

Pianos! Pianos!!

THE undersigned respectfully calls the attention of the public to the splendid, highly finished New Scale

Rosewood and Mahogany Pianos.

with an entire cast iron frame, handsomely carved and gilt—this iron frame combines the entire instrument, prevents it from warping and getting out of tune. For fifteen years have they been tried in Pennsylvania, Maryland and Virginia, and some in constant use in Institutions, by Professors, and private families, and have given entire satisfaction; the climate or change of weather have little or no effect on the instruments—the tone is powerful, brilliant and sweet. Principals of Academies, professors and merchants will find it to their interest to purchase these Pianos. All instruments are warranted. Orders and letters will be promptly answered and attended to. Respectfully,

Address, A. KUHN & CO.
No. 85 North Green St., Balt.

DR. LEROY'S

WILD CHERRY AND SARSAPARILLA PILLS.

THE startling drawback on nearly all medicinal agents has ever been that in their process of purgation and purification they have also debilitated the system. Hence purgative medicines were regarded as at best but a necessary evil, patients resorting to them for the relief of one disease at the expense of another. To obviate this, physicians have long sought for an agent that would at the same time purge, purify and strengthen; but their efforts were nearly fruitless, and they had almost despaired of success when the labors of science, and research were rewarded by a discovery which fully realized the fondest desires of the medical faculty, and which is justly regarded as one of the most important triumphs that pharmacy has ever achieved. This important desideratum is named

Dr. Le Roy's

Vegetable Universal Pills,

which purify the blood and remove all corrupt and vitiated humors, and unhealthy accumulations from the body in a manner never before rivalled, and which yet produce no weakness or lassitude whatever; but on the contrary, tone the stomach and invigorate the constitution during the progress of their operations! Dr. Le Roy's pills in fact unite those heretofore irreconcilable but most desirable qualities, evacuation and invigoration; for they are at the same time a strengthening purgative and a purifying tonic. The two principal ingredients in Dr. Le Roy's pills are

WILD CHERRY AND SARSAPARILLA.

so prepared that each promotes the beneficial effect of the other, the former strengthening, while the latter, through its union with various vegetable ingredients, evacuates and purifies; thus they superinduce no torpidity or lassitude of the digestive functions, & hence their operations are attended by no reaction, or subsequent costiveness.

Dr. Le Roy's pills are the most active and searching medicine in existence. They at once attack the very root of diseases, and their action is so prompt, that in an hour or two after they are taken, the patient is aware of their good effects. They not only operate on the blood, but also on the chyle of which the blood is formed, and this secures good blood from the fountain head; moreover they produce neither nausea, griping or debility, and as a family medicine they have no rival.

MITCHELL'S

EYE SALVE.

—3:—

To the Public.

THE concurrent testimony of men of integrity and worth is the best evidence we can have of any fact which we have no cognizance ourselves. The great advantages possessed by this article over every other, are—ITS CERTAINTY, SAFETY, CONVENIENCE AND ECONOMY. All physicians admit that great danger is to be apprehended from drugging the eye when in an inflamed and unhealthy state. In the use of this salve this objection is entirely removed, as no harm can possibly result from its use: it being in all cases applied to the EXTERNAL PORTIONS OF THE EYE, thereby avoiding all the inconvenience, pain and danger, which necessarily attend the introduction of any pungent article INTO THE EYE. Its activity in subduing inflammation is so great that but few cases require the use of more than one bottle to effect a perfect cure. One physician remarked to us, after having witnessed its effects in several instances, that it was a "PERFECT FIRE KILLER." We might multiply reasons why this salve should be preferred above every thing else in the treatment of diseases of the eye, but we prefer it should stand on its own merits. All we ask is that its virtues be thoroughly tested, and that the directions be strictly followed.

Every bottle of the genuine salve has the name MITCHELL'S EYE SALVE, blown in the sides of the bottle, and the written signature of the proprietor, D. MITCHELL, on the outside wrapper. D. MITCHELL, Perry, Wyoming county, N. Y.

MEDICATED INDIA RUBBER

Porous Plaster

FOR RHEUMATISM, LUMBAGO, GOUT, &c.

IN all cases where it is thought advisable to keep up permanent stimulant impressions on or near the organ diseased, these plasters will be found highly valuable. In fact, all the benefit that can accrue from a continuous counter-irritant, will be produced in the most efficient manner by them. As in rheumatism, gout, enlargement of the joints, chronic disease of the liver, spleen, lungs, or other internal organs, in short, in all other cases where warming or strengthening plasters are beneficial, these will be found to be superior to any now in use. CORNWALL, Orange county, N. Y.

May 19, '47.

Dr. A. GILBERT. Dear Sir: Suffering for some time with severe bilious affection and liver complaint, I was recommended to try your anti-bilious family pills; and I am pleased in being able to say, that after using a few doses I found great and permanent relief. To all those afflicted in a similar way, I cannot refrain from thus publicly recommending them, as I consider them a valuable medicine to possess, especially in the country where persons are removed from the opportunity of receiving medical advice. Yours, truly,

Signed, GEORGE BROWN.

We, the undersigned dealers in medicines, having for two years past sold A. Gilbert's anti-bilious family pills, take great pleasure in stating that so far as we know, the medicine has given universal satisfaction; and we believe it, from the several expressions made to us, to be the best anti-bilious medicine now in use. DuRley's Anti-rheumatic Oil.

A certain and speedy Cure for Chronic Rheumatism, Spasms of the Muscles, Ligaments and Back, and for Sprains, Bruises, and Contusions.

THE history of this invaluable medicine is remarkable. It has risen into notice, and established a high and just reputation in the region of country where it has been tried, above from the surprising and numerous cures it has effected. The Proprietor, Dr. Samuel Dudley, Hospita Surgeon, on the Island of Portsmouth, North Carolina, has used it with unvarying success, both in the hospital, and in his private practice about twenty years. During that period it has been attracting public attention, and gradually rising into general and high reputation in all that region of country, solely by the surprising certainty of the cures it has uniformly effected. Until very recently, it has never been advertised, nor have any pains been taken to extend its celebrity. Its high reputation therefore is permanent, because it is based upon surprising and unvarying experiments alone. The Proprietor encouraged by its eminent success in cases of Chronic Rheumatism, and by the advice of his friends, and he will add, actuated by a desire to extend as far as possible the benefits of its healing properties, is now taking measures to make its wonderful properties generally known. All he asks is a fair trial. It is now offered to the public in the Eastern portion of North Carolina. The Proprietor is perfectly willing to put the result of its success or failure upon its success or failure, in curing or failure to cure any case of Chronic Rheumatism, or other affection for which it is recommended.

Certificates from highly respectable sources like the following, can be multiplied to almost any extent. A few are appended. The following has been politely furnished by that highly esteemed citizen, Col. Joshua Taylor, of Beaufort county, N. C., well known as a valuable member of our State Senate, and present Collector of the Port of Ocracoke, North Carolina:

"At the request of Dr. Samuel Dudley of Portsmouth North Carolina, I state that some years ago one of my sons had a severe and protracted attack of Rheumatism, and by using his 'Anti-Rheumatic Oil' he was relieved.

It gives me great pleasure also to say that beside this case, I have heard of others which convince me that this oil is very valuable in cases of Rheumatism." JOSHUA TAYLOR.
