

PROSPECTUS FOR 1851, OF THE SOUTHERN LITERARY GAZETTE, The only Weekly Journal of its class now published South of the Potomac, and pronounced by its contemporaries, both North and South,

THE HANDSOMEST FIRE SIDE NEWSPAPER IN AMERICA, Published every Saturday, in Charleston, S. C., by

WALKER & RICHARDS,

At Two Dollars a Year, in advance.

The Gazette is now permanently established, and its steadily advancing reputation and popularity, afford evidence that such a Journal is both needed and appreciated by the Southern people. It is a paper of the larger class, containing weekly four columns more matter than the Home Journal of New York, and printed from beautiful type, on paper of the finest quality. It is conducted by Mr. WILLIAM C. RICHARDS, who is aided by Mr. D. H. JACQUES, a gentleman of high attainments and cultivated taste. Many of the entire South are regular contributors to its columns, & it has a well regulated corps of HOME AND FOREIGN CORRESPONDENTS,

through whom all intelligence of interest, in every department of

Arts, Science, Literature and Industry, is faithfully and speedily obtained. The Gazette is independent in criticism, and in the discussion of every legitimate topic, but strictly

Neutral in Politics and Religion.

It will contain well digested abstracts of foreign and domestic Intelligence, together with

REPORTS OF THE MARKET AND GENERAL PRICE CURRENT

The publishers deem it necessary to extend this Prospectus, further than to pledge themselves that the Gazette shall not be second in elegance, interest or extent of information, to any weekly family newspaper in the known world. They invoke the patronage and support of all those who desire to see the intellectual resources of the South developed, and who feel a just pride in every token of her progress. Having shown that a Southern family newspaper may be

"As Cheap as the Cheapest, and as Good as the Best."

they are willing to confide their enterprise to the patriotism and generosity of their fellow-citizens of the Southern States.

FOR SALE.

A Roanoke Plantation.

HAVING determined to move South, I now offer for sale my very valuable plantation on Roanoke River, lying seven miles above Gaston, five miles from the Petersburg Rail Road, and twenty one or two miles from Warrenton. This plantation is in the County of Northampton, but within one mile of the confines of the Counties of Warren, Halifax, and Brunswick, Va. The tract consists of

2,500 Acres

including more than half of Pugh's Island, which is classed with the best land in the State for the growth of Corn and Wheat. The uplands are exceedingly well adapted to the cultivation of Tobacco. The Residence upon this land is one of the most beautiful and elegant, the situation being inferior to none in its general appearance. Only one mile from the dwelling there is a Mineral Spring (belonging to the tract,) and it is considered in its properties by all those who have drank of its waters equal with that of Shocco or Jones' White Sulphur. I consider it useless to say more, as those who wish to purchase will come and examine for themselves. I am exceedingly anxious to sell, therefore feel willing to make a considerable sacrifice.

BENJ. A. DICKENS, Chesnut Hill, N. C. Oct. 17.

P. S. Persons wishing to purchase can learn the terms &c. by addressing me at Marianna, Florida. B. A. D.

Purify the Blood.

The best Family Medicine now before the public.

It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Mofat's Life Pills and Phenix Bitters, a remedy that will do for them all that medicine can possibly effect. The genuine of these medicines are now put up with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the United States.
