RIOTISM AGAINST THE LAW OF FORCE. NORTH CAROLINA EVER TRUE TO THE

Executive Department,

Raleigh, Feb. 9, 1864. His Excellency Jefferson Davis: MY DEAR SIR: Since receiving your letter of the 8th ult., to which was my intention to have replied before this, reports have reached me from Richmond which, if true, would render my reply unnecessary. I hear with deep regret that a bill is certainly expected to pass congress suspending the writ of habeas corpus throughout the Confederacy, and that certain arrests will be made in North Carolina. Of course if congress and your excellency be resolved upon this as the only means of repressing disaffection in this State, it would be mere waste of time for me to argue the matter. And vet I should not hold myself guiltless of the consequences, which spoken. If the bill referred to, it, so great is their regard for law. to be in violation of that instrument.

vinced that you believe it to be the The burdens of the people must also be lightened by a great change in our system of public expense. Nothing can be well with us or with our affairs until the public conscience, shocked by the enormous science, shocked by the enormous avils and abuses which prevail shall of the people must also be lightened by a great change in our system of public expense. The profligate expenditures which per capita in 1860 to eighteen dolars avils and abuses which prevail shall of the people must also be lightened by a great change in our system of public expense. The burdens of the people must also be lightened by a great change in our system of public expense. The profligate expenditures which per capita in 1860 to eighteen dolars are per capita in 1860 to eighteen dolars and abuses which prevail shall be since the people must also be lightened by a great change in our system of public expense. The profligate expenditures which in our system of public expense. The burdens of the people must also be lightened by a great change in our system of public expense.
