Carboro Southern.
Thursday, December 1, 1881.
THE OLD NORTH STATE.
Sells Climate, Products and Industries—The Education of the People—The Future of the South—The Eye View of Southern Conditions—The Old North State.

of an extensive variety of grapes, many of which are indigenous to the soil. The finest cultivated varieties are the Catawba, Concord, Delaware and the Concord and the native Scuppernon. The wine possesses distinctive peculiarities, and when treated by similar methods yield many of the finest wines of Europe, particularly champagne, claret, hock and port, of which there are many excellent imitations.

the audience voted unanimously that the lecturer was smart, and that he had declined to let him have the use of the hall again for any reason. Guitau had admirably sustained his position as a first-class orator. Christ and G. A. C. were distinguishedly brought out by the lecturer, and the audience in his hall were of liberal tendencies. Guitau's views were antagonistic to those of the law.

with the watch, he became suddenly sleepy, and said: "I am too full to play well to-night. I will go to my bed."
But those who were left did not break their promise. They sat on until the very close of the evening, and were not in the least fatigued.

the sections and particularly to Wilmington, her chief city, that you need give yourself no concern about its receiving the warm, cordial support of our people as soon as they have reasonable assurance of its being carried out.
