Never did women accept the truth of Mother's Friend more willingly than those thousands who have tried it. The prime

thousands who have tried it. The print object in a medicine for expectant mothers it safeness and virtue, qualifications impossible to find in internal doses made of nasty injurious and stimulating drugs. MOTHER'S FRIEND

is a liniment rubbed in with the handssomething to lubricate the internal tissue;
and muscles. Something gentle, comforting
and refreshing; a balm for the nerves,
softener for the cords holding the heavy
burden, an invigorator for the muscles
making them elastic, thereby permitting
with ease expansion as the fetus grows to
be a live baby.

Mother's Friend is the only liniment that will make the usually dreaded issue easy and leave the child healthy, and the mothet with all her grace and symmetry unmarred Of druggists, \$1.00.

BALTIMORE, Md., March ya. 1987.

Gentlemen: — Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right car began to sing, and this kept on getting worse, until I lost my bearing in this car entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent car specialist of this city, who told me that only an operation could belo me, and even that only temporarily, that the head misses would then cease, but the hearing in the affected ear mosaid be lost forever.

Ithen saw your advertisement socidentally in a New York paper, and ordered your treatment. After I had used it only a few days accueding to your directions, the nosses created, and heartly and beg to remain
