The Outlook in New York.

Tammany, under the lead of Mr. Kelly, withdrew from the Syracuse democratic convention and nominated Jao. Kelly for Governor. The convention then went to work and regarded as a victory for Tilden they'll do most good. over Tammany. No.., if his can-didate, Robinson, should be de- NEW ADVERTISEMENTS. feated this year-that is, if he can't regulate and harmenize his own party—his prospect for the Presidential nomination will be slim indeed. Opinions differ in New York, some say, the split will certainly elect Cornell, while others say the rebuke administered to Tammany will draw support from republicans all over the State who are inimical to Cornell, which will elect Rebinson. Of course everything depends on Kelly's followers. Ex-Gov. Hoffman and others have withdrawn from the Tammany committee.

Pardoning Power, Again. Many of the editors, who have discussed the Governor's exercise of the pardoning power, have lost case. Their view is very naturally taken by those unfamiliar with level level proceedings. It is law and legal proceedings. It is the equitable character which inheres in pardon. Equity is defined to be, the correction of that wherein the law, by reason of its universal-

ity, is deficient.

The law frequently cannot regard broke KENTUCKY HORSES, the mitigating circumstances sur- which I am selling on the most and declares the commission of a certain act to be a certain offence on the penal calender. The Judge is compelled to charge the law, and sept. 18.8m.

Examination and inspection off all buyers carnestly invited.

tf.

sider. Nor is this always remedied by the resident power in the Court after conviction. Sometimes the statute fixes the punishment which the Judge is bound to impose, when judgment has been prayed. Sometimes and many years experience has been engaged as one of the Assistants. Reduction in terms since last year.

For further particulars, apply to MRS. GEN. PENDER,

11 1879.-if. Principal. ment has been prayed.

'Twas mainly for this state of facts that the Chief Executive of the State was empowered to look behind all these legal barriers and see the extenuating circumstances, which the law is blind to. The pardoning power, alone, can see poor weak human nature, the provocation that incited the deed; as for instance the attack of a man on the ravisher or paramour of his wife, after his passion has had cooling time, and many such cases as will readily come to the mind of the reader.

Again, when offenders have partially expiated their offences, and by their good conduct in prison, Cetawayo had only two followers by the crime of which the effender was convicted having abated in prevalence, when these are shown to the Executive by the signatures of President Hayes is speaking respectable petitioners, are they

Gov. Jarvis, through his apolo-

gists (eulogists), says "no."
"The verdicts of juries are not to be interfered with; the petitions 'poor to do him reverence !' Lor- of citisens, however respectable, of ilard should have let well enough Judges, Solicitors and juries, who try and convict, have no weight. They sign such petitions because they are tender-hearted and merciful. This Executive is neither the one nor the other. Unless new evidence be brought, that would alter the verdict of the jury, or it be shown that the jury were unduly influenced. I, T. J. Jarvis, Governor, etc., will keep my hands off."

Suppose, in the case alluded to, hats to the great Dianas of the a husband meets the destroyer of his wife's virtue, his home's happiness and his children's honor, after "cooling time," is taunted into des-Memphis, where the fever is yet peration and strikes him to death, malignant. He is a sort of Peter-robber and Paul-payer, after the can help him. The jury obeyed their oaths, with agonized hearts, but he must hang. Such a case B. F. Butler and Wendell Phil. did occur in Beaufort county a year B. F. Butler and Wendell Philips have been nominated for Gover- or two since and the man would 8 T Cherry, 20 days, 30 00 bave suffered the nenalty according Traveled 420 miles, at 4c. 16 80 nor and Lt. Governor of Massachu-setts by the Greenback Convention. to Gov. Jarvis' idea of equity, mer-Traveled 420 miles, JE Porter, 18 days,

As many good things, before, the pardoning power has been abused. The insurrection against the On this, perhaps, all are agreed.

A fatal fever called the Spotted In shunning Scylla, Governor,

When the legislature meets (if it can be done-we haven't examined), we will fall iato line with the Wilmington Star and call aloud for a "Beard of Pardons." The one man power is dangerous under all

oircumstances. Others would inaugurate the rule of the Medes and Persisns — no pardons have the laws inflexible, immutable. We We hail with joy the constant take our law as we find it and shall

the Governor has commuted the to do anything in the death sentences of Alex Bradwell and Tom Roseboro in Iredell county, to life imprisonment. The Judge, Soliciter and many citizens signed The idea of Dr. Eugene Greas-em the application. Hon. W. M. Rottilting his feeble lance with the bins, a powerful and influential polgreatest medical writer and think- itician, was counsel for the coner on the continent is just too fur- demned, and visited His Excellency in their behalf. As the Governor had refused other application similarly signed, we rejoice that somebody, in some way, has touched his heart. Mercy, he admita, is never consideration with him. Pernominated Gov. Robinson. This is haps it is well to put 'em where
