

TARBORO', N. C.

: : Jan. 28, 1876 It is thought at Washington that neither Eustis nor Pinchback will get the vacant seat, but that as soon as the Louisiana Legislature adjourns Kellogg will supplant them both with that dear Brotherin-law Casey. The plan includes mission to Hayti.

The Cincinnati Commercial, which has come to be a sort of army and navy journal, jogs Grant's memory with the fact that if it hadn't been for the present editor of the New York Sun he would have been removed from the com- and the radicals of the North will not mand of the Army of the Tennessee | fail to use them to great advantage in in 1863. That would account for the coming election. Facts as they the liberties Mr. Dana now and exist should be better understood by then takes with his protege-if it the sonthern people, and these miswere true. But the fact is Grant takes would be avoided. had no friend then but Lincoln.

No doubt they came to this conclusion in view of the powers of the midable one, but if its use were to trary effect. mate place, there will be no objection to the army at its presen tsize.

Official returns for the past year show that France contains about half million acres. In comparison with other countries France is very 45,000,000 acres of woodland.

Holden as a Martyr.

There is but little in the composition of W. W. Holden of that stuff of which martyrs are made. The attempt made by Blaine to elevate such a man to the position of marselves but to state the effect of their tyr has recoiled with cruel force on his own head. The Philadelphia that no dozen radicals in the North burg, out of employment, and fre-Times aptly says:

reveled in and profited by the rebel | man. camp as there was anything left dered twenty millions of bonds, utterly bankrupted the State by venality, and was clearly proven guilty and justly deposed and puntrust. Did Mr. Blaine forget that this is a land of telegraphs, newspapers and schools?"

Mr. Blaine did not forget that; the history of his own country.'

and Tucker.

Washington, D. C., Jan. 27th, 1876.

Editor Southerner:

All who desire a return to conserthe purchase of Pinchback with the vative government, and who feel satisfied that the people of the South have honestly returned to the Union with the desire and intention to remain in it, as loyal upholders of the flag, regret the tone of the two gentleman named above in their late speeches. While there is nothing really objectionable in them, their words are subject to misconstruction,

There are two elements among the voters of the country without which The majority of the committee the republican party could hardly on military affairs has reported maintain a national organization, deagainst the reduction of the army. prived of which it could have no hope Josiah Turner of the Sentinel has for five years.' tions who will come to see the progress we have made in our first centu of the whole country. The Seath and

work, and should urgo it forward. All kinds of rumors are afloat as to the Cuban question. It is said that the President has a message prepared on the subject which will be sent in very soon, and that he calls upon Congress to intervene and close the war. The tone of Secretary Fish's letter to Minister Cushing at Madrid would indicate that unless Spains speedily shows her power to crush the rebellion that a message of that import will be sent to Congress. One thing is sure, great activity is shown in getting the navy ready for see, and numbers of vessels, one being sent to the southern coast. The Members of Congress opposed to the specie resumption are talking about a caucus to prepare some measure of which, if they have the requisite number of votes, they will ask the consideration They seem to be doubtful of any: 3: . meeting their views being reports. by the committees.
