Mr. Geo. D. Miller, son of the illustrious Henry W. Miller, agent of the N. C. R. R. at Durham reported as having committed suicide, is yet alive. He made the attempt, but the ball of the pistol instead of going through his head, passed around the soull, lodging on the opposite side from the point of entrance.

The writer knows Mr. Miller well both and strange to say has been and is at a loss to account for his fend himself and that well. While attempt to kill himself. Nothing we regret the occurrence, we do not

"There is one gentleman in Winston who has money in a Richmond bank. He pays to the State of Vir-ginis a tax upon it, and has to pay another tax upon the same money to North Carolina. There is another gentleman who bought a buggy on credit. He pays a tax on the buggy, ry body except the impeaching and the man he bought the buggy from also pays a tax on the indebt-edness of the other for the vehicle. In the name of justice is this right ?

thing. When the people think of was the boatman. He held on to the this double barrelled taxation, they just won't stand it.

We regret very much to learn, says the Observer, of the death of Mr. Luther Bridgers, one of the most promising of the young men of the the two mile buoy, out towards the State and a general favorite among bar. The situation was each moall who knew him. His death will will seat 1,000 and Goldsboro is ac he is known. Mr. Bridgers was the son of Hon. R. R. Bridgers, the president of the Wilmington & Weldon Railroad Company, and was not quite consumption. Two brothers were cut off at an early age with the same disease and are buried here at the Episcopal Cemetery. Mr. and Mrs. Bridgers have the warmest sympathies of their many friends in Tar-

> phatically against the idea of "mixed brick buildings are occupied by many schools." This in reply to an inti-mation by the News-Observer that at one time the Republicans thought to make Chapel Hill a mixed school which caused the University to per-ish. Gov. H. says: "I desire to say, so far as I am concerned, that the above statement has no foundation in fact. The Republicans of this State have never advocated mixed schools. In my campaign in 1868, together with Judge Settle and othhesitate to say that if the colored people had generally objected to my course on this subject, I would have dren at the same schools with the colored children."

We are told a good one on the sprightly Capt. Tom Evans, of the Milton Chronicle and Reidsville man in Person county sent for editor Tom in great haste. Capt E.

Norfolk, Va., formerly of Warrenton in this State. It appears that during the day some person, not Mr Jenkins, had made the remark "there | week, a woman aged twenty-six years goes one of those d— G. C. G's." who had been very beautiful was a which was everheard by a number of the company and repeated. In the evening as Mr. Jenkins was dancing in the ball room a note was handed third in a pauper's grave to day by him, which he read and placed in his pocket. Afterwards several messa-Mr. Jas. M. Smith, the farmer, who while ploughing in his fields near Greensboro a few weeks since, turned up a diamond which was imbedded in an emerald of great size and beauty, left for New York with his treasure Saturday. North Carolins towns we know of.

Mr. Geo. D. Miller, son of the ilmonths Knott came to the Halifax mill, but turned out to be dissolute and scandalously neglected, badly treated and starved his supposed wife and left her in destitution, June 80, for Philadelphia, where his father, John Knott, holds a responsible position in a cotton mill. His wife was delivered, under charitable at tendance, of another still born child. on Monday, July 2d, and failed to rally."

Commend us to the young wife of Amos Bidwell, of Otsego Lake, Mich. We have no doubt as to her devotion to the babies and her ability to make pies and puddings and put up pre serves. Although we do not enjoy the honor of her acquaintance, we feel confident that her husband's was capsized while sailing near Fort shirts are never to be found without Macon. All the men were thrown their full complement of buttons and into the water which was there about that the stockings are never allowed to go over Saturday night undarned. We reach these conclusions because Winston Sentinel.

No, it is not right and the LegisThe boat lay in the water four hours.
The soldiers were all able to swim, her title to that character—and she lature must let up on that sort of and the only person not a swimmer handles the Winchester rifle with the skill and quickness of a frontier

Young Mrs. Bidwell was alone in similar circumstances Mrs. C. Melinforms the offender that 'a husband's roof, however lowly, is the temple of a wife's honor." Young Mrs. Bid-well did not do this. Probably she had never read Bulwer or seen the play of the "Lady of Lyons." But after giving the ruffian proper warning, which was unheeded, she seized

her trus.y Winchester, drew a bead on him and shot him dead. All honor to the brave woman! If she had hesitated her life and the ife of her husband would have been lighted. She was the protector of his happiness as well as her own honor. She deserves a substantial proof that every true man and every honest woman in the nation appleud her courage and approve her act.

Lee's Unselfish Devotion. Not many people know that Gen. Robert E. Lee was offered the chief command of the army in 1861, and declined it. The offer was made upon the recommendation of General Scott, backed by the venerable F. P. Blair, Sr., who conveyed the tender of the position in person It must have taken great moral courage to decline the highest position to which he could ever have obtained in his most ambitious dreams. In 1865 the railroad which is now called the Virginia Midland, and its connections, the favorable reports from crops. It was mainly owned by English bond-is estimated that Taiboro does more holders. After an expert had carecredit business than any town of its fully examined the condition of things the committee of bondholders held a meeting and tendered to Gen. Lee the Presidency of the road and He carried us to his office, and we its connections, under one organizawere agreeably surprised to find so tion, at a salary of \$50,000 a year. companies offered Gen. Lee \$10,000 a year and a house in Richmond to take hold of and build up their Southern business. Gen. Lee declined both of these splendid offers to accept a place as teacher of South
