vs.
Henry L. Irwin.
Petition for partition and sale of real estate.

IT appearing to the satisfaction of the Court, that the defendant Henry L. Irwin resides beyond the limits of this State: It is ordered, that publication be made in the Tarboro' Press for six weeks successively, notifying the said Henry to be and appear at the next term of the Court of Equity to be held for said County, at the Court House in Tarboro' on the second Monday in September next, then and there to plead, answer or demur to said petition, otherwise the same will be heard *ex parte*, and the prayer of the petitioners be granted.

Witness, Kenelm H. Lewis, Clerk and Master of said Court, at office, the second Monday of March, A. D. 1849.

KENELM H. LEWIS, C. M. E.

An unequalled Remedy

1. ST. for colds and feverish feelings and preventing Fevers. 2nd. For asthma, liver complaint and bilious affections. 3d. For diarrhoea, indigestion and loss of appetite. 4th. For costiveness in females and males. 5th. For stomach affections, dyspepsia and piles. The great joints are, it is not bad to take, never gives pain, and never leaves one costive!! For all these things it is warranted unequalled, and all who do not find it so may return the bottle and get their money back. This medicine is **LONGLEY'S**

Western Indian Panacea.

We assert there is no family medicine of half its virtues, and none that will so delight the users of it, and to convince all that these are facts, we offer as above. Try it without price, if you are not charmed by its effects. Fuller descriptions and an Almanac for 1848 gratis, with the agents for the county. (See below.)

The Human Hair

Is admitted by civilized as well as barbarous nations to be when full, flowing and perfect, the greatest ornament, and when imperfect or wanting the greatest disadvantage to the personal appearance of male or female. That it is a duty to preserve and beautify it, all will admit. This article has been for more than 20 years used extensively. It has the testimony of many of the most respectable citizens in this country, who certify to the fact that the

BALM OF COLUMBIA

First, in all cases stops the hair falling out or restores it in most if fallen, and in all cases if lost by sickness; and keeps off dandruff and scurf on infants and adults. Second, perfumes the hair and preserves it to old age from turning gray. Should always be used at toilette. Third, gives great vigor and rapid growth to the hair, and causes it to curl beautifully. Lastly, prevents all filth or its co-sequence on children's heads, and exceeds all other articles for the hair in quality, quantity and cheapness. Many articles have been started on the reputation of this, and are without merit though they have been and are sold at double the prices of this balm.

The piles, all sores, rheumatism, &c.

Hays' Liniment

Is an article more justly celebrated as a cure for the above, than any or all others. The cases of cure are almost innumerable, and it is only necessary to let those who know the article and have used it with such great success, know that it is to be had true and genuine, (for there are counterfeiters) of Dr. Lucius Comstock, 21 Cortlandt st. New York, and so of the rest of the articles here named.

To the halt and lame—Dr. Hewes' nerve and bone liniment is the most effectual cure for rheumatism and contracted cords and muscles.

For worms—Kolmstock's Vermifuge—not Fubnestock's—will eradicate and cure a children and adults who have worms. Caution. Beware of all unless the name is spelled Kolmstock's, the old Dutch name of the inventor.

Sold wholesale by Comstock & Co. 21 Cortlandt st. New York—by Geo. Howard, Tarboro'—M. Wesson, Gaston—F. S. Marshall, Halifax—Bennett & Hyman, Hamilton—F. W. Moore, Williamston—and by one person in every village in the United States and Canada. Nov. 9.

Brandreth's Pills.

NO CHANGES in the weather will materially affect the body if the blood is pure. Every individual, the most diseased, has within him a germ or root of that original pure blood of our common mother Eve; which germ of pure blood is the supporter of his life, and is in constant struggle to throw off the heterogeneous, corrupt humors, which are the causes of disease in the individual. By purging the body of this diseased individual of its bad humors, you allow the germ of pure blood to gain ground and to make blood of a better quality, and so on progressively till the whole mass is regenerated; for the good principle or good pure blood, is always striving to be predominant over the bad or diseased humors. Let all who wish to be of a fine healthy habit; who wish to have a sound mind in a sound body; who desire to be able to stand without injury the continual changes of this climate; who desire to have healthy children, use the **Brandreth Pills**, which will effectually cleanse the blood of all bad or corrupt humors, and restore the human body to the state of health enjoyed before the introduction of mineral medicines. Remember **Brandreth Pills** place within the reach of all health and long life. Trust to

Brandreth's Pills take them so as to produce a brisk effect, and your sickness will be the affair of a day or two, while those who are too wise to follow this common sense advice, will be sick for months. Let the sick enquire of the agents for **Brandreth's Pills** whether these things are so or not. Let them enquire among their friends and ask the same question. Verily if Evidence is wanted it shall be procured. To the sick, let me say, use the

Brandreth's Pills.
Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as he has been by disease, infirmities, and suffering, which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the worst complaints are removed by perseverance without the expense of a physician. Adapted to all circumstances and situations, they are the best medicines ever invented for families or to take to sea, preventing scurvy and costiveness, requiring no change of diet, particular regimen, or care against taking cold.

N. B. There is no surety that you get the genuine **Brandreth Pills** unless you purchase of the duly authorized Agent.

MITCHELL'S EYE SALVE.

To the Public

THE concurrent testimony of men of integrity and worth is the best evidence we can have of any fact of which we have no cognizance ourselves. The great advantages possessed by this article over every other, are—its CERTAINTY, SAFETY, CONVENIENCE and ECONOMY. All physicians admit that great danger is to be apprehended from drugging the eye when in an inflamed and unhealthy state. In the use of this salve this objection is entirely removed, as no harm can possibly result from its use: it being in all cases applied to the EXTERNAL portions of the eye, thereby avoiding all the inconvenience, pain and danger, which necessarily attend the introduction of any pungent article into the eye. Its activity in subduing inflammation is so great that but few cases require the use of more than one bottle to effect a perfect cure. One physician remarked to us, after having witnessed its effects in several instances, that it was a "PERFECT FIRE KILLER." We might multiply reasons why this salve should be preferred above every thing else in the treatment of diseases of the eye, but we prefer it should stand on its own merits. All we ask is that its virtues be thoroughly tested, and that the directions be strictly followed.

Every bottle of the genuine salve has the name **MITCHELL'S EYE SALVE,** blown in the sides of the bottle, and the written signature of the proprietor, **D. MITCHELL,** on the outside wrapper. **D. MITCHELL.**
