Progress in this line may be estimated from the fact that in 1840 their employments were confined to seven the hand, which had also changed its color. Says the physician in charge: 'T removed the sutures on the fourteenth day, and afterward she carried the hand in a sling, and is new—three months after the accident—able to extend the fingers and constraints have been determined by the respective for the supposed to have the supposed to have

YOUNG RHETT'S REVENCE. How a Southern Student Punished a New Hampshire Bully.

ver heat one of the young Rhetts of South Carolina, was sent to Harvard University, writes the Washington my's intentions, when, with income tion. Oh, Mr. North State, how very correspondent of the Philadelphia prehensible stupidity, one of the Justice Field, of the United States divided by Mason and Dixon's line. Supreme Court, firmly believe that the Northern boys were led by a big the day is not far distant when the bully from a New Hampshire farm. He thrashed everybody in both parties, but he displayed his partiality by thrashing the Southern boys twice to the Northern boys once. The university has changed wonderfully since then, of course, but at the same land will be willing to recognize in a proper manner her cis-Atlantic lish public school is some respects. at fair Harvard were pretty sharply it off in the direction of the fion. proper manner her cis-Atlantic lish public school in some respects than like a great English university.

Slap sometimes.

Since then, of course, but at the same our courage being equal to the octation, we climed up the nearest trees as quickly as we could, considering discretion the better part of values of the same or but the lion had seen us, and long before he was knocked down by he approached like a steam engine. Voung Mr. New Hampshire. It was be the Democratic candidate for Con young Mr. New Hampshire. It was

face but defiant of heart. New Hampshire said nothing more the bits into Rhett's white face. The New Hampshire boy and the other and the monopoly is losing \$200,000 New Hampshire boy and the other and if any one tells you he met a lion fellows passed into the chapel, and and he was perfectly calm and comwent over to Boston, playing with the bits of paper in his pocket as he friend about his visit to Boston, nor did he disclose his plans for getting even with his enemy. Every day for and when not away on these trips he days, the handsome sum of \$40! occupied himself with his text books. One day, when quite a number of his fellows were standing on the campus, among them the bully from New Hampshire, young Rhett appeared there for the first time in many days. "Come here." he said to young

New Hampshire.

"Come here, yourself," said the "Meet me half way," said Rhett. To this the bully consented. As soon as the bully got within striking distance Rhett quickly knocked him down. Surprised and maddened, the Rhett felled him like a butcher, and every time the bully apreached, Ruett skilfully defended himself and skilfully offended New Hampshire. At length the bully, also of the spot where this important Ridgeway, on the R. & G., towards badly used up, fell helpless at Rhett's feet. Rhett immediately put his foot on his breast. "Let me up," mouned New Hamp-

"Not just yet," said Rhett. "You got a challenge from me!" "Yes," moaned the bully.

"Instead of replying to it like a gentleman," went on Rhett, "you tore it up and flung the pieces in my "Yes," said New Hampshire, with

an effort. "Well," said Rhett cooly. "I saved the pieces, and you've got to eat A remance in high life has just them before you get up." Therenpou he slowly fed. New Hampshire

I confess that I did not feel comportable, who made that sort of thing his profession, once, only once in his life, after having waited a whole night for a lion, suddenly heard some wood crackling behind him, and turning round beheld the head of the beast. Then he said: "I looked at him and he looked at me for what I fancy was a full minute, but may have been a half minute or less, and when I thought the comedy had laster quite long enough, bringing my rifle into a position, I let the whole courtesy (this was his expression) "into the

tion's eye, and I have no doubt that one second later it would have been -too late-" Anyhow, we felt a curious sensaon with this monster so near and seemingly so determined to wait any ength of times for he looked up at us with the clearest possible expression, as much as to say: You just come down, you cowards, and let us have a fair fight; we will soon see who will get the best of it. And he continued slowly wasking around the tree, watching us as if to espy every movement of ours. At last he marched so slowly and so near always holding up his proud, majestic head. that I said to my comrades: "We ave six good shots. The next time he comes within my range I shall slowly take aim and fire; if I miss him, do not be rash, wait your chance

-one of us must kill him. When he neared me I took aim slowly and cautiously, knowing the anger if I failed One second more I pressed the trigger, the ball went straight in at the corner of his eye, and he fell. Now was the question, was he dead, or did he, as they often do; pretend and lie motionless? The blood, however, flowed freely, and he seemed not to have any life, when one of the Zouaves said, "Si, monpleasure, but I do not wish you to us fear that it was all over with the man. At this critical moment he let the whole charge in at the lion's ear course we all came down, and now the Arabs began insulting him: "You robber, you thief, you stole my sheep; you dishonorable brigand, you murdered my lamb," &c. &c. I don't know whether the lion despised calumny, but he replied nothing, which seems the most practicable means of silencing gossiping tongues, and af-ter cutting his head off, which was borne in triumph into the village, this exciting event was over.
