No won-help him to prove that there was great der Republican office-holders can value in him while a slave, and they Now, Mr. Chairman, we have ac- build \$100,000 residences in Wash- combine ought to produce the same counted for the people's money spent by the Democrats when in fashionable Cities in the short we know that you are satisfied Now what is the result of such bloom of life, and the other to supwith their account, we will next reckless and corrupt administration port him amidst the feebleness of old turn to that of the Republicans, of the government, especially this age, and if any exception is to be tafairly, putting them on their record can dignitaries go to Philadel- accredited to the superior skill of the for public buildings during the last and honest people we Republicans olution, and all history shows that sixteen years \$41,259,746.63 hav- are. (Great laughter) Now, Mr. revolutions never go backwards.ing showed where the Democrats Chairman and Fellow Citizens, I Then my colored friends pay no atspent their \$28,040,170.30, we will wish to call the attention of the tention to the leaders of the Republinow ask the friends of Hayes, house to the fact that there is a can party, for we are all free and free Wheeler, Settle, Belknap, Bab- wide misunderstanding between the forever. Mr. Tilden declares in his Morton, and sun-stroke Blaine, to touching the Cincinnati Convention, will faithfully administer the laws tell the people where have they for leng before it assembled in protecting every American citizen erested public buildings for the June, the people of the whole country had branded the administration black or white. We, as a mere fragthe amount of \$41,269,746.68? Af- of Gen. Grant as the most odious mentary portion of this great nation, ter a careful investigation upon the on record, and the representatives especially here in the South, must alpart of the late Democratic House of the people North and South in ways unite with the popular element of Representatives of the United Congress assembled, had commenc- of society. By so doing we will States, who searched diligently the | ed its investigations of frauds, bri- | move with the wealth, the talent, the

City of Washington over and over, beries and corruptions. Thus it moral and religious worth of our but failed to find where the Repub- was thought no set of men in our country. If you want peace and proslicans had located government buil- land would dare attempt an appro- perity at home and national honor dings, but on a counter search val. (A voice from a colored man maintained abroad, vote for Tilden they found that all or nearly all the in the crowd, will the Rev. gentle- and Vance at your next election. [Cries "we will."] The glory of our ton since 1860, were done by Re- Mr. White, "certainly, Sir." The of people, the hope of the future life country, the salvation of 40,000,000 county says that Ike must and shall publicans, and are to day registered colored man seemed to pause rathe of the republic, all demand in thurs a sandy expanse with a sparse growth of stunted 'old field' pines. Gallop,' whispered Uncle John. Then we are no longer friends, and as the old man said this he knocked out the ashes from his pipe 'Gallop,' whispered Uncle John. The interrupter, I believe I speaker took his seat.
