Miss R. S. FAIRALL, Instructress on
Guitar, and in Vocal Music, Drawing and
Painting, Calisthenics, &c.
Other assistance as it may be necessary.

The Spring Session of 1851, (the 17th
under the present Principals.) will com-
mence on Monday the 6th of January.
The Trustees are highly gratified to be
able to announce to the public, that hereaf-
ter the undivided attention of both of the
Principals will be devoted to the interests
of this Institution. Mr. Ray having re-
linquished a profitable and successful
Male School, in order to add his personal
efforts to those of the former very efficient
corps of Teachers, in making this all that
a good Female Institution ought to be.

The Board recommend with very great
confidence, the Louisburg Female Semi-
nary to the patronage of the public. For
cheerfulness, soundness of instruction, im-
partiality, and fidelity in teaching, high-
toned Moral and religious influences, and
strictness in regulating the expenditures
of pupils, this Institution will compare
successfully with any in the State. In
point of health the Board give it as their
deliberate opinion that this village is not
surpassed by any location in the central
portion of the State, and in support of this
opinion they may add, that among the
large number of pupils from the Eastern
part of the State, there has not been a
death in the eight years during which the
Academies have been under the govern-
ment of the present Principals; and there
have been, for several years, but very few
cases of sickness requiring the attention
of a Physician; and they understand from
the most reliable sources, that for the last
four years medical bills among the pupils
have been nearly unknown, and through-
out the entire community there has been
almost uninterrupted good health.

A Circular prepared by the Principals,
setting forth in detail the government,
course of Studies, text books, prices, &c.
&c. will be issued soon, and sent on appli-
cation to all who may feel interested in
the minutiae of the School economy which
will be observed and practised here.
By order of the Board,

FOR SALE.

A Roanoke Plantation.

HAVING determined to move South,
I now offer for sale my very valuable
plantation on Roanoke River, lying seven
miles above Gaston, five miles from the
Petersburg Rail Road, and twenty one or
two miles from Warrenton. This planta-
tion is in the County of Northampton,
but within one mile of the confines of the
Counties of Warren, Halifax, and Bruns-
wick, Va. The tract consists of

2,500 Acres

including more than half of Pugh's Island,
which is clothed with the best land in the
State for the growth of Corn and Wheat.
The uplands are exceedingly well adapted
to the cultivation of Tobacco. The Resi-
dence upon this land is one of the most
beautiful and elegant, the situation being
inferior to none in its general appearance.
Only one mile from the dwelling there is
a Mineral Spring (belonging to the tract,)
and it is considered in its properties by
all those who have drank of its waters
equal with that of Shocco or Jones' White
Sulphur. I consider it useless to say more,
as those who wish to purchase will come
and examine for themselves. I am ex-
ceedingly anxious to sell, therefore feel
willing to make a considerable sacrifice.

Purify the Blood.

The best Family Medicine now before the public.

It has been computed, that during the last
twenty years, three millions of persons have
annually been benefited by the use of
these Medicines; a fact which speaks volumes
in favor of their curative properties—a single trial
will place them beyond the reach of competition in
the estimation of every patient. By their use the
blood is restored to a pure and healthy state, freed
from all impurities. The system is not reduced
during their operation, but invigorated, and they
require no restraint from business or pleasure.
The afflicted have in **Moffat's Life Pills**
and **Phenix Bitters**, a remedy that will do
for them all that medicine can possibly effect.

The genuine of these medicines are now put up
with a fine steel engraved wrapper and labels,
and copy right secured according to the laws of the
United States.
