THE undersigned, successors to **Battle & Brother**, in the above property, have associated themselves together under the title of

BATTLE & CO.

They have been at great expense in enlarging the operations of this establishment and in the purchase of new machinery, and feel warranted in saying, that they can now make as good an article of

as can be manufactured any where in the U. States, and are determined to sell at as

low prices.

All they desire, in order to secure the trade of merchants and dealers in this part of the country, is, that they examine the quality of their Yarns, and their liberal terms, before purchasing elsewhere.

vs.

Henry L. Irwin.

Petition for partition and sale of real estate.

IT appearing to the satisfaction of the Court, that the defendant Henry L. Irwin resides beyond the limits of this State: It is ordered, that publication be made in the Tarboro' Press for six weeks successively, notifying the said Henry to be and appear at the next term of the Court of Equity to be held for said County, at the Court House in Tarboro' on the second Monday in September next, then and there to plead, answer or demur to said petition, otherwise the same will be heard ex parte, and the prayer of the petitioners be granted.

WHITE SULPHUR
AND
CHALYBEATE SPRINGS.

THE Proprietor of this establishment has the satisfaction of announcing to the public, that since the last season he has greatly enlarged and improved his buildings, so as to be able to accommodate a much larger number, and to offer still greater attractions to those who may visit this pleasant and healthful resort; no trouble or expense will be spared to render his patrons comfortable and satisfied.

The medicinal properties of the Sulphur water have been amply tested during the last eight years by a large number of visitors, and its beneficial results strikingly displayed in the cure or relief of dyspepsia, affections of the liver, jaundice, diseases of the skin, &c. Another spring has been discovered in the vicinity of the establishment, an analysis of which proves that it is a Carbonated Chalybeate, resembling the waters of Tunbridge Wells, the most celebrated of all the chalybeate waters of England. It is a mild and gentle tonic, and in the opinion of the physicians who have examined it, and witnessed its effects in some cases during the last season, must prove beneficial in atonic dyspepsia, chlorosis, uterine, nervous and neuralgic affections connected with debility, and of especial service to persons living in malarious regions of country, whose blood has been robbed of its normal proportion of iron by repeated attacks of malarial fevers.

A fine band of Music will be in attendance during the season. Persons travelling on the Raleigh and Gaston Rail Road will always find a hack ready for their accommodation at Henderson and at the Warrenton Depot. There will be a daily mail from Warrenton to the Springs.

MITCHELL'S

EYE SALVE.

To the Public.

THE concurrent testimony of men of integrity and worth is the best evidence we can have of any fact of which we have no cognizance ourselves. The great advantages possessed by this article over every other, are—its CERTAINTY, SAFETY, CONVENIENCE and ECONOMY. All physicians admit that great danger is to be apprehended from drugging the eye when in an inflamed and unhealthy state. In the use of this salve this objection is entirely removed, as no harm can possibly result from its use: it being in all cases applied to the EXTERNAL portions of the eye, thereby avoiding all the inconvenience, pain and danger, which necessarily attend the introduction of any pungent article into the eye. Its activity in subduing inflammation is so great that but few cases require the use of more than one bottle to effect a perfect cure. One physician remarked to us, after having witnessed its effects in several instances, that it was a "PERFECT FIRE KILLER." We might multiply reasons why this salve should be preferred above every thing else in the treatment of diseases of the eye, but we prefer it should stand on its own merits. All we ask is that its virtues be thoroughly tested, and that the directions be strictly followed.

Every bottle of the genuine salve has the name **MITCHELL'S EYE SALVE,** blown in the sides of the bottle, and the written signature of the proprietor, **D. MITCHELL,** on the outside wrapper. **D. MITCHELL.** Perry, Wyoming county, N. Y.

In fact, all the benefit that can accrue from a continuous counter-irritant, will be produced in the most efficient manner by them. As in rheumatism, gout, enlargement of the joints, chronic disease of the liver, spleen, lungs, or other internal organs, in short, in all other cases where warming or strengthening plasters are beneficial, these will be found to be superior to any now in use. For sale by **Geo. Howard.** February 16.
