

### Land for Sale.

HAVING joined a club whose object is to buy land and settle a whole neighborhood in Texas; I have determined on selling the land on which I now live, if I can get any thing like a reasonable offer, and will furnish the purchaser with one hundred barrels of corn at three dollars and fifty cents per barrel, and fodder at 75 cents per hundred. I conscientiously believe that to any man willing to buy land in North Carolina, I can sell as cheap a bargain as can be bought within fifty miles of my premises, and were it not for my children alone, I would not exchange my residence for any other whatever.

This tract I offer contains **About 700 Acres,** more than half cleared; and now in a good condition for cultivation—there is on it a meadow worth at least fifty dollars a year for grazing or cutting hay. It lies immediately on

**Fishing Creek, in Nash County,** thirteen miles from the Wilmington railroad and five from Hilliardston, where there is an excellent female school, and within a mile and a half from my residence is a male school inferior to few, if any in the State that prepares young men for College. By clearing and manuring, I have so improved my farm, that any good farmer with five ploughs and eight or nine hands can make two hundred and fifty barrels of corn and forty thousand pounds of seed cotton. A good deal of the fresh land is said to be first rate for tobacco and of course good for small grain. There is a small swamp running through my plantation on which is a great abundance of mud—a good deal of which is thrown out for composting. There is a comfortable two story dwelling house, and a tolerable sufficiency of necessary out houses; and within forty steps of the door is a never failing spring of most excellent water.

I have frequently known land to sell in Edgecombe where I was raised for eight or ten dollars per acre, far inferior to this I offer, and the land generally in this vicinity, for it is here as elsewhere the land is good on the water courses—but come and see, as I am anxious to get off to take a view of Texas. **Robert D. Hart,** Spring Hill, August 4th, 1851.

The undersigned being acquainted with the above premises, and having recently rode over the same have no hesitancy in certifying that there is not a more valuable tract of land in Nash, and have no doubt that the farm will yield this year eighteen or twenty bales of cotton, besides a plentiful support. **D. A. F. Ricks,** **Wm. H. Hilliard.**

### Valuable Lands FOR SALE.

THE tract of land belonging to the late Joseph John Norcott is now for sale. This tract, called

### "The Neck Lands,"

consists of 1950 acres, situate on Tar River, and at the junction of Trauter's Creek with the river, and within sight of the Town of Washington. Of this, 650 acres is subject to the dower of the widow of the late John Norcott. It is one of the most valuable tracts of land in this section of country, well wooded with Cypress, Oak, and Pine, and the arable land well adapted to the culture of Cotton, Corn, and all the productions of this climate. The arable land covers from 400 to 500 acres, and a body of 800 acres now in woods not at all encumbered can be easily put in a state of cultivation, and is of the most productive soil. The wood will find a ready market at Washington, and the farm is accessible to vessels by which its products can be transported to a home or foreign market with the greatest expedition. Its location on the water courses that surround it makes a Cotton crop a certain one, and the soil is peculiarly adapted to that culture successfully. There is a meadow of about 150 acres well adapted to the production of every kind of grass. It has a very valuable fishery which has been heretofore worked profitably, and there are several other eligible sites for fisheries. None of the arable land is subject to inundation.

Reference is made to Benj. F. Ehorn and Thomas H. Shepperd, Esquires, two of the commissioners who divided the lands, and who express the opinion that it is the most desirable farm in this section of the State. The terms of sale can be ascertained upon application to the undersigned at Greenville, N. C. If not sold before at private sale it will be sold at public auction at the Court House in Greenville, on Tuesday of November Court next, being the 4th day of the month.

Terms of sale at public vendue: a credit of one, two and three years will be given the purchaser, with interest from first January next, the interest to be paid annually. Bond and approved security will be required by

**Goold Hoyt, Ex'r,** of Jos. Jno. NORCOTT.

### FOR SALE.

### A Roanoke Plantation.

HAVING determined to move South, I now offer for sale my very valuable plantation on Roanoke River, lying seven miles above Gaston, five miles from the Petersburg Rail Road, and twenty one or two miles from Warrenton. This plantation is in the County of Northampton, but within one mile of the confines of the Counties of Warren, Halifax, and Brunswick, Va. The tract consists of

### 2,500 Acres

including more than half of Pugh's Island, which is classed with the best land in the State for the growth of Corn and Wheat. The uplands are exceedingly well adapted to the cultivation of Tobacco. The Residence upon this land is one of the most beautiful and elegant, the situation being inferior to none in its general appearance. Only one mile from the dwelling there is a Mineral Spring (belonging to the tract,) and it is considered in its properties by all those who have drank of its waters equal with that of Shoeco or Jones' White Sulphur. I consider it useless to say more, as those who wish to purchase will come and examine for themselves. I am exceedingly anxious to sell, therefore feel willing to make a considerable sacrifice.
