Dudley's Anti-rheumatic Oil.
A certain and speedy Cure for Chronic Rheumatism. Spasms of the Muscles, Ligaments and Back, and for Sprains, Bruises, and Contusions.

THE history of this invaluable medicine is remarkable. It has risen into notice, and established a high and just reputation in the region of country where it has been tried, alone from the surprising and numerous cures it has effected. The Proprietor Dr. Samuel Dudley, Hospital Surgeon, on the Island of Portsmouth, North Carolina, has used it with unfeigned success, both in the hospital, and in his private practice about twenty years—During that period it has been attracting public attention, and gradually rising into general and high reputation in all that region of country, solely, by the surprising certainty of the cures it has uniformly effected. Until very recently it has never been advertised, nor have any pains been taken to extend its celebrity. Its high reputation therefore is permanent, because it is based upon surprising and unfeigned experiments alone. The Proprietor encouraged by its eminent success in cases of Chronic Rheumatism, and by the advice of his friends, and he will add, actuated by a desire to extend as far as possible the benefits of its healing properties, now taking measures to make its wonderful properties generally known. All he asks is a fair trial. It is now offered to the public in the Eastern portion of North Carolina. The Proprietor is perfectly willing to put the result of its success or failure upon its success or failure, in curing or failing to cure any case of Chronic Rheumatism, or other affection for which it is recommended.
Certificates from highly respectable sources like the following, can be multiplied to almost any extent. A few are appended.
The following has been politely furnished by that highly esteemed citizen, Col. Joshua Tayloe, of Beauf county, N. C., well known as a valuable member of our State Senate, and present Collector of the Port of Ocracoke, North Carolina:—
"At the request of Dr. Samuel Dudley of Portsmouth North Carolina, I state that some years ago one of my sons had a severe and protracted attack of Rheumatism, and by using his "Anti-Rheumatic Oil" he was relieved.
It gives me great pleasure also to say that he sides this case. I have heard of others which convince me that this oil is very valuable in cases of Rheumatism."
JOSHUA TAYLOE,
Washington, N. C. June 28, 1848.
