Dr. A. GILBERT. Dear Sir: Suffering for some time with severe bilious affection and liver complaint, I was recommended to try your anti-bilious family pills; and I am pleased in being able to say, that after using a few doses I found great and permanent relief. To all those afflicted in a similar way, I cannot refrain from thus publicly recommending them, as I consider them a valuable medicine to possess, especially in the country where persons are removed from the opportunity of receiving medical advice. Yours, truly. **GEORGE BROWN.** Signed.
