent. Those indebted to the said Firm will please come forward and make a settlement,—and creditors are requested to present their claims for adjustment.

LEWIS BELCHER.
