Jayne's Medicines.

Scrofula and Scrofulous Swellings.

Scrofula in all its multiplied forms, whether in that of Kings evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected; but if the principle upon which the disease depends is removed, a cure must of necessity follow, no matter what form the disease should manifest itself. This, therefore, is the reason why Jayne's Alternative is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering fibre, removing every particle of disease from the system.

No Apology for Wearing a Wig.

Haddonfield, N. J. Feb. 2d, 1839.

Dr. Jayne: Sir—I take great pleasure in informing you that the bottle of Hair Tonic which I obtained of you last October, has proved most satisfactory and successful. My hair had for a long time been exceedingly thin, but for two or three years past it had so fallen out that my head had become almost entirely bald. I was under the necessity of concealing the baldness by combing the hair on the sides over it. But now, after using a bottle of the Tonic, I have as luxuriant a growth of hair as I ever had.

An unequalled Remedy

1. For colds and feverish feelings and preventing Fevers. 2d. For asthma, liver complaint and bilious affections. 3d. For diarrhoea, indigestion and loss of appetite. 4th. For constiveness in females and males. 5th. For stomach affections, dyspepsia and piles. The great points are, it is not bad to take, never gives pain, and never leaves one costive!! For all these things it is warranted unequalled, and all who do not find it so may return the bottle and get their money back. This medicine is LONGLEYS

Western Indian Panacea.

We assert there is no family medicine of half its virtues, and none that will so delight the users of it, and to convince all that these are facts, we offer as above. Try it without price, if you are not charmed by its effects. Fuller descriptions and an Almanac for 1848 gratis, with the agents for the county. (See below.)

The Human Hair

Is admitted by civilized as well as barbarous nations to be when full, flowing and perfect, the greatest ornament, and when imperfect or wanting the greatest disadvantage to the personal appearance of male or female. That it is a duty to preserve and beautify it, all will admit. This article has been for more than 20 years used extensively. It has the testimony of many of the most respectable citizens in this country, who certify to the fact that the

BALM OF COLUMBIA

First, in all cases stops the hair falling out or restores it in most if fallen, and in all cases it lost by sickness; and keeps off dandruff and scurf on infants and adults. Second, perfumes the hair and preserves it to old age from turning gray. Should always be used at bedtime. Third, gives great vigor and rapid growth to the hair, and causes it to curl beautifully. Lastly, prevents all itch or its consequence on children's heads, and exceeds all other articles for the hair in quality, quantity and cheapness. Many articles have been started on the reputation of this, and are without merit though they have been and are sold at double the prices of this balm.

The piles, all sores, rheumatism, &c.

Hays' Lintment

Is an article more justly celebrated as a cure for the above, than any or all others. The cases of cure are almost innumerable, and it is only necessary to let those who know the article and have used it with such great success, know that it is to be had true and genuine. (For there are counterfeiters) of Dr. Lucius Comstock, 21 Cortlandt st. New York, and so of the rest of the articles here named.

To the halt and lame—Dr. Hewes' nerve and bone liniment is the most effectual cure for rheumatism and contracted cords and muscles.

The gray haired will find the Indian Hair Dye perfect and effectual.

For worms—Kohn's Vermifuge—not Fehnestock's—will eradicate and cure a children and adults who have worms. Caution. Beware of all unless the name is spelled Kohn's, the old Dutch name of the inventor.

Sold wholesale by Comstock & Co. 21 Cortlandt st. New York—by Geo. Howard, Tarboro'. M. Weston, Gaston—F. S. Marshall, Halifax—Bennett & Hyman, Hamilton—F. W. Moore, Williamston—and by one person in every village in the United States and Canada. Nov. 9.

Effect of the Steamer's News—The advices by the America have rather depressed the market for breadstuffs, and lower prices will now be taken than would have been prior to the news. Corn is also less firm, but the light supply prevents operations. The general tenor of the news, in a commercial point of view, is not favorable to the maintenance of present prices, either of flour, grain or cotton.
