John H. Smith's Renovating Ointment and HORSE RENOVATING POWDERS.

THE author of our existence has caused to grow up spontaneously, throughout the world, such vegetable properties as will at once cure, when properly applied, all curable diseases. The proprietor of these truly valuable Medicines might fill a volume with Certificates and testimonials in favor of his articles; but, considering such puffs wholly useless, since they are so readily manufactured, and made use of to such an extent to palm off some useless trash upon the public, I shall, therefore, state at once, the various diseases that can be speedily cured by these Invaluable Horse Renovating Powders, viz:—Glanders, Hidebound, and Horse Distemper. It also carries off all gross humors, and purifies the blood. It is also a safe and certain cure for the Heaves; it will also cleanse, at once, the stomach and maw from bots, worms, &c., and again restore the stomach and bowels to healthy action.

SMITH'S RENOVATING OINTMENT

is an invaluable remedy for horses, in the cure of the following diseases: Fresh wounds, Galls, of all kinds, Sprains, Bruises, Ringbones, Poll Evil, wind Galls, Spavins, Sweeny, Fistula, Strains, Lameness, Foundered Feet, Cracks, and Scratches.

The above articles are to be had in most of the Cities and principal Villages throughout the United States, and the Canadas.

For sale, wholesale and retail, at John H. Smith's Depot, No. 123 Fulton street, (2d floor,) New York.

Price, 25 cents per box for the Ointment; 50 cents for the Horse Renovating Powders.

FOR SALE.

A Roanoke Plantation.

HAVING determined to move South, I now offer for sale my very valuable plantation on Roanoke River, lying seven miles above Gaston, five miles from the Petersburg Rail Road, and twenty one or two miles from Warrenton. This plantation is in the County of Northampton, but within one mile of the confines of the Counties of Warren, Halifax, and Brunswick, Va. The tract consists of

2,500 Acres

including more than half of Pugh's Island, which is classed with the best land in the State for the growth of Corn and Wheat. The uplands are exceedingly well adapted to the cultivation of Tobacco. The Residence upon this land is one of the most beautiful and elegant, the situation being inferior to none in its general appearance. Only one mile from the dwelling there is a Mineral Spring (belonging to the tract), and it is considered in its properties by all those who have drank of its waters equal with that of Shocco or Jones' White Sulphur. I consider it useless to say more, as those who wish to purchase will come and examine for themselves. I am exceedingly anxious to sell, therefore feel willing to make a considerable sacrifice.

Purify the Blood.

The best Family Medicine now before the public.

It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phenix Bitters, a remedy that will do for them all that medicine can possibly effect.

The genuine of these medicines are now put up with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the United States.
