The SOUTHERNER.

(gr.) and I' the Post-Office at Tarborough, .as so. I cass Matter.

THURS AT AUGUST 22, 1889

I'er President.

The Farmers' Alliance has done the order credit and honored Col ELIAS CAPR by making him President of the order in this State. The position and the man so well fit that the Southerver can but admire and applaud

Col. Carr is on of the most meth odical farmers t e found anywhere. To his occupation he brings a rare intelligance and a mind stored with ever useful knowledge. His education is thorough. His views are liberal and progressive.

Knowing this, the SOUTHERNER is convinced that no man in the Etate is more fit for the presidency of the mechanical and agricultural college. He would bring to the office every Dun'ar, but when freight slacks up on requisite. And the fact that he is so hat rute it will run below here. popular and esteemed by the agriculturalists would insure the success of the institution from the beginning. Can be be elected?

We think sc. L t every Alliance man, every farmer and everybody else in this section who knows him well, knows his undoubted fitness for the office, speak out and say they want him. And let them, one and all, make known his great ability and his admirable fitness.

Sept.2,1889 Young ladies from abroad are requested to board at the Academy. A navy blue uniform trimmed with sliver braid is worn. This may be made by order after entering the school.

The Academy is situated in a benutiful grove, having ample grounds, a hearthy location, commodicus studying hall and well ventilated dornat tories. The training of the young ladies will be careful and thorough, the aim of the teachers being not only to make accurate scholars, but to develop such qualities of heart as will fit them for the higher duties of life

Unsurpassed advantages in Music, History, litterature and Art,

This Institution will begin its fall term

Thorough instruction will be given in the higher mathematics, cook-keeping and the lan Mrs. Julia M. Staton has made music a specially for several years, receiving the best recommendations from Miss Trail.

For the past years he has been in New Y.

City perfecting herselt in the study of these

City perfecting herselt in the study of classimusic, paying particular attention to technique or modern touch and the say, receiving the monists from Mr. Kelso of Chickering Hall and Mr. Patton of Union Square, both specialist Miss Carrie Jones, educated at the Tarrotouch Female Academy and at Saunton, Va., has devoted several years to the saudy of Art under the instructions of Miss Barcine. For the past year she has studied from cast and from the under Miss Lilly Logan of Richmoold, Va., who who pursued her Art studies in Rome, Italy for several years. She also studied under Mr. John Elder, the bat-tle painter of VI ginia who was educated in Ger-
